OFFICE MEMORANDUM

Subject: Compliance with Ministry of Defence (MoD) guidelines and submission of applications, maps and supporting documents – reg.

It has been observed that applications submitted by developers in respect of projects requiring applicable NOC as per Ministry of Defence (MoD) guidelines, are not always accompanied by the requisite maps, data and supporting documents in the prescribed manner. In order to ensure uniformity in processing of applications, facilitate timely examination of proposals, avoid delays arising on account of incomplete submissions and compliance by the developer after issuance of NOC, the following instructions are hereby issued for strict compliance by all concerned developers/applicants:

(i) Application, Excel Sheet and Maps:

(a) Wind power Developer/applicant shall submit one soft copy of the complete application along with the prescribed Excel sheet at the time of submission of the application. In addition to the soft copy, the applicant shall submit three sets of hard copies of the requisite maps for each Defence aerodrome in the vicinity of the proposed project.

(b) For illustration, where two Defence aerodromes, for example, one operated by the Army and one operated by the Air Force, fall within the relevant vicinity of the proposed project, the applicant shall submit:

$2 \text{ Defence aerodromes} \times 3 \text{ sets of maps} = 6 \text{ sets of hard-copy maps.}$

(c) To facilitate expeditious submission and processing of applications, the applicant shall submit the requisite hard copies of maps/ documents to MNRE along with Excel sheets and other supporting documents within one week from the date of submission of the application. Documents not received within above time period shall be liable to be rejected/returned without further processing.

(ii) Compliance with the MOD NOC:

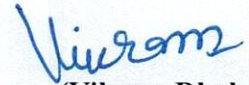

(a) The developer/applicant shall ensure that the proposed project strictly conforms to the applicable Ministry of Defence (MoD) guidelines and NOC requirements, including all conditions, restrictions and stipulations prescribed therein. A copy of the NOC/approval issued in respect of the project under the applicable MoD procedure shall be submitted to the concerned State Nodal Agency (SNA) and State Transmission Utility (STU).

(b) The developer shall ensure that the project, including its location, layout, height, infrastructure and associated facilities, remains in conformity with the conditions and restrictions contained in the applicable MoD NOC/guidelines.
