Expression of Interest from Private Landowners for Self-Financed Development and Operation of Parking Facilities during Simhastha Kumbh Mela 2027

Nashik Trimbakeshwar Kumbh Mela Authority (NTKMA), Nashik

Applicants are requested to first review the Expression of Interest (EoI) document available on website for detailed terms, conditions, and instructions.

For the Nashik Trimbakeshwar Simhastha Mahakumbh Mela 2026-27, it is proposed to establish parking facilities for vehicles of pilgrims visiting Nashik and Trimbakeshwar. Considering the time required for developing such parking facilities, the Authority has formulated a expression of interest (EoI) to seek preliminary information and assess the interest of private landowners and eligible organizations for developing private parking facilities along the roads leading to Nashik and Trimbakeshwar, based on their suitability and utility.

Private landowners and other interested entities willing to develop, operate, and maintain parking facilities on their land at their own cost may submit details of their proposed sites. The proposed locations will be evaluated and approved by NTKMA based on factors such as location, accessibility, land availability, traffic management requirements, safety considerations, and overall suitability for Kumbh Mela 2027. Accordingly, Expressions of Interest (EoIs) are invited.

This EoI invites basic information from interested landowners and eligible entities willing to develop, operate, and maintain parking facilities on their land at their own cost. The proposed sites shall be approved by NTKMA based on location, access, land availability, traffic management requirements, safety, and overall suitability for Kumbh Mela 2027. The EOI is not an offer and is issued with no commitment. NTKMA reserves the right to withdraw EOI and or vary any part thereof at any stage. NTKMA further reserves the right to disqualify any applicant, should it be so necessary at any stage.

Applicants shall submit only one application, and only once. Applications may be submitted online in either English or Marathi. Multiple applications or applications submitted through more than one mode shall not be accepted.

Last Date for Submission: 16th November 2026 (Till Close of office working hours)
