November 19, 1998

Sub : Endorsing medical/fitness certificates
issued by Registered Medical Practitioners
in connection with grant of leave.

During the course of discussions in the 36th Departmental Council meeting, the Staff Side made a request that need for getting the medical/fitness certificate issued by the Registered Medical Practitioners in connection with the grant of leave by the CHSS doctors be reviewed in view of the practical difficulties experienced by the employees residing in remote and isolated places. It was explained to the Staff Side that the above requirement was in consonance with the provisions of the leave rules and could not be dispensed with. However, it has been decided that in a case of emergency where an employee is forced to apply for leave for shorter duration, i.e. upto 5 working days, the certificates issued by the Registered Medical Practitioners with MBBS degree would be endorsed by the CHSS doctors.

The above is issued for the information of all concerned.
