This is a time bound process looking into the academic Calander of BPUT, so those institutes/colleges who fail to remove/clear the discrepancies (cancelled/query raised/not verified) regarding document verification will be treated as cancellation of the candidature from the Institute level admission and the name will not be recommended to university form generation of registration number. Similarly, if institutes/colleges will not verify original CLC/TC, then such PI admitted candidate admissions will not be authenticated by OJEE and shall not be recommended to BPUT for registration. **All the institute must report as per the schedule given above.**

If any institution name leftover in the list above, then they must get verified CLC/TC OF INSTITUTE LEVEL admitted candidates (B. TECH/B. ARCH & PG (MBA, MCA, M. TECH)) on 17-11-24 by 10.00 AM
