

Stakeholder Consultation for Partnerships to Operate the Trust Hospital

Shri Shanaishwar Devasthan, Shani Shingnapur, Dist. Ahilyanagar, Maharashtra intends to understand and explore options for partnerships (such as PPP models) with agencies for restarting the operations of the hospital of the Trust. A stakeholder consultation in this regard is arranged with stakeholders from Government and Private Sector.

The Trust has a 60-bedded hospital equipped with suitable infrastructure including 2 Operation theatres and a CT scan machine. However, it has remained underutilized in recent years. The Trust is therefore exploring suitable operational models to ensure optimal utilization infrastructure and delivery of affordable & quality healthcare services.

Details about Consultation:

- **Date: Friday, 6th March 2026**
- **Time: 11:00 AM, Indian Standard Time**
- **Mode: Online**

The consultation aims to deliberate on feasible operational models, governance structures, financial sustainability mechanisms, and best practices for effective hospital management.

You or your representative is cordially invited to participate in the consultation. Kindly confirm you or your participation at your convenience. The meeting link will be shared separately upon confirmation. Alternatively, you may also share your suggestions and recommendations in writing via email.
