Ref. 1/2/2026-AACCC

Dated: 16.10.2026

NOTICE

URGENT ATTENTION: PwBD CANDIDATES

This is for the information of all qualified candidates participating in **PG Counseling 2026** who wish to apply under the **PwBD (Persons with Benchmark Disabilities)** category.

The **Ayush Admissions Central Counseling Committee (AACCC)** has adopted the “**Guidelines which were prevailing from previous year and has decided not to change the guidelines as done by National Medical Commission on Assessment of Persons with Benchmark Disabilities (PwBD) for Admission to Postgraduate Courses, 2026**” for the assessment of PwBD candidates seeking admission to **PG ASU&H courses for the Academic Year 2026–27**.

The relevant **NCISM regulations**, along with the subjects under PG ASU&H courses, are also enclosed for reference.

In view of the applicable PwBD Guidelines and regulations, all PwBD candidates participating in **PG Counseling 2026** are advised to carefully note the following instructions regarding obtaining an **Eligibility Certificate/PwBD Certificate** from the designated Medical Assessment Boards:

1. Documents required for obtaining the Eligibility Certificate

Candidates who wish to claim a seat under the **PwBD category** are required to visit any one of the **designated Medical Assessment Boards listed below** and submit the following documents:

- i. **AIAPGET 2026 Score Card**, demonstrating eligibility for admission to the PG ASU&H courses.
- ii. Permanent UDID Card issued by the Department of Empowerment of Persons with Disabilities (DEPwD), Ministry of Social Justice and Empowerment, Government of India.

2. Mode and basis of issuance of the Certificate

The **PwBD Certificate** (as per Appendix- I attached below) will be generated in **OFFLINE MODE** by the designated Medical Assessment Board. The assessment will be carried out based on the disability details mentioned in the candidate's **UDID Card** and the affidavit submitted by the candidate, subject to fulfillment of the applicable eligibility criteria.

3. Eligibility for PwBD seat choices

Only candidates who have obtained an **PwBD Certificate from a designated Medical Assessment Board/center of MCC** will be permitted to view and exercise choices for **PwBD seats** during the counseling process.

4. Submission of genuine documents

Candidates are advised to ensure that all documents submitted are genuine and valid.

If the **UDID Card or affidavit** submitted by a candidate is found to be **fake or fraudulent**, the candidate's allotted seat shall be **cancelled**, and appropriate legal action may also be initiated against the candidate, as applicable.

5. Validity of PwBD Certificate

The **PwBD Certificate shall be valid only for the current academic session (2026–27)**.

6. PwBD seats under 85% State Quota

Candidates intending to avail themselves of **PwBD seats under the 85% State Quota** may approach the respective **State Medical Assessment Boards** for obtaining the required certificate.

However, the assessment shall be conducted by the concerned State Medical Assessment Board in accordance with the applicable **NCISM Guidelines/Regulations, 2022**, as applicable.

Candidates are advised to carefully read the NCISM regulations, annexures, and before approaching the Medical Assessment Board.

NOTE

Appendix "A"

(See regulation 18)

SCHEDULE relating to "SPECIFIED DISABILITY" referred to in clause (zc) of section 2 of the Rights of Persons with Disabilities Act, 2016(49 of 2016), provides as under:-

1. Physical disability.—

(A) Loco motor disability a person's inability to execute distinctive activities Associated with movement of self and objects resulting from affliction of musculoskeletal or nervous system or both), including—

(a) "leprosy cured person" means a person who has been cured of leprosy but is suffering from —

- (i) loss of sensation in hands or feet as well as loss of sensation and paresis in the eye and eye-lid but with no manifest deformity;
- (ii) manifest deformity and paresis but having sufficient mobility in their hands and feet to enable them to engage in normal economic activity;
- (iii) extreme physical deformity as well as advanced age which prevents him/her from undertaking any gainful occupation, and the expression "leprosy cured" shall construed accordingly;

(b) "cerebral palsy" means a Group of non-progressive neurological condition affecting body movements and muscle Co-ordination, caused by damage to one or more specific areas of the brain, usually occurring before, during or shortly after birth;

(c) "dwarfism" means a medical or genetic condition resulting in an adult height of 4feet 10 inches (147 centimeters) or less;

(d) "muscular dystrophy" means a group of hereditary genetic muscle disease that weakens the muscles that move the human body and persons with multiple dystrophy have incorrect and missing information in their genes, which prevents them from making the proteins they need for healthy muscles. It is characterized by progressive skeletal muscle weakness, defects in muscle proteins, and the death of muscle cells and tissue; (e) "acid attack victims" means a person disfigured due to violent assaults by throwing of acid or similar corrosive substance.

(B) Visual impairment—2

(a) "blindness" means a condition where a person has any of the following conditions, after best correction—

- (i) total absence of sight; or
- (ii) visual acuity less than 3/60 or less than 10/200 (Snellen) in the better eye with best possible correction;
- (iii) limitation of the field of vision subtending an angle of less than 10 degree.

(b) "low-vision" means a condition where a person has any of the following conditions, namely:—

- (i) visual acuity not exceeding 6/18 or less than 20/60 upto 3/60 or upto 10/200(Snellen) in the better eye with best possible corrections;
- (ii) limitation of the field of vision subtending an angle of less than 40 degree up to 10 degree.

(C) Hearing impairment -

(a) "deaf" means persons having 70 DB hearing loss in speech frequencies in both ears;

(b) "hard of hearing" means person having 60 DB to 70 DB hearing loss in speech frequencies in both ears;

(D) "speech and language disability" means a permanent disability arising out of conditions such as laryngectomy or aphasia affecting one or more components of speech and language due to organic or neurological causes.

2. Intellectual disability, a condition characterized by significant limitation both in intellectual functioning (reasoning, learning, problem solving) and in adaptive behavior which covers a range of every day, social and practical skills, including—

(a) "specific learning disabilities" means a heterogeneous group of conditions wherein there is a deficit in processing language, spoken or written, that may manifest itself as a difficulty to comprehend, speak, read, write, spell, or to do mathematic calculations and includes such conditions as perceptual disabilities, dyslexia, dysgraphia, dyscalculia, dyspraxia and developmental aphasia;

(b) "autism spectrum disorder" means a neuro-developmental condition typically appearing in the first three yearsof life that significantly affects a person's ability to communicate, understand relationships and relate to others, and is frequently Associated with unusual or stereotypical rituals or behaviours.

3. Mental behaviour,— "mental illness" means a substantial disorder of thinking, mood, perception, orientation or memory that grossly impairs judgment, behaviour, capacity to recognize reality or ability to meet the ordinary demands of life, but does not include retardation which is a condition of arrested or incomplete development of mind of a person, specially characterized by sub normality of intelligence.
4. Disability caused due to—
 - (a) chronic neurological conditions, such as—
 - (i) "multiple sclerosis" means an inflammatory, nervous system disease in which the myelin sheaths around the axons of nerve cells of the brain and spinal cord are damaged, leading to demyelination and affecting the ability of nerve cells in the brain and spinal cord to communicate with each other;
 - (ii) "parkinson's disease" means a progressive disease of the nervous system marked by tremor, muscular rigidity, and slow, imprecise movement, chiefly affecting middle-aged and elderly people Associated with degeneration of the basal ganglia of the brain and a deficiency of the neurotransmitter dopamine.
 - (b) Blood disorder—
 - (i) "haemophilia" means an inheritable disease, usually affecting only male but transmitted by women to their male children, characterized by loss or impairment of the normal clotting ability of blood so that a minor would may result in fatal bleeding;
 - (ii) "thalassemia" means a group of inherited disorders characterized by reduced or absent amounts of haemoglobin.
 - (iii) "sickle cell disease" means a hemolytic disorder characterized by chronic anemia, painful events, and various complications due to Associated tissue and organ damage; "hemolytic" refers to the destruction of the cell membrane of red blood cells resulting in the release of hemoglobin.
5. Multiple Disabilities (more than one of the above specified disabilities) including deaf blindness which means a condition in which a person may have combination of hearing and visual impairments causing severe communication, developmental, and educational problems.
6. Any other category as may be notified by the Central Government from time to time.

Appendix "B"

(See regulation 18)

Guidelines regarding admission of students, with "Specified Disabilities" under the Rights of Persons with Disabilities Act, 2016 (49 of 2016), in MD ASU&H or MS ASU

1. The "Certificate of Disability" shall be issued in accordance with the Rights of Persons with Disabilities Rules, 2017, published in the Gazette of India, Extraordinary, Part II, Section 3, Sub-section (i), vide number G.S.R. 591 (E), dated the 15th June, 2017.
2. The extent of "specified disability" in a person shall be assessed in accordance with the "guidelines for the purpose of assessing the extent of specified disability in a person included under the Rights of Persons with Disabilities Act, 2016 (49 of 2016)", published in the Gazette of India, Extraordinary, Part II, Section 3, Sub-section (ii), vide number S.O. 76 (E), dated the 4th January, 2018.
3. The minimum degree of disability should be 40% (Benchmark Disability) in order to be eligible for availing reservation for persons with specified disability.
4. The term 'Persons with Disabilities' (PwD) is to be used instead of the term 'Physically Handicapped' (PH).

Table

Sl. No.	Disability category	Type of Disabilities	Specified Disability	Disability Range		
				(5)		
(1)	(2)	(3)	(4)	Eligible for MD ASU&H or MS ASU Course, Not Eligible for PwD Quota	Eligible for MD ASU & H or *MS ASU (as decided by medical assessment board) Course, Eligible for PwD Quota	Not Eligible for MD ASU & H or MS ASU Course

1.	Physical Disability	(A) Locomotor Disability, including Specified Disabilities (a to f).	(a) Leprosy cured person*	Less than 40% disability	40-80% disability Persons with more than 80% disability may also be allowed on case to case basis and their function a incompetency will be determined with the aid of assistive devices, if it is being used, to see if it is brought below 80% and whether they possess sufficient motor ability as	More than 80%
			(b) Cerebral Palsy** (c) Dwarfism (d) Muscular Dystrophy (e) Acid attack Victims (f) Others*** such as			
			Amputation, Poliomyelitis, etc.		required to pursue and complete the course satisfactorily.	
			<p>* Attention should be paid to loss of sensations in fingers and hands, amputation, as well as involvement of eyes and corresponding recommendations be looked at.</p> <p>** Attention should be paid to impairment of vision, hearing, cognitive function etc. and corresponding recommendations be looked at.</p> <p>*** Both hands intact, with intact sensations, sufficient strength and range of motion are essential to be considered eligible for MD Ayurveda or MS Ayurveda course</p>			
		(B) Visual Impairment (*)	(a) Blindness (b) Low vision	Less than 40% disability (i.e. Category '0 (10%)', 'I (20%)' & 'II (30%)')	-	Equal to or More than 40% Disability (i.e. Category III and above)
		(C) Hearing impairment@	(a) Deaf (b) Hard of Hearing			
			<p>(*) Persons with Visual impairment / visual disability of more than 40% may be made eligible to pursue Post-graduate Programme, MD Ayurveda or MS Ayurveda. Education and may be given reservation, subject to the condition that the visual disability is brought to a level of less than the benchmark of 40% with advanced low vision aids such as telescopes / magnifier etc.</p> <p>@ Persons with hearing disability of more than 40% may be made eligible to pursue Post-graduate Programme, MD Ayurveda or MS Ayurveda. Education and may be given reservation, subject to the condition that the hearing disability is brought to a level of less than the benchmark of 40% with the aid of assistive devices.</p> <p>In addition to this, the individual should have a speech discrimination score of more than 60%.</p>			
		(D) Speech & language disability\$	Organic/ neurological causes	Less than 40% Disability	-	Equal to or more than 40% Disability
		<p>\$ It is proposed that for admission to MD Ayurveda or MS Ayurveda programme the Speech Intelligibility Affected (SIA) score shall not exceed 3 (Which will correspond to less than 40%) to be eligible to pursue the MD Ayurveda or MS Ayurveda programme. The individuals beyond this score will not be eligible for admission to the MD Ayurveda or MS Ayurveda programme.</p> <p>Persons with an Aphasia Quotient (AQ) upto 40% may be eligible to pursue MD Ayurveda or MS Ayurveda programme but beyond that they will neither be eligible to pursue the MD Ayurveda or MS Ayurveda programme nor will they have any reservation.</p>				
2.	Intellectual disability		(a) Specific learning disabilities (Perceptual	# currently there is no Quantification scale available to assess the severity of SpLD, therefore the cut-off of 40% is arbitrary and more evidence is needed.		
			disabilities, Dyslexia, Dyscalculia, Dyspraxia & Developmental aphasia)#	Less than 40% Disability	Equal to or more than 40% disability But selection will be based on the learning competency	More than 80% or severe nature or significant cognitive/ intellectual disability

DIRECTORATE GENERAL OF HEALTH SERVICES
OFFICE OF DDG MCC
NATIONAL MEDICAL LIBRARY, NEW DELHI-110029
Email: g.kausalya66@gov.in

Date: 08.09.2026

To,

All Medical Assessment and Appellate Boards,

Subject: Issuance of Eligibility Certificates for Admission in AIQ seats of AYUSH (UG&PG) courses for AY 2026-27. -reg.

Sir/Madam,

This letter is in reference to subject matter mentioned above, the undersigned office has received a letter dated **12.08.2026** from the Secretary, NCISM, Ministry of AYUSH. In the reference of the said letter, all the designated disability centers are hereby directed that online disability certificates for eligible PwD candidates may be also generated for candidates participating in AIQ seats of AYUSH (UG & PG) courses.

The portal (i.e. intra MCC) for generation of online disability certificates for participating candidates of AYUSH remains the same. The online certificate generated for UG should be as per disability norms mentioned in NMC guidelines dated **27.07.2026**. For PG, NMC guidelines will be issued at the earliest. The competencies will be shared by the NCISM.

This issues with approval of Competent Authority.

Yours Faithfully,

Digitally signed by
G Kausalya
