Amendment
of section 8 of
Mah. XLIV of
1975.

6. In section 8 of the principal Act,—

(1) in sub-section (2), the following proviso shall be added, namely :—

“ Provided that, where the significant number of trees are proposed to be felled, the alternate design alongwith the number of trees required to be felled for respective design shall be submitted alongwith the application.”;

(2) in sub-section (3),—

(a) in clause (a),—

(i) in sub-clause (iii), the word “and” shall be deleted ;

(ii) after sub-clause (iv), the following sub-clauses shall be added, namely :—

“ (v) specifically mention in the advertisement, if the tree to be felled is a heritage tree ; and

(vi) determine the age of the tree being felled as per the criteria and method as may be notified by the Government.”;

(b) after clause (a-1), the following provisos shall be added, namely :—

“ Provided that, where more than two hundred trees of age five years or more are proposed to be felled, in such cases, the Tree Authority shall refer the matter to the Maharashtra State Tree Authority with its report and recommendations:

Provided further that, where the tree proposed to be felled is a heritage tree, in such cases, the Tree Authority or Tree Officer, as the case may be, shall refer the matter to the Maharashtra State Tree Authority with its report and recommendations:

Provided also that, the Tree Authority or Tree Officer, as the case may be, shall ensure that the development of land or any other project is not sub-divided in smaller parts so as to keep the number of trees to be felled below two hundred.”;

(3) in sub-section (4), the following proviso shall be added, namely :—

“Provided that, the provisions of this sub-section shall not be applicable in case of felling of a heritage tree.”;

(4) in sub-section (5),—

(a) sub-section (5) shall be re-numbered as clause (a);

(b) in clause (a), as so re-numbered, for the words “the applicant shall plant twice the number of trees to be felled” the words “applicant shall plant such number of trees equal to the estimated age of the tree being felled and such trees to be planted shall be of atleast six feet height,” shall be substituted;

(c) after clause (a), as so re-numbered, the following clause shall be added, namely :—

“(b) Tree Officer shall determine the age of the tree being felled as per the criteria and method as may be notified by the Government.”;

(5) after sub-section (5), the following sub-sections shall be inserted, namely :—

“(5A) The applicant and the Tree Authority or Tree Officer shall ensure that, compensatory plantation shall be carried out and the trees planted shall survive for a minimum period of seven years. It shall also be ensured that, the tree mortality during this period shall be compensated by planting equal number of new trees:

Provided that, in case it is not possible for applicant to do the compensatory plantation, the applicant shall deposit an amount not less than valuation of trees being felled. Such valuation shall be based on methodology as may be notified by the Government:

Provided further that, such amount deposited shall be utilized only for the purpose of compensatory plantation, its preservation and compensatory plantation in lieu of the tree mortality during this period.

(5B) (a) The Tree Authority shall refer the application received for felling of more than two hundred trees of age five years or more to the Maharashtra State Tree Authority.

(b) The Tree Authority or Tree Officer, as the case may be, shall refer the application to fell a heritage tree to the Maharashtra State Tree Authority.

(c) The Maharashtra State Tree Authority shall either allow the application referred to it under clauses (a) and (b), by the Tree Authority or Tree Officer, as the case may be, with or without conditions or may refuse it within a period of forty-five days from the date of receipt of the reference from the Tree Authority or Tree Officer, as the case may be.

(d) Where the Maharashtra State Tree Authority allows felling of trees, the Tree Authority if considers it necessary to review the decision of the Maharashtra State Tree Authority, it may within a period of fifteen days from the date of communication of the decision, request the Maharashtra State Tree Authority to reconsider the decision with reasons therefor. Such request shall be decided by the Maharashtra State Tree Authority within ten days thereafter.

(5C) New trees planted, *in lieu of* the permission to fell a tree granted under sub-section (5), shall be geo-tagged and monitored using latest technologies available.”.

7. In section 18 of the principal Act, after sub-section (2), the following sub-section shall be added, namely :—

Amendment
of section 18
of Mah.XLIV
of 1975.

“(3) Tree cess collected under the provisions of this section shall be utilised by the urban local authority in such manner as may be directed by the Government, from time to time.

(4) The State Government may, issue directions and determine different criteria for utilisation of cess, for different urban local authorities, considering the area of existing green cover and assessment of the need of the area for preservation and conservation of trees.”.

Amendment
of section 21
of Mah.XLIV
of 1975.

8. In section 21 of the principal Act, in sub-section (1), for the words “not less than one thousand rupees which may extend upto five thousand rupees” the words “an amount of valuation of tree, using methodology as may be notified by the Government but not more than one lakh rupees” shall be substituted.
