OFFICE MEMORANDUM

Subject: Final Extension for submission of proposals under R&D Scheme for Green Hydrogen - reg.

Under the National Green Hydrogen Mission (NGHM), a second Call for Proposals for R&D Projects was issued on 14th July 2025, requesting eligible institutions to submit R&D proposals by 21st August 2025.

2. The Ministry has received representations from stakeholders requesting an extension of the deadline for submission of R&D proposals. In view of the requests received and to allow sufficient time to the institutions/industries to submit quality proposals, it has been decided to extend the deadline to 15th September 2025. No further extension would be given. All other terms and conditions mentioned in the Call for Proposals dated 14th July 2025 remain unchanged.

3. This issues with the approval of the Competent Authority.
