PRESS RELEASE NO. 7/2023

### Department of Atomic Energy gears up for Special Campaign 3.0

The Department of Atomic Energy kick-started Special Campaign 3.0 in Secretariat and in all the Constituent Units/Public Sector Undertakings/Aided Institutions of DAE. During the Preparatory Phase from 15<sup>th</sup> September to 30<sup>th</sup> September 2023, DAE identified various targets and mobilised all the Constituent Units/Public Sector Undertakings/Aided Institutions for Special Campaign 3.0.

Inspection of Record Rooms was carried out as a part of Preparatory Phase in various Units of the Department. All the Constituent Units/PSUs/Aided Institutions are actively participating in Special Campaign 3.0.

The Department has set a target of reviewing 61128 number of files, carrying out 64 Cleanliness Campaigns. Special emphasis is being given on cleanliness campaigns and awareness in various parts of India and generation of revenue from scrap disposal along with freeing up of space in office premises.

Efforts are being made by the Department to adopt new and best practices for Special Campaign 3.0. The Department has taken a stride to ensure that we have a cleaner and greener environment.
