STATEMENT

The Maharashtra Prevention of Fragmentation and Consolidation of Holdings Act (LXII of 1947) has been enacted to prevent the fragmentation of agricultural holdings and to provide for the consolidation of agricultural holdings in the State for the purpose of better cultivation thereof. The Government under the said Act has notified the minimum area that can be cultivated profitably as a separate plot for each class of land in such local areas known as the standard area. The said Act also provides for restrictions on transfer, partition or lease of fragments *viz.* plot of land of less than standard area.

2. Over the period of time, agricultural lands adjacent to the cities and other developed municipal areas came under residential, commercial or industrial zone specified in any draft or final Regional Plan where non-agricultural use of such lands became permissible. Various transfers or partitions of land contrary to the said Act, have taken place in these areas which has resulted in fragments. However due to restrictions under the said Act, such land transactions could not be recorded in land records. Therefore, the occupants of such fragments could not start intended non-agricultural use of such fragments and get requisite permissions therefor from the authorities, for want of clear title.

3. In order to resolve the said issue, section 8B was incorporated in the said Act in the year 2016 to provide that, the provisions of sections 7, 8 and 8AA are not applicable to land situated within the limits of a Municipal Corporation or a Municipal Council, or a Special Planning Authority or a New Town Development Authority, and also to any land allocated to residential, commercial, industrial or any other non-agricultural use in the draft or final Regional plan prepared under the Maharashtra Regional and Town Planning Act, 1966 (Mah. XXXVII of 1966) or any other law for the time being in force. Proviso to section 8B provides that, no person shall transfer such parcel of land unless it is created as a result of sub-division or layout approved by the Planning Authority or the Collector, as the case may be, under the provisions of the Maharashtra Regional and Town Planning Act, 1966 or any other law for the time being in force. However, due to the conditions of approved layout or sub-division, may such fragments could not be covered under the said section 8B.

4. In view of this, the Government has amended section 9 of the said Act to regularise such transactions till the date of commencement of the Maharashtra Act No. LVIII of 2017, on payment of regularisation premium of upto 25 per cent. of the current market value of such land. The Government further reduced this regularisation premium to 5 per cent. of the current market value of such land, by amending the said Act by Maharashtra Act No. V of 2025. However, it is noticed that even after reduction in premium, large number of occupants of such fragments are not coming forward for the regularization.

Therefore, in order to update the record of rights, the Government considers it expedient to suitably amend the said Act to provide for deemed regularisation of such fragments without charging any premium therefor.

5. As both Houses of the State Legislature are not in session and the Governor of Maharashtra is satisfied that circumstances exist which render it necessary for him to take immediate action further to amend the Maharashtra Prevention of Fragmentation and Consolidation of Holdings Act, for the purposes aforesaid, this Ordinance is promulgated.

Mumbai,
Dated the 2nd November 2025.

ACHARYA DEVVRAT,
Governor of Maharashtra.

By order and in the name of the
Governor of Maharashtra,

VIKAS KHARAGE,
Additional Chief Secretary
to Government.
