

PROVISIONALLY ADMITTED QUESTION FOR THE RAJYA SABHA

Starred /Unstarred Diary No.-- U2291

The Question Will be put down for -- 01/08/2024

Answer on the Ministry Department -- Atomic Energy(AE)

Rare Earth Minerals

Will the PRIME MINISTER be pleased to state:

1. What is the Ministry's strategy for developing a circular economy approach to rare earth minerals, including recycling and waste reduction?
2. How are rare earth minerals being used in emerging technologies like advanced ceramics, nanotechnology, and metamaterials?
3. What initiatives are being taken to develop sustainable and responsible rare earth mineral supply chains, including traceability and transparency?
