OFFICE MEMORANDUM

Subject: Continuation of issuance of Concessional Custom Duty Certificate for setting up projects for generation of power using non-conventional materials – Reg.

The undersigned is directed to refer to Notification No. 81/2005-Customs dated 8th September, 2005 [as amended from time to time] relating to issuance of Concessional Custom Duty Certificate (CCDC) for the goods that are required for initial setting up of a project for the generation of power using non-conventional materials, namely, agricultural, forestry, agro- industrial, industrial, municipal and urban waste, bio waste or poultry litter. The Custom Duty concession certificate will be issued as per following procedure:

1. The manufacture/developer desirous of availing the concession shall submit their application **(1 hard copy and 1 scanned copy in searchable pdf format)** with their full details including list of items certified by the project developer and chartered engineer as per the format given in **Annexure-I**. The application(s) complete in all respects shall be routed through the concerned State Department/ Nodal Agency and submitted to Director (Waste to Energy Division), MNRE.
2. The Ministry will issue the certificate(s) recommending the grant of Customs Duty Concessions after scrutiny, examination and acceptance of the aforesaid Application(s).
3. The aforesaid Certificates shall be issued by an authorized officer of this Ministry not below the rank of Deputy Secretary to the Government of India.
4. This issues in consultation with TRU Division, Department of Revenue.

(S.K. Khurana)

Under Secretary to Government of India

Eligibility checklist to be filled by developer and countersigned by state nodal agency for issuance of certificate for grant of custom duty concession against the request for the supply of machinery and components for initial setting up projects for generation of power using non-conventional materials under custom notification no. 81/2005 dated 08.09.2005.

	Name of the project with capacity :	
1	Application Form (<i>Annexure-I</i>)	
2	Details of particular equipment (<i>Annexure-II</i>)	
3	Pre-shipment inspection certificate (<i>Annexure-III</i>) , if applicable	
4	Detailed project report	
5	Valid Consent to Establish from State Pollution Control Board.	
6	PPA valid for at least 10years	
7	Land Lease Agreement/Land document	
8	Sanction Letter / Loan Agreement Copy / Appraisal Note by Bank, if applicable.	
9	Purchase order/Contract Agreement for all items/package for which Customs Duty concession is claimed.	
10	Performa invoices for all items/package for which Customs Duty concession is claimed.	
11	Packaging list / bill of landing/Airway bill, if applicable	

- i. Has the SNA satisfied about the requirement of items/components/machinery etc. for the initial setting of the said Urban/Industrial Waste Power project before recommending and forwarding the application to Director (WTE), MNRE? Yes/No
- ii. Whether the reference no. and date of purchase order have been mentioned by the manufacturer(s) in their Proforma invoices and the same tallies with enclosed purchase order? Yes/No
- iii. Whether the items description, its basic value & quantity given in the **Annexure-II** of the application format tallies with the description given in the Proforma invoice and purchase order? Yes/No
- iv. Whether the SNA has verified that there's no duplication in the item(s) being supplied? The earlier table for which Custom duty concession claimed giving MNRE certificate number and date need to be enclosed by SNA and submitted along with second claim. Yes/No
- v. Whether complete documents flagged properly along with indexing is submitted in **1 set of hard copy and scanned copy in pdf searchable format**. Yes/No
