

PROVISIONALLY ADMITTED QUESTION FOR THE RAJYA SABHA

Starred /Unstarred Diary No.-- S5664

The Question Will be put down for -- 20/03/2025

Answer on the Ministry Department -- Atomic Energy (AE)

Private investment in nuclear power generation

a) Whether government has planned to invite private entities to invest in the nuclear power generation sector? If so, which private companies have been enlisted, and what are the projected investments from each investor?

b) How will private investment contribute to India's goal of non-fossil fuel electricity generation by 2030, and what is the expected nuclear power output compared to current levels?

c) Whether a specific framework has been devised to ensure secure and regulated private sector participation in nuclear energy projects, given the industry's national and international security concerns? Provide details?
