Date: July 5 2024
Time: 10:00 AM – 05:30 PM

Venue: Prabhakar Hall , Surya Bhawan, NISE Campus, Gurugram

National Institute of Solar Energy (NISE), is an autonomous institution of the Ministry of New and Renewable Energy (MNRE), Government of India. NISE is a dynamic institute dedicated to pioneering advancements in solar energy. The mandate of NISE is to drive the nation towards self-reliance in renewable power generation while navigating the challenges inherent in the implementation of the Green Energy Transition in the country. State Nodal Agencies (SNAs) are implementing policies and programmes for the promotion, development and implementation of renewable energy devices and technologies in state level Rural, Urban, Industrial & Commercial sectors. MNRE took an initiative in this regard in consultation with SNAs, and Association of Renewable Energy Agencies of States (AREAS) has been formed and registered as a society on 27 August 2014 under Society Registration Act 1860. This seminar will strengthen the partnership between NISE and SNAs for effective implementation of MNRE Schemes and Programmes in the County.
