NOTICE

Advisory Against Fraudulent Registrations on AACCC Portal

It has come to the attention of the Ayush Admissions Central Counseling Committee (AACCC) that certain individuals are attempting to register on the AACCC UG and PG Counseling portals using **fabricated NEET scorecards**. This includes:

- Candidates who have **not qualified NEET** attempting to register using **fake documents**.
- NEET-qualified candidates who are **otherwise ineligible** trying to manipulate their scorecard to gain unauthorized access to the Counseling process.

Such actions constitute a **serious violation of the law** and undermine the integrity of the admission process. AACCC strictly prohibits any form of malpractice, including document forgery, misrepresentation of eligibility, or tampering with official records.

If any candidate is found to be involved in such fraudulent activities, strict legal action will be initiated against them under applicable laws. This may include cancellation of candidature, blacklisting from future Counseling rounds, and prosecution under relevant penal provisions.

All candidates are hereby advised to adhere to the official eligibility criteria and submit only **authentic documents** during registration. The AACCC reserves the right to verify credentials at any stage of the Counseling process.

For accurate information and updates, candidates must refer to the official AACCC portals for UG Counseling and PG Counseling.
