REACHING THE UNREACHED

कानूनी सलाह अब आपके गाँव तक

The Government of India launched the Tele-Law program in 2017. It is an effective and reliable e-interface and pre-litigation mechanism that aims to connect the needy and marginalized persons, in need of legal advice and consultation with Panel Lawyers via video conferencing/telephone facilities, available at Common Service Centres (CSCs) in Gram Panchayats or via Tele-Law Mobile App.

Accessibility

Tele-Law service is accessible to citizens of India via video conferencing/ telephonic facilities available at CSCs, situated at the gram Panchayat level or via Citizens' Tele-Law Mobile App.

Language

Application in 22 Scheduled Language.

Frontline Functionaries

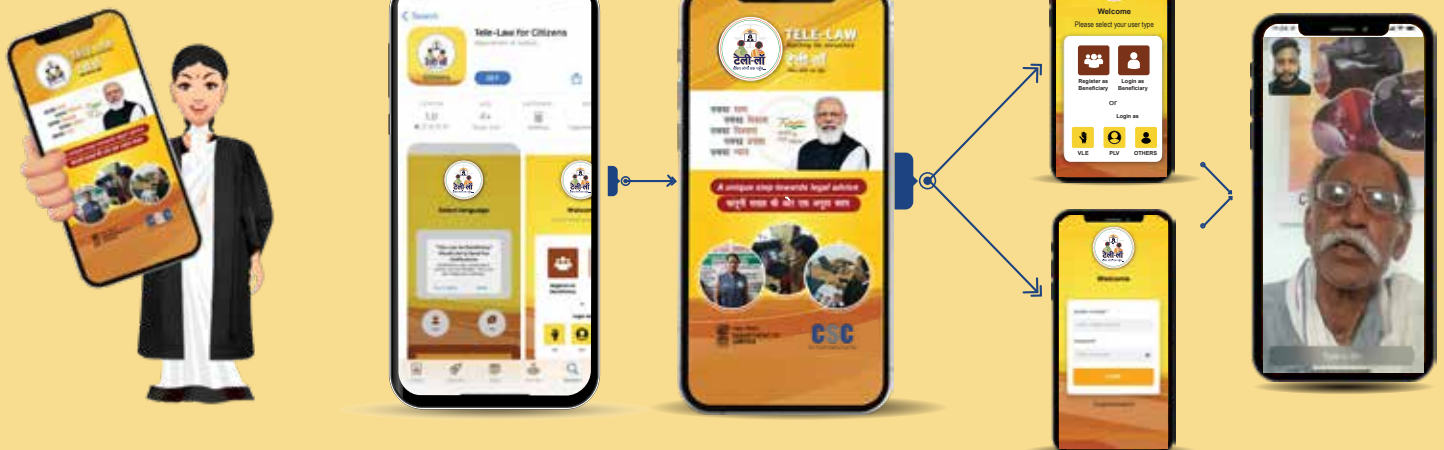

- Village Level Entrepreneurs (VLEs) who run the CSCs facilitate online registration of beneficiaries with Panel Lawyers.
- Para Legal Volunteers (PLVs) have been stationed to act as intermediaries, bridging the gap between common people and the Tele-Law service, and also to create public awareness about Tele-Law.
- Panel Lawyers have been positioned to provide legal advice and consultation to people.
- State Coordinators manage different stakeholders in effective implementation of Tele-Law programme in States/UTs.

Real-time Data

A dedicated Tele-Law dashboard has been developed to capture real-time data on nature of cases registered & advice enabled. This data has also been hosted on the Prayas Dashboard.
