Implemented an instance of e-Gazette web application developed by NIC MoHUA

The application is hosted in NIC Data Centre Jammu.

This is an online system for publication of Govt. Gazette Notifications of the Administration of UT of Ladakh.

226 Gazettes have been published

Integrated with Parichay for 2FA

The screenshot displays the official website of 'The Ladakh Gazette'. The header includes the Government of India emblem, the department name 'General Administration Department, Administration of Union Territory of Ladakh', and the title 'The Ladakh Gazette'. A quote from the Prime Minister is featured: 'India's growth story shall be written on the canvas of "Planned Urban Development"'. The navigation bar contains links for Home, About Us, Search, Directory, Contact Us, Help, Registration, and e-Publish. A search bar is also present.

The main content area is divided into sections: 'Gazettes on Demand' (listing Regulations / Act, Election & Bye-Election, Land Acquisition, and Master Plan), 'Recent Extra Ordinary Gazettes' (a table of recent notifications), and 'Recent Weekly Gazettes'. The 'Recent Extra Ordinary Gazettes' table lists various notifications with details on the department, subject, publish date, gazette ID, and download link.

What is RCMS(Ration Card Management System)?

RCMS is a database containing digitized details of the beneficiaries and their family members.

All RCMS processes are real time work - flow based which requires Aadhaar based digital sign/authentication of the officers at each step.

RCMS module helps to generate Paper based or Smart card based ration card.

<https://rtionline.Ladakh.gov.in>

The RTI portal was officially inaugurated at Raj Niwas, Ladakh, by the esteemed Lieutenant Governor of Ladakh, Brigadier (Dr.) B.D. Mishra (Retd), on August 18, 2023.

The RTI (Right to Information) portal is a digital platform that enables citizens to access government information. It enhances transparency, streamlines information requests, reduces paperwork, and empowers citizens to exercise their right to information more efficiently. This online tool promotes open governance and accountability in a digital age

Online RTI Information System

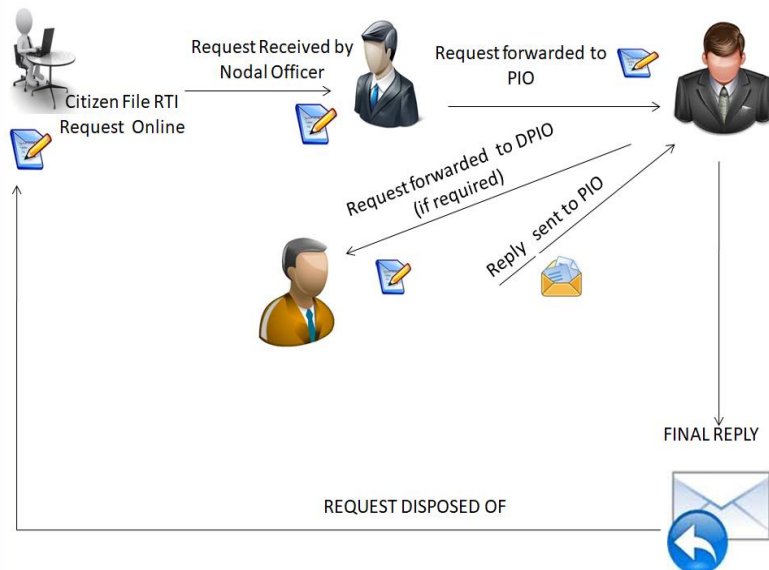

Please do not file RTI application/first appeal through this portal for Departments/Public Authorities under Central Government or other State Governments. If filed, the application would be returned without refund of the fee amount.

This is a portal to file RTI application/first appeal online along with payment gateway. Fee payment can be made through Internet Banking. Through this portal RTI application/first appeal can be filed by Indian Citizen only for the Departments/Public Authorities of the UT Ladakh

Please read instructions carefully while submitting the RTI application/first appeal.

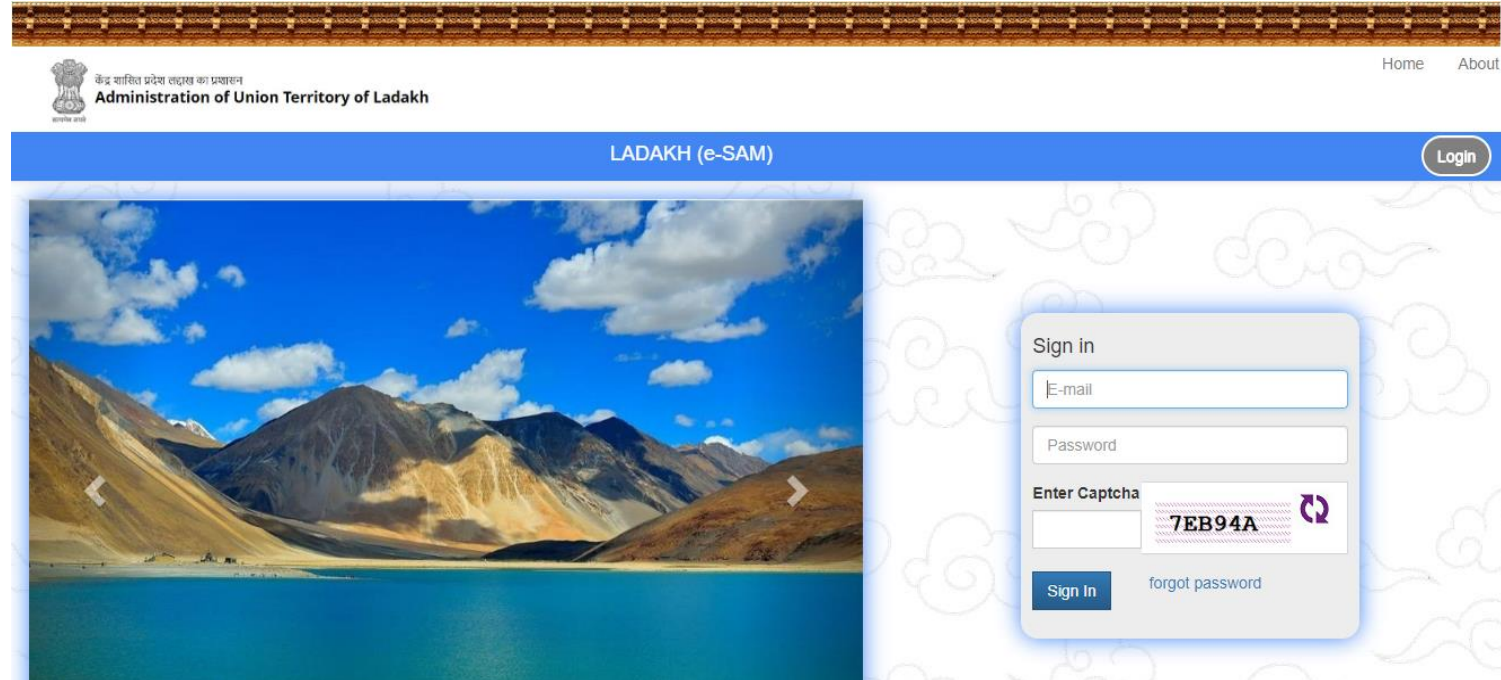

LIFE CYCLE OF RTI REQUEST

<https://eassets.ladakh.gov.in>

On August 18, 2023, the Hon'ble Lieutenant Governor Ladakh officially inaugurated the e-SAM application in the Union Territory of Ladakh. This application is now active and available for departmental use, enabling the planning and management of organizational assets, including acquisition, operation, maintenance, renewal, and disposal.

eSAM Super Admin Super Admin

Dashboard

69 Total Items
7 Active Items
288000 Expenditure

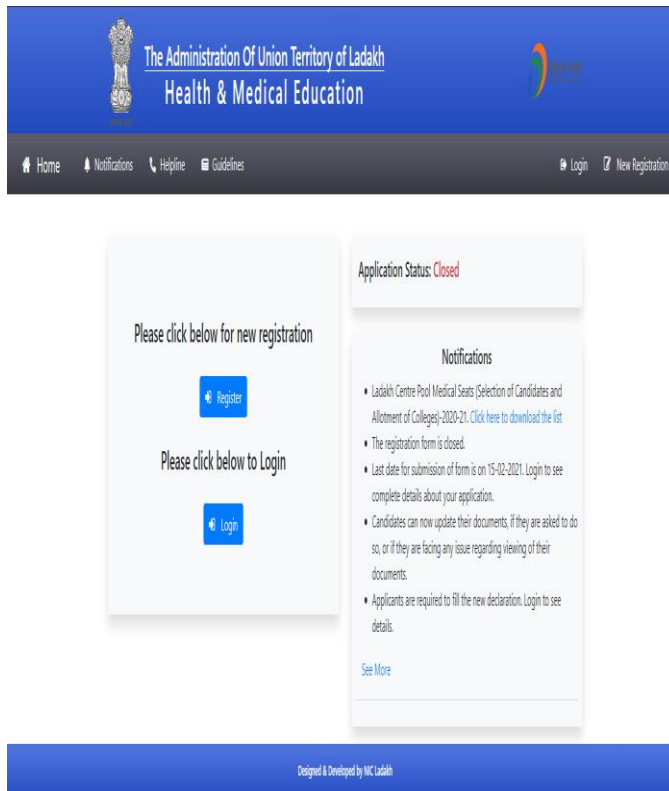

AMC Warranty List in Store

Sl.No.	AMC	NO-AMC	Warranty	Total
1	0	0	1	1

The application offers significant advantages to the UT Administration and various departments by enabling efficient tracking, organization, and optimization of assets. It enhances accessibility to asset information, streamlining maintenance and reducing downtime. Real-time updates/alerts facilitate accurate decision-making, improving resource allocation. Integrating vendor AMC maintenance adds expert support, reducing downtime and enhancing asset performance.

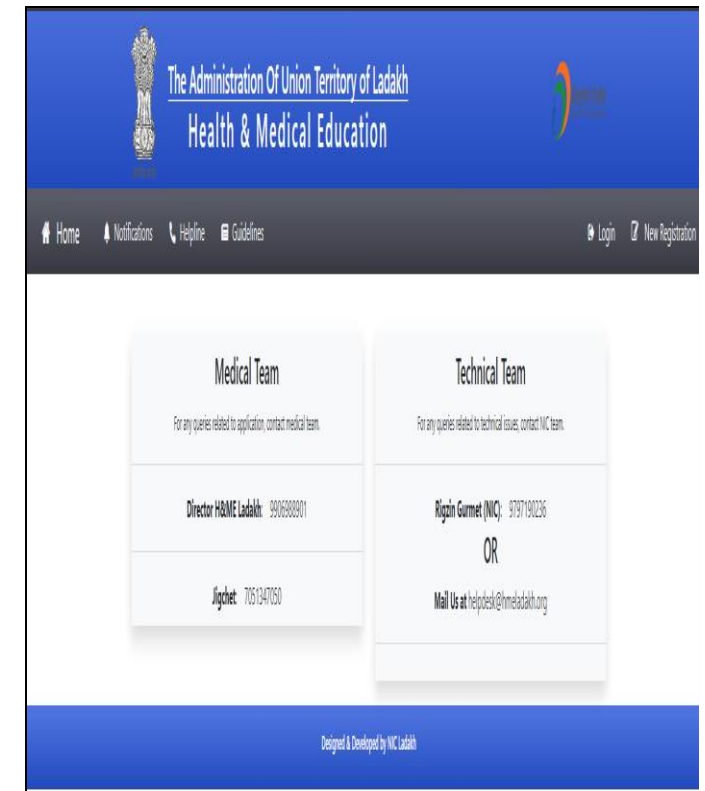

The Administration Of Union Territory of Ladakh Health & Medical Education

Designed, developed and launched a web application for the Health & Medical Education Department Ladakh

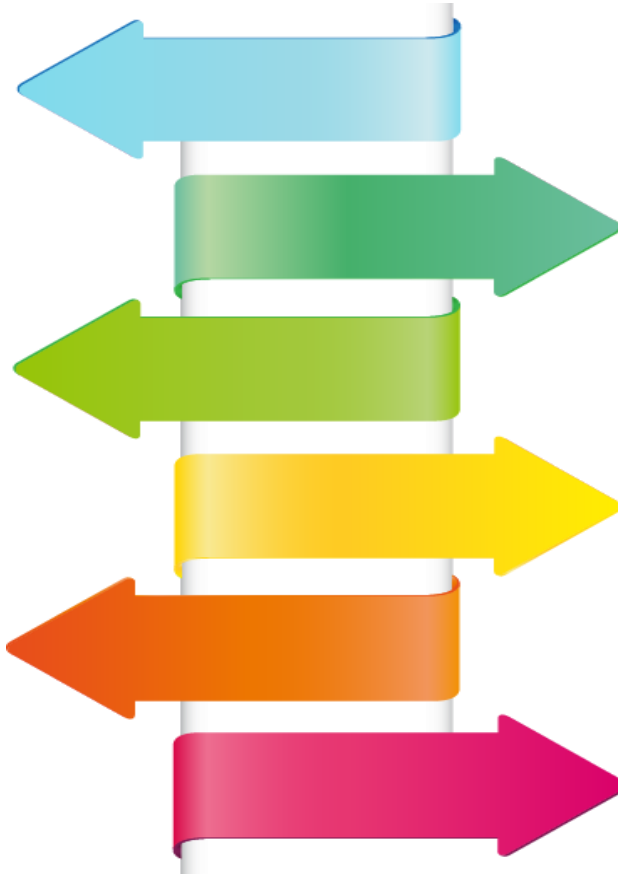

<https://hmeladakh.org/> for registration of candidates for applying for Selection and Allocation of Colleges for Central Pool MBBS & BDS Seats of Ladakh Quota.

eSilsa –Mobile Application for Offline Books and Videos for Tablets has been designed, developed and deployed by DIO NIC Kargil

The app is designed in such a way that it appends contents from SD card of the Tablet.

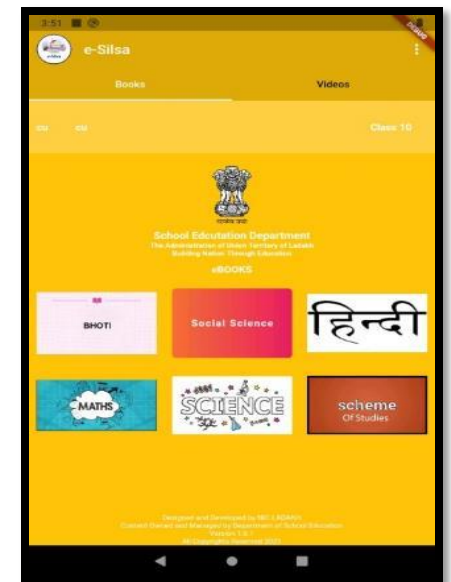

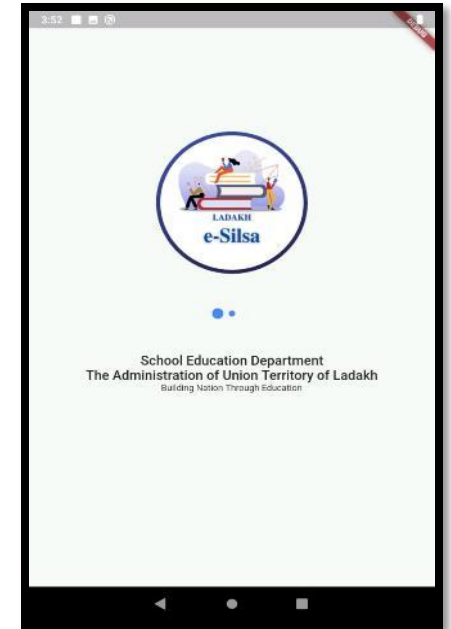

This solution was proposed to Education Department keeping in view of unavailability of Internet in most of the villages in Ladakh.

The app has been installed in 5000 Tablets for students of 6th to 12th Classes

All the textbooks and video lectures are stored in the SD card.

Students can now access e-Text books without the need of Internet.

- Mobile application Development of Kargil Tour Guide has been designed and developed by NIC Kargil under District Governance Mobile Challenge.
- This app is a source of Tourist information.
- All the tourist places, festivals, tourist information are available on this app.
- Lack of content from Department.

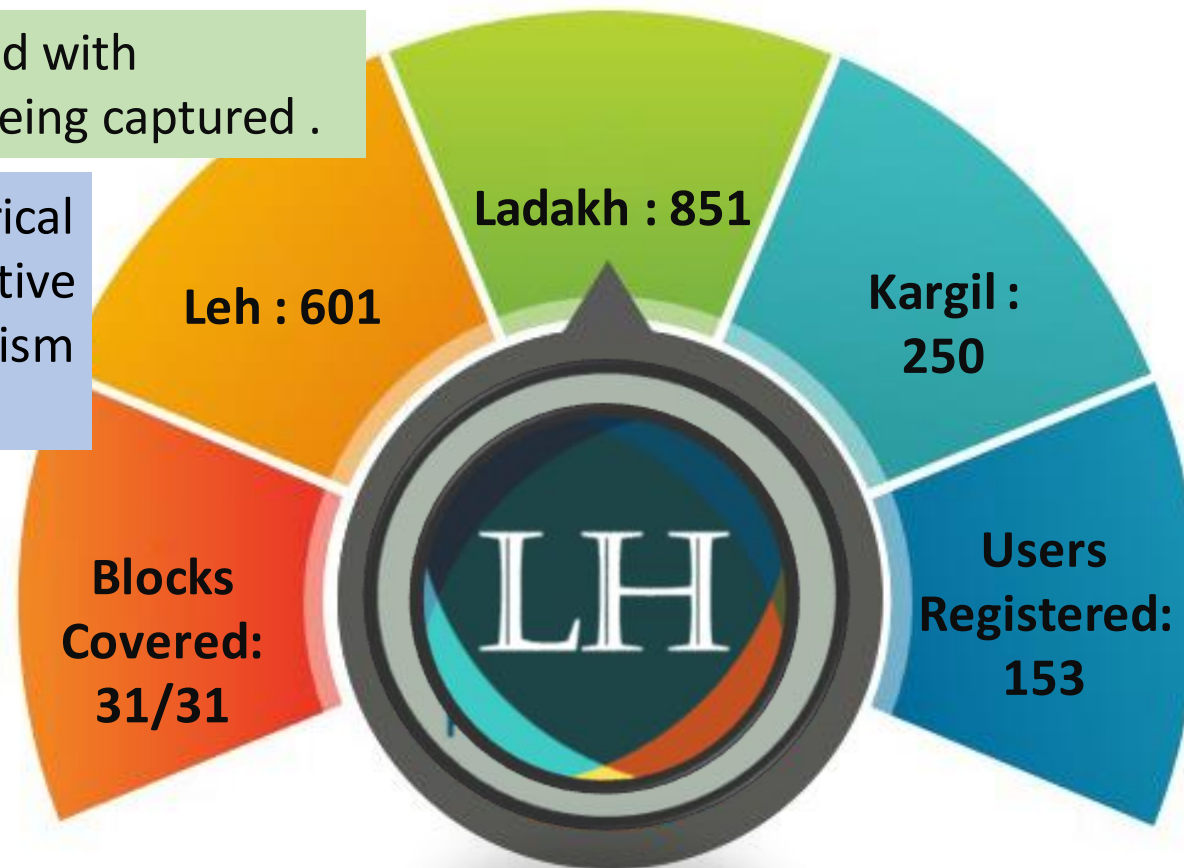

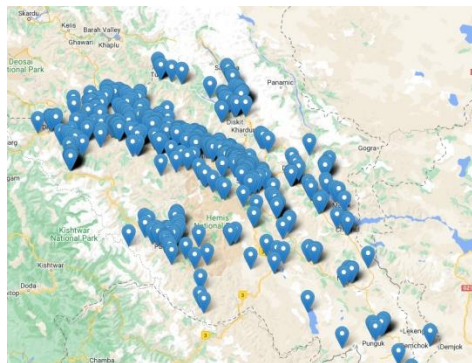

The Ladakh Heritage App is designed and developed by NIC (NIC Kargil).

The listing is being done by the filed staff of Rural Dev. Department.

Listing of Heritage site with GEO tagging.

A brief historical background with photographs of the site is being captured .

Listing of Heritage/Historical sites of Ladakh is an initiative of the Department of Tourism & Culture Ladakh.
