Ministry: ATOMIC ENERGY

Sitting on: 27/11/2024

Question Type: UNSTARRED

Enhancement of Atomic Energy Capacity

Will the Prime Minister be pleased to state that:

(a) the details of steps taken by the Government to enhance the atomic energy capacity of the country and the role it plays in strengthening country's nuclear power programme;

(c) whether the Government has plans to expedite nuclear energy projects to meet the growing energy demands and if so, the details thereof;

(d) the details of safety measures implemented by the Government to ensure the safe operation of nuclear power reactors and other atomic energy projects in the future; and

(e) whether this project will contribute to country's goal of increasing clean energy and if so, the manner in which it aligns with the national energy policy goals?
