**Office Memorandum**

**Subject: Clarification with respect to Revised Guidelines for installation of prototype wind turbine models- reg.**

The undersigned is directed to refer "Revised guidelines for installation of prototype wind turbine models" issued by this Ministry on 12.06.2025.

2. With regard to clause 1(ii) (e) of the guidelines, it is clarified that the revised recommendation letter from NIWE for grid synchronization for the prototype wind turbine models (which has already been recommended by NIWE as per earlier guidelines) may be issued. This issuance will be subjected to the condition that earlier recommendation letter from NIWE was issued after the date of issuance of IECRE type-certification scheme, Edition 3.0 (i.e. 25.10.2022), which includes variants or alternative configurations of the same wind turbine type.

3. This issues with the approval of competent authority
