NOTICE

AACCC-UG/PG Counseling 2025

Kind Attention – Candidates Participating in AACCC-UG/PG 2025

It is hereby informed that a few colleges have received permission from MARBISM / NCISM & MARBH / NCH after the commencement of the 3rd Round of AACCC UG & PG Counseling 2025.

As per the extant rules and norms of AACCC UG & PG Counseling 2025, the addition of seats in the 3rd Round is not feasible, as there is no provision for upgradation from the 3rd Round to the Stray Vacancy Rounds (SVR-1 & SVR-2).

In view of the above, the newly permitted UG and PG seats are transferred to the respective State/UT Counseling Authorities for conducting counseling and admissions at the State/UT level.

This provision is applicable only for the Academic Year 2025–26.
