

PROVISIONALLY ADMITTED QUESTION FOR THE RAJYA SABHA

Starred /Unstarred Diary No.-- U2525

The Question Will be put down for -- 13/03/2025

Answer on the Ministry Department -- Atomic Energy (AE)

Development and installation of Bharat small reactors

(a) the plans for the development and establishment of 'Bharat Small Reactors', including their intended role in India's energy strategy;

(b) whether potential locations have been identified for setting up these reactors, if so, the details thereof; and

(c) the current status and progress of research and development on indigenous small reactors at Bhabha Atomic Research Centre, the major achievements achieved so far and the expected timeline for completion?
