PUBLIC NOTICE

Subject: Call for proposal for carrying out Offshore Wind Studies/Surveys within Exclusive Economic Zone (EEZ) of the country – regarding.

The undersigned is directed to refer to the Model-C of 'Strategy for Establishment of Offshore Wind Energy Projects' Revision 01 dated 17th Aug, 2023. Under this model, prospective developers may identify any site excluding the sites considered under Model-A and Model-B of the 'Strategy for Establishment of Offshore Wind Energy Projects, Rev-1 and carry out study/survey required for offshore project development. The developer may participate in any offshore wind bids for project development or allocation of the seabed which may be floated in any one of the following methods;

- Bidding on lease/allocation fee or revenue sharing in case of projects for captive consumption/third party sale/sale through exchange under open access mechanism.
- Tariff based competitive bidding in case of power procurement by DISCOMs or Central Govt. or State Govts.
- Any other transparent bidding mechanism identified by the Government.

2. In this regard, proposals from interested developers are solicited to carry out offshore wind study/survey within Exclusive Economic Zone (EEZ) of the country under model-C. The interested developers may submit the application to National Institute of Wind Energy (NIWE) to seek the consent for study/survey as per "Guidelines for Offshore wind Power Assessment, Studies and surveys.

3. This issues with approval of the Competent Authority.
