Sub : Extension of Dental treatment facility/  
Supply of artificial dentures under CHSS.

---

Reference is invited to CAT I.D. Note No.CAT/96/Admn/Rectt.40/1624 dated August 110, 1999 on the above subject.

In clause 8.3 of the CHSS Rules, it is quite clear that full dental care would be provided free of cost. The question of making payment arises only when artificial dentures are provided as indicated in Annexure-II. In view of the this, it is clarified that providing bridges and crowning does not amount to supplying artificial dentures but the same would fall within the scope of dental care and there is no question of charging any amount separately.
