Revenue Department

Notification

RD/LRC/245/69-71/I

In exercise of the powers conferred by sub-section (2) of Section 199 of the Land Revenue Code, 1968 (9 of 1969) and all other powers enabling him in that behalf the Lieutenant Governor of Goa, Daman and Diu is hereby pleased to make the following rules.

RULES

- 1. Short Title and commencement.**— (1) These rules may be called the Goa, Daman and Diu Land Revenue (Boundaries and Boundary Marks) Rules, 1969.
(2) They shall come into force at once.
- 2. Definitions.**— In these rules —
 - (a) "Chavdi" means, a local village panchayat office or other convenient and centrally located public place as the Collector may direct;
 - (b) "Code" means the Goa, Daman and Diu Land Revenue Code, 1968;
 - (c) "Director" means a Director of Settlement and Land Records;
 - (d) "Form" means a form appended to these rules;
 - (e) "Inspector" means the Inspector of Surveys and land Records;
 - (f) "Section" means a section of the Code.
- 3. Authorized boundary marks and survey marks.**— The following boundary marks and survey marks are authorized :—

(A) Boundary Marks :—

Continuous marks

- (1) Walls,
- (2) Permanent fences,
- (3) Bunds dressed with stones with at least 0.50 metre height;

Discontinuous Marks:—

- (4) Regular stones or cement pillars of 90 centimeters height, 22 centimeters length and 22 centimeters breadth for survey number boundary and of 50 centimeters height, 15 centimeters length and 15 centimeters breadth for sub-division boundary.
- (5) Clear and distinct marking on permanent marks, if any, existing along the boundary line inscribing therein the letters "RA".
- (6) Any other marks that may be prescribed by the Director to meet the requirement of any area specified by him in this behalf:

Provided that, the Collector may permit the holders of land to substitute for one kind of mark any other authorized mark within such limits as the Director may, by any general or special order, define in that behalf.

(B) Survey Marks :—

- (1) For purpose of minor triangulation survey cement blocks of the size 50 centimeters height, 25 centimeters by 25 centimeters bottom and 12 centimeters by 12 centimeters top with a triangle and a point inscribed at the center of the top of the cement block, or any other, survey mark that may be prescribed by the Director to meet the requirements of any area specified by him in this behalf.
- (2) For the auxiliary triangulation survey,—
 - (a) Galvanized iron hollow pipe of the size 38 centimeters height and 5 centimeters diameter buried in the center of a cement

concrete square foundation of the size 30 centimeters length, 30 centimeters breadth and 10 centimeters height; or

- (b) a hole 30 centimeters deep and 10 centimeters diameter made on a permanent mark; or
- (c) any other survey mark that may be prescribed by the Director to meet the requirements of any area specified by him in this behalf.

4. maintenance of continuous boundary marks.— The walls, permanent fences and bunds dressed with stones shall be maintained and kept in good repair.

5. Maintenance of discontinuous marks.— (1) Where the length of the boundary between the corners of a survey number is 250 meters or less no discontinuous mark should be raised in the interval, but in case there are bends, a stone should be fixed at each bend.

(2) Where the line of boundary between the corners of a survey number is more than 250 meters but not more than 500 meters in length, one discontinuous mark should be raised midway between the corners, and stones should be fixed at all intermediate bends if any. It is not, however, necessary to place the intermediate mark exactly half way between the corners.

(3) Where the line of boundary between the corners of a survey number is more than 500 meters in length an intermediate marks should be raised at approximately every 200 meters interval.

6. Determination of responsibility for maintenance of boundary marks.— (1) The responsibility of the several land holders for the maintenance of boundary marks on a common boundary lies on the holder of the survey number which is numerically lowest:

Provided that, the Collector may declare to or more holders jointly responsible for the maintenance of boundary marks or make distribution as appears equitable or may recognize the existing customary distribution. His decision shall be recorded the survey papers :

Provided further that, where any survey number is unoccupied or assigned for public or Government purposes, the responsibility for repair of the marks on its periphery shall lie on the landholder on the other side of the boundary except that where the marks in disrepair lie between survey numbers each of which has no holder except the Government, repairs shall be made at Government expense; and in such cases the Talathi shall be responsible for their maintenance.

- (2) Within each survey number, the holder or holders of each subdivision are responsible for the marks, if any have been prescribed, on the periphery of that sub-division to the same extent as the holder or holders of survey numbers are responsible under sub-rule (1).
- (3) A mark which is on the common boundary of two or more villages shall be repaired by the holders of the land in the village which is under restoration when the marks are found out of repair.

7. What boundary marks to be considered out of repair and how to be repaired.— The following boundary marks shall be considered out of repair and shall be repaired in the manner prescribed for each kind, as follows, namely : —

- (1) A continuous mark (walls, permanent fences or bunds dressed with stones) if broken down, disturbed or removed or height of the bund is less than 0.50 meter. *Mode of repairs:* It shall be either rebuilt or replaced or the height of the bund is raised to 0.50 meter throughout, or supplemented by discontinuous marks.
- (2) A discontinuous mark (regular stones or cement pillars and distinct marking on permanent marks or any other marks prescribed by the Director) if broken down, disturbed or removed or overgrown or surrounded by vegetation of any kind so as not to be easily visible.

Mode or repairs: A stone or cement pillar of prescribed by Director shall be substituted at the proper place and the vegetation shall be cleared away until the mark is easily visible:

Provided that, in any case, where a boundary mark cannot, owing to flooding of a nala, or river, the breaking away of the bank, on other causes, be kept in repair, another kind of authorized mark may be

substituted. Where even that is impracticable, the direction of the boundary must, be fixed by a pair of discontinuous marks erected at an adequate distance back from the abandoned position, either both on the same side, or one on each opposite side thereof.

8. What survey marks to be considered out of repair and how to be repaired.— The following survey marks shall be considered to be out of repair and shall be repaired in the manner prescribed for each kind as follows :—

- (1) Any cement block less than such size as may from time to time be prescribed by the Director. *Mode of repairs:* A cement block of proper size shall be substituted.
- (2) Any cement block out of the ground or displaced from its correct position or buried less than two-thirds of its length and loose. *Mode of repairs :* The cement block shall be replaced or fixed firmly at its correct place.

9. Demarcation of boundary marks on application.— (1) If the holder of or any person interested in, a survey number or a sub-division wishes to have it demarcated and boundary marks constructed thereon, he may apply in writing to the Director.

- (2) The application shall be accompanied by fees according to the scale prescribed from time to time in that behalf by the Director.
- (3) On-receipt of the application, the Director shall cause the survey number or sub-division to be measured by the Inspector, and get the boundary marks fixed thereon in accordance with the provisions of these rules, on the basis of measurements noted in the land records.
- (4) The cost of material and labour incurred for fixation of boundary marks shall be paid by the holder of the survey number or sub-divisions.

10. Survey officers to furnish details of boundary marks to Collector .— On the introduction of a survey settlement or survey for the record of rights or of final town planning scheme or improvement scheme or a scheme for the consolidation of holding under the provision of the Code or of any law for the time being in force in the Union Territory of Goa, Daman and Diu the Inspector shall furnish to the Collector a map, scheme and statements

showing the position laid down by or under the orders of the director. It shall be the duty of the Inspector to amend these maps in accordance with the subsequent alternation of boundaries in a revisions survey or on any other authorized occasion.

- 11. Programme for repairs of boundary marks and survey marks.**— (1) A quinquennial programme for the repairs of the boundary marks and survey marks shall be fixed sufficiently in advance by the Collector, who shall send copies of the programme to the Director. In selecting the villages for the programme, the Collector shall select them by Circles so that each Revenue Inspector will have to be 8 to 10 villages or such number as the Collector may determine in his such number as the Collector may determine in his charge for this work, every year.
- (2) In villages where boundary marks are due for repairs in accordance with the programme fixed under sub-rule (1), a general notice shall be given by the Mamlatdar not later than 1st November, stating that the boundary marks and survey marks are due for repairs, intimating what the authorized marks are and asking the holders to take necessary steps to complete the repairs by 30th November next following. The notice shall be pasted in the chavdi and published by heat of drum.
- (3) Between 1st December and 31st December, the Revenue Inspector accompanied by the Talathi and as many holders as possible, shall jointly inspect every boundary or survey mark in each survey number in the village and shall prepare a list of defective or missing marks. The Talathi shall thereafter issue individual notices to the holders concerned in Form A, requiring them to carry out the repairs within a period of one month from the date of notice, failing which the repairs would be carried out by Government at the cost of the holders.
- (4) After 31st December, the Talathi shall proceed to check about the repairs to the marks actually carried out by the holders as required by the notice under sub-rule (3); and shall strike off from the list of defective and missing marks, all the marks which are duly repaired or constructed. Not later than 1st February, the Talathi shall submit to the Revenue Inspector an amended list of marks which are still to be repaired or constructed, and simultaneously give a notice to the holders of survey numbers of sub-divisions included in the amended list asking them to select

a contractor to repair or reconstruct the marks within ten days of the notice. If a contractor is selected, the Talathi shall get the work completed before the 31st March next following.

- (5) If no contractor is selected by the holders, the Talathi shall send a report to the Mamlatdar through the Revenue Inspector before the 31st January for taking requisite order. On receipt of such a report, the Mamlatdar may, after such enquiry as he may consider necessary, order the Talathi to have the marks repaired or constructed either by hired labour or through a contractor to the appointed by the Mamlatdar so as to complete the work before 31st March and recover the cost from the holder concerned.

Notification

RD/LRC/245/69-71/II

In exercise of the powers conferred by sub-section (2) of Section 199 of the Land Revenue Code, 1968 (9 of 1969) and all other powers enabling him in that behalf the Lieutenant Governor of Goa, Daman and Diu is hereby pleased to make the following rules.

RULES

1. Short Title and commencement.— (1) These rules may be called "the Goa, Daman and Diu Realization of Land Revenue Rules, 1969".

(2) They shall come into force at once.

2. Definition.— In these rules, unless the context requires otherwise—

"Chavdi" means, a local village Panchayat Office or other convenient and centrally located public place as the Collector may direct;

"code" means the Goa Daman and Diu Land Revenue Code, 1968";

"revenue year" means the year commencing on the 1st day of August";

"Section", means a section of the code.

3. Land revenue where and to whom to be paid. — (1) All payments of land revenue shall be made to the Talathi of the village in which the land in respect of which such revenue is due is situated:

Provided that, with the sanction of the Collector, such payment may in special cases, be made into a Government treasury within the district to which the payment appertains :

Provided further, that where the Collector declares any village in the taluka to be a center for the payment of land revenue in respect of such villages as the Collector specifies in that behalf, payment of the land revenue due in the villages so specified to the Talathis of those villages shall be made at the center so declared.

(2) Any declaration made by the Collector, under sub-rule (1) shall be made known by affixing a copy thereof, in the Chavdi or some other public building in the villages concerned or in such other manner as the Collector may deem expedient.

4. Dates on which land revenue falls due and is to be paid.—

(1) The land revenue payable on account of a revenue year shall fall due on the first day of that year.

(2) Land Revenue payable for any revenue year shall be paid : —

(i) where the total land revenue payable by a person in respect of the land held by him in a village does not exceed Rs. 20/- in one installment only on a date not later than the fifteenth day of January falling in that revenue year;

(ii) where the total land revenue payable by a person in respect of the lands held by him in a village exceeds Rs. 20/-, in two equal installments, the first installment shall be paid not later than the fifteenth day of January and the second installment shall be paid not later than the fifteenth day of April falling in that revenue year:

Provided that in any taluka or part thereof where these dates are found unsuitable for payment of land revenue due upon agricultural land, the Collector may with the sanction of the Government fix such other dates as he may deem expedient according to the circumstances of the season and of the villages concerned and the character of the crops generally grown therein and thereupon the land revenue due upon non-agricultural land shall also be paid in such taluka or part thereof on the date so fixed.

5. Form of notice of demand.— (1) The notice of demand to be issued under section 124 shall be issued by the Talathi concerned in Form 1.

(2) Separate notices of demand shall be issued against different defaulters.

6. Form of proclamation and written notice to be issued under section 127.— The proclamation and written notice to be issued under section 127 shall be in Form 2.

7. Only portion of holding to be forfeited and the manner of its disposal under section 47.— (1) where an arrears of land revenue is due in respect of any holding, the Collector shall forfeit only such portion of such holding as is, in his opinion, required to satisfy the demand on account of the arrears of land revenue.

(2) The Collector shall take possession of a holding forfeited under sub-rule (1) and may lease it to the former occupant or to any other person for a period of one year at a time.

(3) If within three years of the date on which the Collector takes possession of the holding under sub-rule (2), the former occupant thereof applies for restoration of the holding, the Collector may, after the expiry of the lease, if any, given under sub-rule (2) restore the holding to the occupant on his paying to the Government the arrears due from him as land revenue and a penalty equal to three times the assessment. If the former occupant fails to get the holding restored to him within the period aforesaid, the holding shall be sold by the Collector in the manner provided in rules 12 to 16.

8. Remission of arrears of land revenue in certain cases.—

Where any land forfeited for default in payment of land revenue is not disposed of in accordance with the provisions of section 47, the arrears of land revenue payable by the defaulter shall ordinarily be remitted without having recourse to further compulsory process against him.

9. Form of warrant of distraint of defaulter's movable property and mode of making such distraint. — (1) For distraining the defaulter's movable property under section 125, the Collector shall issue a warrant of distraint in Form 3 to an officer not below the rank of a Revenue Inspector (hereinafter referred to in this rule as "the distraining officer")

(2) The distraining officer may distrain the defaulter's movable property by actual seizure and shall keep it in his custody or in the custody of any of his subordinates and shall be responsible for the property seized by him:

Provided that where the movable property seized is subject to speedy and natural decay or where the expenses of keeping it in custody is likely to exceed its value, the distraining officer shall cause it to be sold at once in accordance with the orders of the Collector:

Provided further that, where the movable property seized consists of live-stock, agricultural implements or other articles which cannot be conveniently removed, the distraining officer may if the property is not caused to be sold under the preceding proviso, leave it at the instance of the defaulter or any other person claiming to be interested in the property, in the village or at the place where it is distrained —

- (i) in the charge of the defaulter or of the pound-keeper, if any; or
- (ii) in the charge of the person claiming to be interested in the property or of any other person who in the opinion of the distraining officer, is respectable and is willing to keep the property in his custody;

on such defaulter or pound-keeper or, as the case may be, such person entering into a bond with one or more sureties in an amount not less than the value of the property and giving an undertaking to produce it before the distraining officer when called for.

- (3) The distraining officer shall make a list of the property distrained and shall obtain thereto the acknowledgement of the person in whose custody, the property is left, and if possible of the defaulter and of at least one person who in his opinion, is, respectable in attestation of the correctness of the list. If the property distrained includes both live-stock shall be prepared and attested as aforesaid.
- (4) Where the live-stock or other movable property is not left in charge of the defaulter, the expenses for feeding and watering the live-stock or for the safe custody of the other movable property, shall be charged at such rate as the Collector may, by general or special order, fix. The expenses so incurred shall be first charge on the sale proceeds of the property.

10. Provision of Civil Procedure Code to apply .— The provisions of rules 46 to 53 of Order XXI of the First Schedule to the Code of Civil Procedure, 1908, regarding the attachment of movable

property dealt with those rules shall, as far as may be apply to the distraint of movable property made under this Code.

11. Attachment of immovable property.— (1) The attachment of immovable property under section 128 shall be effected by an order to be issued by the Collector in form 4 prohibiting the defaulter from transferring or charging the property in any way and prohibiting all other persons from taking any benefit from such transfer or charge.

(2) The order shall be proclaimed by the Mamlatdar at some place on or adjacent to such property by beat of drum or other customary mode, and a copy of the order shall be affixed on a conspicuous part of the property and also on the notice board of the office of the Talathi.

(3) The order shall take effect as against purchasers for value in good faith from the date when a copy thereof is affixed on the property and against all other transferees from the defaulter from the date on which such order is made.

12. Sale of forfeited, distrained or attached property.— (1) Sales of forfeited, distrained or attached property shall ordinarily be held in the town or village in which the property is situated.

(2) Proclamations and written notice of such sales shall be issued—

- (a) in Form 5 in the case of forfeited property;
- (b) in Form 6 in the case of distrained property;
- (c) in Form 7 in the case of attached property.

13. Upset price may be fixed.— Where any land or other property is sold by public auction, an upset price shall, if the Collector thinks-fit, be placed thereon.

14. Form of certificates sales.— After the sale of the immovable property is confirmed, a certificate of sale shall be issued to the purchaser, —

- (a) in Form 8 where the property sold is a forfeited property;
- (b) in Form 9 where the property sold is an attached property.

15. Delivery of movable property after its sale becomes absolute.— Where the sale of a movable property becomes absolute under section 140 or 141, the Officer conducting the sale shall —

- (a) deliver the property to the purchaser if the property was actually seized; and
- (b) make an order vesting such property in the purchaser in any other case.

16. Mode of putting purchaser in possession under section 153.— (1) Where the land sold is in the possession of the defaulter or of some person on his behalf or, of some person claiming under a title created by the defaulter after the attachment of the land or after a certificate in respect thereof is granted under rule 14, the officer conducting the sale shall, on the application of the purchaser, order delivery to be made by putting such purchaser or any person whom the purchaser may appoint to receive delivery on his behalf, in possession of the land, and, if need be, forcibly remove any person, who refuses to vacate the same.

- (2) Where such land is in the possession of a tenant or other person entitled to occupy the same, the Officer conducting the sale shall, on the application of the purchaser, order delivery to be made by affixing a copy of the certificate granted under rule 14 in some conspicuous place on the land and by proclaiming to the person in possession, be beat of drum or other customary mode, that the interest of the defaulter has been transferred to the purchaser.

17. Procedure for recovering sums recoverable as an arrears of land revenue.— (1) Where any sum due to any department of Government or a local authority or a co-operative society or any institution established under an enactment is recoverable as an arrears of land revenue from any defaulter, such department, local authority or, as the case may be, for recovering the sum to the Mamlatdar of the taluka in which the defaulter resides or has property.

- (3) Such requisition shall contain the following particulars, namely:-
 - (a) Full name and address of the defaulter;

- (b) The sum to be recovered;
- (c) The provision of law under which the sum is recoverable as an arrears of land revenue;
- (d) The process by which the sum may be recovered;
- (e) The property against which the process may be executed.

18. Form of warrant to be, issued under section 129.— The warrant to be issued under section 129 shall be in Form 10.

Notification

RD/LRC/245/69-71/IV

In exercise of the powers conferred by sub-section (2) of Section 199 of the Land Revenue Code, 1968 (9 of 1969) and all other powers enabling him in that behalf the Lieutenant Governor of Goa, Daman and Diu is hereby pleased to make the following rules:

RULES

- 1. Short Title and commencement.**— (1) These rules may be called the Goa, Daman and Diu Land Revenue (Revenue Surveys and Sub-Divisions of Survey Number) Rules, 1969.
(2) They shall come into force at once.
- 2. definitions.**- In these rules unless the context requires otherwise, -
 - (a) "Code" means the Goa, Daman and Diu Land Revenue Code, 1968;
 - (b) "Director" means the Director of Settlement and Land Records;
 - (c) "section" means a section of the Code;
- 3. Survey number and sub-divisions.**— (1) Every holding not less in area than the minimum fixed under section 59 shall be separately measured, classified, assessed and defined by boundary marks in the land records as a survey number.
(2) Every holding of which the area is less than such minimum shall be separately measured, classified and assessed and entered in the land records as a sub-division of that survey number in which it is directed to be included; it may also be separately demarcated if the Director may require the persons interested in such holdings to pre-pay the costs or such-portion of the costs as he thinks fit, of so demarcating the holding.
- 4. Record of measurements.**— All measurement shall be recorded in a book or embodied in a plane table map kept in such form as shall be prescribed by the Director for any survey. The said books or maps shall be preserved permanently as a record of the survey.

5. **Test of measurements.**— The original measurements made by the subordinate survey officers employed for the purpose shall be tested by the officers in charge of measuring establishments in such manner and to such extent as the Director shall deem sufficient.
6. **Village maps.**— Village maps shall be prepared under the orders of the Director showing each survey number and its boundary marks and such other details as may be specified by him, subject to general or special orders of the Government at the time of each survey.
7. **Classification of land.**— For the purpose of assessment, all land shall be classed with respect to its productive qualities. The number of classes and their relative value reckoned in paise, shall be fixed under the orders of the Director with reference to the circumstances of the different tracts of the country to which the survey extends and to the nature of the cultivation.
8. **Field-books.**— Every classer shall keep a field-book and record therein the particulars of his classification of each survey number and sub-division and the reasons which led him to place it in the particular class to which in his estimation it should be deemed to belong. Such field-books shall be preserved as permanent records of the survey.
9. **Notice to holders.**— When any classing operations are undertaken, notice shall be given to the holders to enable them to represent defects and point out their own improvements.
10. **Test of classification.**— A test of the original classification made by the subordinate officers employed for this purpose shall be taken by the officer, employed for this purpose shall be taken by the officers in charge of classing establishments in such manner and to such extent as may be directed by the Director.
11. **Amalgamation of survey numbers and sub-divisions.**— (1)
Any survey number or a sub-division of a survey number may, upon the application of the holder, be amalgamated with any other co-

terminous survey number with the sanction of the Director provided that, the following conditions are satisfied, namely : —

- (i) the total area on amalgamation does not exceed 16 hectars.
- (ii) All the parcels of land proposed for amalgamation are held by the same holder upon the same tenure;
- (iii) A common boundary is such that the amalgamation will materially facilitate cultivation:

Provided that, the limits imposed by or under condition (i) may be exceeded to such extent as the Director may be general or special order, sanction.

(2) Any sub-division may be amalgamated without prior sanction of the Director with any co-terminous sub-division of the same survey number held by the same holder upon the same tenure.

(3) When such amalgamation is effected, the two or more portions of land shall become one entry in the land records, bearing the same distinguishing number as the first in series of the amalgamated numbers. Any boundary marks placed before such amalgamation shall be removed, and the village map corrected, accordingly.

12. Application of rules 3 to 11.— (1) Rules 3 to 11 (both inclusive) shall, unless otherwise directed by the Government, be observed in the conduct of revenue surveys of lands used or which may be used, for the purposes of agriculture.

(2) Matters of detail not provided for in the foregoing rules shall be determined in each survey in accordance with such general or special orders as the Director, acting under the general control of the Government, may, from time to time, issue.

13. Non agricultural land not to be classified in accordance with foregoing rules.— (1) Land of any of the kinds specified sub-rule (2) shall be measured and mapped in accordance with rule 3 to 6 (both inclusive) but shall not be classified in accordance with rules 7 to 10.

(2) The lands referred to in sub-rule (1) are the following :—

- (a) occupied lands, which are situated within with in an area in which a survey under rules 3 to 6 and 11 is in progress and which are used for any non-agricultural purpose;
- (b) unoccupied lands situated with in any such area, which are deemed to be likely to be more in demand for building or industrial purposes than for agriculture; and
- (c) all lands to which a survey is extended under section 65.

14. Maintenance of records.— (1) For all the lands which have in the past been surveyed or assessed for which shall be hereafter surveyed or settled under the provisions of the Code and these rules, it shall be the duty of the Director—

- (a) To cause to be corrected any arithmetical or clerical error, whichever discovered;
- (b) To cause to be incorporated punctually in the land records, all changes in boundaries, areas, tenures and assessments either of survey numbers or of their sub-divisions which are made under orders of any competent authority under the Code and these rules or any other law:

Provided that, where the assessment of any survey number has been fixed by a declaration under section 75, such assessment shall not be increased upon the discovery of any mistake in classification, until the term of such declaration expires.

(2) Detained instructions and forms shall be drawn up and maintained by the Director, subject to the orders and approval of the Government from time to time for the proper carrying out of this rule.

15. Sub-division of survey numbers.— (1) Before field operations for division of a survey number into a sub-division are commenced a general notice shall be issued by the Mamlatdar and pasted in the village chavdi and proclaimed by beat of drum stating that the sub divisions of survey numbers in the village are about to be measured according as they have been divided by the holders.

(2) Individual notices at least 10 days in advance shall be served by the Talathi upon the holders specifying the numbers or parts of numbers which are to be measured and the date on which the

measurement operations would commence and warning the holders to be present on the field on the date so notified.

- 16. Boundaries to be laid down.**— (1) When there is no dispute, the survey officer shall, after according to that effect, lay down the boundary of each sub-division according the statement made by the holders
- (2) Where there is any dispute, the boundary to which it relates shall be measured and mapped in accordance with the claims of both the disputants, and the dispute entered in the register of disputed cases. After the dispute has been settled under the provisions of the Code and rules made thereunder, the map shall be corrected accordingly, and the areas finally entered into the land records.
- 17. Fees.**— The fees to be recovered for making sub-divisions in cases to which clause (b) of section 101 applies shall, be such as will cover the entire cost of measuring, assessing and mapping the sub-divisions; and such fees shall be assessed by the Director.
- 18. Assessment.**— The proportionate assessment of sub-divisions to the land revenue settled upon the survey number shall be calculated according to the area and relative soil classification of the various sub-divisions. Detailed instructions shall be prescribed by the Director, subject to the approval of the Government and may provide for the rounding off Government, and may provide for the rounding off of factions of ten paise.
- 19. Formation of sub-division of alluvial land.**— Alluvial land lawfully occupied by a person other than the holder of the adjoining land shall be formed into a sub-division and included in the adjoining survey number.
- 20. Entry of survey numbers and sub-divisions in record.**— The area and assessment of land surveyed and assessed to land revenue under the provisions of Chapters V, VI and VII of the Code, shall be recorded and maintained :—
- (a) In the case of survey numbers, in Form A if the land is used for an agricultural purpose and in Form B, if it is used for a purposes other than for agriculture; and
- (b) In the case of sub-division of survey numbers in Form C.

Goa, Daman and Diu.

DR. J. C. Almeida, Revenue Secretary,
Panaji, 16th February, 1971.

Notification

RD/LRC/245/69-71/V

In exercise of the powers conferred by sub-section (2) of Section 199 of the Land Revenue Code, 1968 (9 of 1969) and all other powers enabling him in that behalf the Lieutenant Governor of Goa, Daman and Diu is hereby pleased to make the following rules:

RULES

1. **Short Title and commencement.**— These rules may be called the Goa, Daman-and Diu Land Revenue (City Survey) Rules, 1969.
 - (2) They shall come into force at once.
2. **Definitions.**— In these rules unless the context otherwise, requires: —
 - (a) "Code" means the Goa, Daman and Diu Land Revenue Code, 1968;
 - (b) "Director" means the Director of Settlement and Land Records;
 - (c) "Director" means a Director of Settlement and Land Records;
 - (d) "Inspector" means the Inspector of Surveys and land Records;
3. **Collector to issue notice of survey.**— Where a survey of lands in any village, town or city as directed to be made by the Government under section 65 the Collector shall cause to be issued in Form 'A' a general notice to the inhabitants of such village, town or city informing them about the introduction of the survey and calling upon the house owners, mortgagees, absentee owners and other persons having interest in the lands to be surveyed to give all information to the survey officers appointed the purpose and the ensure that their lands are measured and rights recorded correctly.
4. **Survey officer and his staff.**— Subject to the control of such officer as may be designated by the Government in this behalf, a survey officer not below the rank of an Inspector shall be in charge of the survey operations. In conducting the survey operations, the

survey officer shall be assisted by such staff of the Land Survey Department, as such officer designated by the Government may appoint.

- 5. Survey operations.**— Operations connected with any survey shall be carried out by the staff referred to in rule 4 as provided in that rule in such manner as the Director may, from time to time, direct. The operations so carried out shall be recorded in maps down by the Director. The staff shall also record information in respect of particulars of the property and names of the holders thereof and enter it in columns 1 to 4 of the inquiry register in Form 'B'. The maps and the register so prepared shall then be forwarded for the purposes of rule 6 to the Inquiry Officer who shall be a Survey Officer not below the rank of an Inspector or a Mamlatdar appointed by the Government or as the case may be, the Director.
- 6. Procedure of enquiry.**— (1) It shall be the duty of the Inquiry Officer to determine, for each parcel of land situated within the limits of the area under survey, who is entitled to be confirmed in possession of each such parcel of land, what possessions constitute encroachments, easements or licences and what land vest in a local authority or Government and, in case of land adjudged to be in the legitimate possession of a private individual or body, its tenure and liability to pay land revenue.

(2) For purposes of determining the right, title and interest of individuals and bodies in respect of lands under survey under sub-rule (1), the Inquiry Officer shall hold an enquiry under section 14 of the Code or section 85 of the Goa, Daman and Diu Municipalities Act, 1968. The maps and registers referred to in rule 5 shall be corrected in accordance with the decision of the Inquiry Officer or, where an appeal is filed or a civil suit instituted, in accordance with the final order passed in appeal or civil suit.

(3) The Inquiry Officer shall send a list of unoccupied vacant plots of waste land which are not claimed by any person to the Collector. The Collector shall, on receipt of such list, cause a public notice in Form 'C' to be affixed on each such plot requiring any person desiring to claim any interest in the plots to appeal before the Inquiry Officer within the period specified in the notice with documentary evidence of title to the plot.

If any claim is made in relation to such plot, the Inquiry Officer shall proceed to determine it in accordance with sub-rule (2). If no claim is made within the period aforesaid, the plot shall be entered as land vesting in the Central Government.

- 7. Property Card Register.**— The final results of the enquiry shall be recorded for each parcel of land separately in a card in Form 'D' to be called "Property Card Register",
- 8. Survey fees.**— (1) The survey fees payable under section 66 shall ordinarily be so fixed by the Collector that the total sum payable in respect of the site under survey shall cover -the cost of the survey and preparation of the Property Card Register thereof.

(2) In fixing the fees for each building site or any portion thereof held separately, the Collector shall have regard to the provision of sub-rule (1) and to the position, value and area of such building site or portion thereof.
- 9. Form of Sanad to be issued under section 67.**— The Sanad to be issued under section 67 to every holder of building site shall be in Form E.
- 10. Fee for supply of duplicate copy of sanad.**— If any holder applies for a copy of the sanad under section 67 a copy of such sanad may be supplied to him on payment of a fee not exceeding one rupee.

FORM 'A'
(See rule 5)

PUBLIC NOTICE

All inhabitants of the village, town/city of Are hereby informed that the Government has, by its Order No. _____, dated _____ directed under section 65 of the G.D.&D. Land Revenue Code, 1968, the survey of lands (other than those used ordinarily for the purposes of agriculture only) within the site of the said village, town/city. Accordingly, the survey officer will start work from*

All house-owners in the said village/town/city are hereby informed that they should be present on the date which will hereafter be fixed by the survey officer for the measurement of their houses and other property and should give all possible information to the survey officer to enable him to measure their properties correctly.

Mortgagors, mortgagees, absentee owners and other persons having interest in the lands to be surveyed should take steps to see that their rights are recorded correctly. After the survey, *sanad* will be given by which rights over property in land will be permanently fixed.

Sometimes, the measures will have to enter the houses for internal measurements. Notice of this will be given before hand. No house-will be entered unnecessarily.

I The cost incurred, if any, for employing hired labour for measurement of classification of the lands to which the survey extends or for objects incidental to the survey shall be recoverable from the land holders as revenue demand. If the holders render more assistance, the survey work will be expedited and the cost of survey will be less.

In exercise of the powers conferred by sub-section (2) of Section 199 of the Land Revenue Code, 1968 (9 of 1969) and all other powers enabling him in that behalf the Lieutenant Governor of Goa, Daman and Diu is hereby pleased to make the following rules:

RULES

1. **Short Title and commencement.**— These rules may be called the Goa, Daman and Diu Land Revenue (Conversion of use of land and non-agricultural Assessment) Rules, 1969.
 - (2) They shall come into force at once.
2. **Definitions.**— In these rules unless the context requires otherwise—
 - (a) "Code" means the Goa, Daman & Diu Land revenue Code, 1968.
 - (b) "section" means a section of the Code.
3. **Form of application for permission to convert use of land.**—

Every application for the permission for conversion of use of land from one purpose to another as provided in section 32 shall be made in the form in Schedule I to the Collector. Where different portions of land included in the same survey number are to be converted for use for different non-agricultural purposes, the same should be clearly and separately shown in the form.
4. **Conditions on which permission may be granted.— (1)**

Permission to convert the use of agricultural land for any non-agricultural purpose, or to change the use of land from one non-agricultural purpose to another non-agricultural purpose may be granted by the Collector after consulting the Town and Country Planning Department and subject to the following among other conditions, that is to say—

 - (a) the grant of permission shall be subject to the provisions of the Code and Rules made thereunder;
 - (b) the land shall not be used for a purpose other than that for which permission is granted;
 - (c) the applicant shall commence the non-agricultural use applied for within one year from the date of the order made by the Collector in that behalf, failing which, unless the said period is extended by the Collector from time to time, the permission granted shall be deemed to have lapsed;

(d) the applicant shall be liable to pay such altered assessment as may be determined with reference to the altered use under section 84 or as the case may be, section 88;

(e) where permission is granted for the construction of a structure to be used for any non-agricultural purpose such structure shall, if it is within the jurisdiction of a Municipal Council, be constructed in accordance with the plan approved by the Municipal Council in that behalf, and if it is situated outside such jurisdiction, be constructed in accordance with the plans approved by the concerned village panchayat;

(f) any other reasonable conditions which the Collector may deem fit to impose, regard being had to the sanctioned use of the land:

(2) Such conditions shall be embodied in the sanad.

- 5. Conditions where permission is deemed to have been granted.**— In cases where permission for change of use of land is deemed to have been granted under sub-section (3) of section 32, such permission shall be subject to the conditions provided in rule 4.
- 6. Penalty for failure to intimate commencement of non-agricultural use.**— Subject to the maximum, amount of penalty of Rs. 500 prescribed by sub-section (5) of section 32, the penalty for failure to inform the date on which the change of user of land commenced as required by sub-section (4) of that section shall, if the land is used for a residential purpose, be such amount as is not less than an amount equal to two times the non-agricultural assessment of the land for the period of default; and if the land is used for any other non-agricultural assessment of the land for the period of default; and if the land is used for any for any other non-agricultural purpose, be such amount as is not less than three times the non-agricultural assessment for the period aforesaid, as the Collector may in each case deem fit to impose.
- 7. Grant of sanad.**— Where land is permitted to be used for non-agricultural purpose, then subject to the provisions of any law for the time being in force a sanad shall be granted to the holder thereof in the form in Schedule II.

8. Penalties for unauthorized non-agricultural use.— if any land is used unauthorizedly in contravention of the provisions of section 32, unless the Collector takes action under the next succeeding rule or under rule 10, it shall be lawful for the Collector to require the holder thereof or any person claiming through or under him to stop such unauthorized use, pay the non-agricultural assessment on the land with reference to the altered use for the entire period of such unauthorized use, and such fine not more than eighty times the non-agricultural assessment on the land leviable with reference to the unauthorized altered use under the provisions of the Code, as he may fix.

9. Regularization of unauthorized use.— Where any land is used unauthorizedly in contravention of the provisions of section 32, and the Collector is satisfied that had the holder applied for necessary permission under that section, his application would not have ordinarily been rejected on any of the grounds specified in clause (c) of sub-section (2) of section 32, the Collector, may, if the holder so desires, and after consulting the Town and Country Planning Department, instead of taking action under rule 8, regularize such unauthorized non-agricultural use, subject to the following terms and conditions namely:—

- (i) that the holder shall pay non-agricultural assessment on the land with reference to the altered use, since the commencement of that use;
- (ii) that the holder shall pay such fine not exceeding forty times the non-agricultural assessment on the land with reference to the altered use, as the Collector may fix;
- (iii) that the holder abide by the Conditions specified in rule 4 so far as they are applicable, and such other conditions as the Collector may deem fit to impose.

10. Continuance of offending unauthorized constructions.—

Where the unauthorized non-agricultural use cannot be regularised under rule 9, and the Collector is satisfied that the demolition of the offending unauthorized construction is likely to cause heavy damage and serious inconvenience and hardship, he may, if the holder desires and in consultation with the Town and Country Planning Department, allow such construction to stand, with the sanction of

the Government, subject to conditions (i) and (iii) in the preceding rule, and the additional conditions—

(a) that the holder shall pay a composition fee not less than fifty percent of, the cost incurred on the offending unauthorized construction of forty times the non-agricultural assessment payable on the land with reference to the altered use whichever is greater;

(b) that the holder shall agree in writing to demolish the offending unauthorized construction without claiming compensation if after reasonable period thereafter, he is asked to do so by the Collector, in the public interest; failing which the Collector shall do so at the holder's risk and costs.

11. **On regularization sanad to be granted.**— When any unauthorized non-agricultural use is permitted to be continued under rule 9 or 10, a sanad in the form in Schedule III shall be granted to the holder.
12. **Non-agricultural Assessments**— Where land assessed to agriculture is used for non-agricultural purposes or *vice versa* or being assessed to one non-agricultural purpose is used for another non-agricultural purpose, the assessment fixed upon the land so used shall be altered under sub-section (2) of section 51 of the Code, and such alteration shall be made by the Collector in accordance with the provisions of the Code and these rules.
13. **Maintenance of statistics of sales, etc.**— The Collector shall maintain a record of all registered sales and leases, and of awards under the Land Acquisition Act, 1894, of non-agricultural lands in different blocks in an urban area in the forms in Schedules IV, V and VI respectively.
14. **Full market value how determined.**— (1) The full market value of non-agricultural lands in an urban area in a block shall be estimated on the basis of sales, leases and award under the Land Acquisition Act, 1894, which have taken place or declared, as the case may be, in that block during the period of fifteen years immediately preceding the year in which the standard rate of non-agricultural assessment of lands in that block is to be fixed, in accordance with the following principals, that is to say—

(a) in the case of a sale of an open plot not assessed to land revenue, the amount of sale price thereof, shall be the full market value thereof;

(b) in the case of a sale of a plot assessed to land revenue, the amount equal to the sale price and sixteen times the assessment shall be the full market value;

(c) in the case of a sale of a plot with superstructure, where such plot is not assessed to land revenue or rent, an amount equal to the difference between the amount of the sale price thereof and amount of the market value of only the superstructure on the date of the sale shall be the full market value;

(d) in the case of a sale of a plot with superstructure where such plot is assessed to land revenue, an amount equal to the difference between the amount of the sale price thereof and amount of the assessment multiplied by sixteen on the one hand and amount of the market value of the superstructure on the date of the sale on the other shall be the full market value;

(e) in the case of a sale of a long-term lease or assignment of a long-term lease of an open plot for a premium with a reservation of ground rent, and amount equal, to the premium and sixteen times the ground rent reserved shall be the full market value;

(f) in the case of a long-term lease or assignment of a long-term lease of an open plot without payment of premium, an amount equal to sixteen times the amount of rent reserved shall be the full market value;

(g) In the case of a long-term lease or assignment of a long-term lease without payment of premium of a plot with superstructure, where rent is reserved an amount equal to sixteen times the difference between the amount of the annual rent reserved and the amount of the annual letting value of the superstructure on the date of the lease shall be the full market value;

(h) in the case of transfer of a leasehold plot with superstructure, an amount equal to the difference between the amount of the sale price and the amount of the market value of the superstructure on the date of the transfer plus sixteen times the ground rent shall be the full market value; and

(i) in the case of plot with or without superstructure not assessed to land revenue which is acquired under the Land Acquisition Act, 1894, the amount of the value of the land (excluding the value of superstructure, if any), declared under the award, shall be the full market value; and

(j) in the case of plot with or without superstructure assessed to land revenue which is acquired under the Land Acquisition Act, 1894, the amount of the value of the land (excluding the value of superstructure, if any), declared under the award plus sixteen times the assessment, shall be the full market value.

(2) The transactions referred to in clauses (c), (d), (g) and (h) of sub-rule (1) shall be the basis for purposes of estimating the full market value of the land only if the Collector is of opinion that the number of transaction falling under clauses (a), (b), (e), (f), (i) and (j) of that sub-rule is either too small or is not sufficiently representative for the said purpose.

(3) If in any block the full market value of non-agricultural land cannot be estimated in accordance with the principles enunciated in this rule, the full market value of lands in such block shall be estimated on the basis of the scales, leases and awards, as the case may be of similar plots in blocks adjacent to such block.

15. Standard rate of non-agricultural assessment.— (1) For purposes of determining the standard rate of non-agricultural assessment, the Collector shall, on the basis of the full market values of plots ascertained in accordance with the principles enunciated in the preceding rule, first estimate the full market value of non-agricultural land in each block separately for each of the fifteen years immediately preceding the year in which the standard rate of non-agricultural assessment is to be fixed.

(2) On the basis of the full market value determined for the preceding fifteen years under sub-rule (1), the Collector shall estimate the full market value of land, per square meter in each block.

(3) The standard rate of non-agricultural assessment per square meter of land in each block shall be equal to 1.25 percent of the full market value estimated under sub-rule (2).

(4) The collector shall submit to the Government for approval the standard rate determined under sub-rule (3).

(5) The Government may modify the Collector's proposal in respect of standard rate to each extent as it may deem fit.

(6) The standard rate approved by the Government shall be published in the *Official Gazette*; and that rate shall come into force on the expiry of three months from the date of such notification in the *Official Gazette*. The standard rate shall before it is brought into force also be pasted on the notice board in the Office of the Mamlatdar.

(7) The standard rate fixed under sub-rule (3), shall remain in force for a period of ten years, and thereafter, be deemed to be in force until it is revised.

16. Revision of standard rate.— The standard rate of non-agricultural assessment shall be liable to revision at intervals of ten years, and the provisions of rules 14 and 15 shall apply to such revision of standard rates as they apply to the fixation of standard rates.

17. Fixation of non-agricultural assessment on individual plots.— The actual assessment on individual plots in each block shall be fixed by the Collector on the basis of the standard rate for the time being in force in that block, having regard to the specific non-agricultural purpose for which the land is used as provided in sub-section (1) of section 88.

In fixing such actual assessment, the amount of assessment shall be rounded off to the nearest multiple of ten, less than five paise being disregarded, and five paise and more being regarded as ten paise.

18. Assessment leviable on land within compounds.— Non-agricultural assessment in respect of land used for residential purpose shall be levied on that area of the land within a compound which is built upon and also on the area that is required to be left open in relation to the area so built upon according to any law for the time being in force.

19. Re-imposition of agricultural assessment.— (1) Except in cases where agricultural lands are transferred under the provisions of the relevant Tenancy law for purposes of agricultural use. Where any holding, which has been assessed, or of which the assessment has been altered for any non-agricultural use, is used for agriculture only, the Collector may, on the application of the holder, withdraw the non-agricultural assessment, and impose either the old agricultural assessment, if any, if the settlement period has not expired; or may, in other cases, impose an agricultural assessment equivalent to that imposed on other similar agricultural lands in the vicinity of such holding.

(2) Such agricultural assessment shall commence from the first day of the agricultural year next following and shall be subject to the same conditions as to periodical revision, and the same rules and provisions of law as if they had been imposed at the ordinary revenue settlement of the village in which the land is situated.

20. Exemptions.— (1) For the purposes of clause (1) of section 91, lands used by an agricultural for extracting or canning fruit juice, gur making, oil pressing, cotton ginning or paddy husking or other similar purposes from the produce of his own fields shall be deemed to be used for occupations subsidiary or ancillary to agriculture.

(2) Lands used for hospitals, hostels, playgrounds, parks and gardens, office premises of local authorities and gymnasiums or for roads, paths and lanes set apart in layouts, for the benefit of all citizens without distinction of religion, race, caste, sex, place of birth or any of them shall be exempted from payment of non-agricultural assessment so long as they are used for and of the said purposes and for no other purposes, and yield no profit to private individuals or to any person.

(3) In the case of building sites held by co-operative Housing Societies or the Housing Board which are not built upon, no non-agricultural assessment shall be levied for the three years subsequent to the date on which, possession of the land was taken or till the date on which non-agricultural use of the land begins, whichever is later.

- 21. Map showing non-agricultural areas.**— (1) Each Collector shall maintain in his office and from time to time as required renew or bring update a map of his district upon which it shall be clearly shown by district colours or otherwise as may be convenient, the urban and non-urban areas in the district in accordance with clause (38) of section 2 of the Code, the area classified as Class I and Class II villages in non-urban areas under section 84 and the blocks for different non-agricultural use in urban areas constituted under section 85.
- (2) When an area is very small, or when its limits intersect a village in an intricate way, insets on a larger scale or a supplementary file, of village maps larger shall be provided.
- (3) Whenever any area is brought under a different class or rate by a fresh order, the map shall be corrected and the authority for the change noted over the Collector's signature on the map.
- (4) Each Mamlatdar shall similarly maintain a map of his taluka with similar supplements which shall be similarly corrected and endorsed by the Collector, at each change.
- (5) These maps shall be open to public inspection free of charge during all office hours.
- 22. Delegation of Powers.**— The powers conferred upon the Collector under these rules may also be exercised by a Sub-Divisional Officer.

Notification

RD/LRC/245/69-71/VIII

In exercise of the powers conferred by sub-section (2) of Section - 199 of the Land Revenue Code, 1968 (9 of 1969) and all other powers enabling him in that behalf the Lieutenant Governor of Goa, Daman and Diu is hereby pleased to make the following rules:

RULES

1. Short Title and commencement.— (-1) These rules may be called the Goa, Daman and Diu Land Revenue (Restrictions on Use of Land) Rules, 1969.

(2) They shall come into force at once.

2. Classes of unarable land for cultivation; regulation and prohibition of such land for cultivation.— (1) Land included as unarable (*pot Kharab*) in a survey number for purposes of agriculture only is of two kinds.

(a) that which is classed as unfit for agriculture at the lime of survey including the farm buildings or threshing floors of the holder;

(b) that which is not assessed because it is reserved or assigned for public purposes, or because it is occupied by a road or recognized footpath, or by a tank or stream used by persons other than the holder for irrigation or for drinking or domestic purposes, or used for a burial or burning ground by any community, or by the public, or because it is assigned for village poteries.

(2) Land falling in class (a) may be brought under cultivation at any time by the holder, and no additional assessment shall be charged thereof.

(3) The cultivation of land falling in clause (b) is hereby prohibited under section 31:

Provided that, this prohibition shall not apply in the case of land occupied by a tank or stream, when such tank or stream is used for irrigation only, and waters only land which is in the sole occupation of the holder, or when the privilege of cultivating the dry bed or the tank or stream has been specially conceded to the holder.

- 3. Restriction on use of land for salt manufacture.—** (1) No occupant of unalienated land, whether assessed for any purpose or not shall use the same or any part thereof for the manufacture of salt without the previous permission in writing of the Collector of the district.
- (2) Subject to the provisions of any law relating to manufacture or collection or extraction of salt for the time being in force, the Collector may grant permission for the use of such land for such purpose subject to the payment of non-agricultural assessment leviable on the land, and to such further conditions as the Collector may, subject to the general or special orders of the Government, impose.
- 4. Excavations of agricultural land prohibited.—** Save as provided in sections 29 and 30 and rule 3, no occupant of land assessed or held for purpose of agriculture only, and no person claiming under or acting by authority of any such occupant, shall excavate or remove earth, stone (other than loose surface stones), kankar, muram or any other material of the soil thereof, or make any other use of land (a) destroy or materially injure the land for cultivation, or (b) for purposes of trade, or profit, or any other purpose except his own domestic or agricultural purposes.
- 5. Excavations in building site not allowed without permission.—** No holder of land assessed or held as a building site, or lease-hold of a building site in a hill station, and no person claiming under any such holder or lease-holder, shall, subject to any special provision in the conditions annexed to his holding under section 21 or 35 or otherwise, or prescribed by his lease, excavate or remove for any purpose whatever earth, stone (other than loose surface stones), kankar, muram or any other material of the soil thereof, except with the previous permission in writing of the Collector, and in accordance with such terms (including the payment of fees for any such excavation or removal) as the Collector in each case thinks fit to prescribe, regard being had to the provisions of rules made under Mines and Minerals (Regulation and Development) Act, 1957, for the time being in force in any part of the Union territory of Goa, Daman and Diu.
- 6. Excavation in gaothans require permission.—** (1) No unalienated land within the site of any village, town or city shall be

excavated without the previous written permission of the Collector for any purpose except for the laying of foundations for buildings, the sinking of wells and the making of grain-pits.

(2) Where permission is granted by the Collector to excavate any such lands as aforesaid for any purpose other than those mentioned above, such excavations shall not be made otherwise than in accordance with such terms (including the payment of fees for any such excavation) as the Collector in each case thinks fit to prescribe, regard being had to the provisions of any rules made under Mines and Minerals (Regulation and Development) Act, 1957, for the time being in force in any part of the Union territory of Goa, Daman and Diu.

- 7. Penalty for breach of rules.**— Any person committing a breach of any of the provisions of these rules shall, in addition to any other consequences that would ensue from such breach, be punishable with such fine not exceeding one thousand rupees as the Collector may, after giving such person an opportunity to be heard, deem fit to impose.

By order and in the name of the Administrator
of Goa, Daman and Diu.

DR. J. C. Almeida, Secretary, (Revenue)
Panaji, 16th February, 1971.

Notification

RD/LRC/245/69-71/IX

In exercise of the powers conferred by sub-section (2) of Section 199 of the Land Revenue Code, 1968 (9 of 1969) and all other powers enabling him in that behalf the Lieutenant Governor of Goa, Daman and Diu is hereby pleased to make the following rules:

RULES

- 1. Short Title and commencement.**— (1) These rules may be called *the Goa, Daman and Diu Land Revenue (Reduction, Suspension and Remission) Rules, 1969.*

(2) They shall come into force at once.

2. **Definitions.**— In these rules, unless the context requires otherwise,—

(a) "Code" means the Goa, Daman and Diu Land Revenue Code, 1968;

(b) "current land revenue" means land revenue payable in respect of any land under section 121 of the Code;

(c) "general calamity" means wide spread or general failure of crops in any revenue year caused by drought, floods, failure of rains or excessive or untimely rains, or any other natural calamity; and includes total failure of crops due to land in any tract being left unsown because of any recent calamity, or an order made under any law by a competent authority;

(d) "local calamity" means loss of, or damage to crops or other property in any locality in any revenue year occasioned by hail-storm, or fire, or caused by locusts, or by theft or mischief by unknown persons, and includes failure of crops by floods or any other causes specified in clause (c);

(e) "settlement" has the meaning assigned to it in Chapter VI of the Code;

(f) "tract" means any part of the district.

3. **Reduction of land revenue.**— (1) If during the currency of any settlement, there is such physical deterioration of the soil in any holding as to necessitate reduction of assessment, the holder thereof may apply to the Survey Officer in the district not below the rank of land Inspector of Surveys and Land Records for reduction of the assessment.

(2) On receipt of such application, the Survey Officer shall acknowledge it, and after making necessary inquiries, submit his proposals to the Director of Settlement and Land Records through his immediate superior, if any.

(3) If the Director of Settlement and Land Records is satisfied that in the circumstances reported, any reduction in the assessment of

the holding applied for is necessary, he may by order sanction reduction in the annual assessment so however, that the amount does not exceed twenty rupees and inform the applicant in terms of the order. All cases where the reduction proposed in the annual assessment exceeds twenty rupees shall be submitted to the Government for orders. The Government on receiving papers in any such cases, shall make such inquiries as it thinks to be necessary and pass such orders on the application as it deems fit, and require the Director of Settlement and Land Records to inform the applicant forthwith accordingly.

(4) Any reduction sanctioned under this rule shall take effect from the revenue year next following the date of the order sanctioning the reduction; and shall remain in force until the commencement of the term of the fresh settlement.

4. **Estimate of failure of crops in any tract.**— If the Collector on hearing any reports has reason to believe that there has been such a failure of crops in any tract due to a general calamity as to make it probable that relief will be required, he shall cause early inquiries to be made into the condition of such tract, the degree of crop failure in each village or group of homogeneous villages therein and make paise valuation of the estimated out-turn of crops according to instructions of the Government issued from time to time in this behalf.
5. **Scale of granting suspension.**— The Collector on making local inquiries and ascertaining the degree of crop failure in any tract as aforesaid, shall subject to the provisions of rule 6, suspend—
 - (a) the whole of the land revenue payable by any person in respect of his land in such tract if the estimated paise valuation of crops in such tract is twenty four paise or less;
 - (b) half of the land revenue so payable, if the estimated paise valuation of crops exceeds twenty four paise but is less than thirty six paise.
6. **Suspension conditional.**— Suspension granted under these rules shall be conditional upon the payment of the amount of land revenue which is not suspended.

- 7. Suspended land revenue when recoverable.**— No land revenue payable in respect of any land which has been suspended shall ordinarily be collected in the manner provided in rule 8 until the harvest of crops in such land is subsequent years (corresponding to the one which failed) has been reaped in the affected tract.
- 8. Recovery of suspended land revenue.**— Where any land revenue suspended in respect of any land in any year is not remitted under rule 9, then if the harvest of crops referred to in the preceding rule in any subsequent year is of the anna valuation specified in column 1 of the Table hereto, the current land revenue payable in respect of such land and the suspended land revenue payable in respect thereof shall be paid in full, half or nil as indicated in columns 2 and 3 of that Table : —

TABLE

Anna valuation of crops	Proportion of recoverable land revenue	
	Current	Suspended land revenue
66 paise and over	Full	Full
48 paise and less than 66 paise	Full	Half
36 paise and less than 48 paise	Full	Nil
Over 24 paise and less than 36 paise.	Half	Nil
24 paise and less	Nil	Nil

- 9. Remission of land revenue.**— All suspended arrears of land revenue which are either in excess of two year's land revenue or more than three years old shall ordinarily be remitted by the Collector irrespective of the monetary condition of any holder, the oldest arrears being remitted first.
- 10. Remission on consequence of prohibitory orders.**— If crops could not be grown in any year in any area in consequence of an order made by a competent authority under any law for the time being in force, the Collector may by an order in writing grant remission.

(a) in whole, of the land revenue payable in respect of such area, if more than half such area allowed to remain fallow in such year was cultivated during the previous year.

(b) in part, of an amount equal to half of the land revenue payable in respect of such area, if less than half the area allowed to remain fallow was cultivated during the previous year.

11. Relief in local calamities.— (1) When the Collector is satisfied on inquiries made in any year in any tract that there has been a local calamity, he may after taking into account the resources of the owner of the crops affected by such local calamity by an order in writing—

(a) if there is a total loss of crops or extensive damage to other property, grant remission in whole or in part, of land revenue in that year as he may deem proper after taking into consideration the circumstances of each case:

Provided that, the relief by way of remission in any district in any year shall not exceed five hundred rupees:

Provided further, that, the Collector may, with the previous sanction of the Government, grant such remission of an amount exceeding one thousand rupees;

(b) in case not falling under clause (a) grant suspension, in whole or in part of land revenue after taking into account the extent of loss occasioned by such calamity.

Explanation. — For the purpose of this sub-rule the question of extent of damage or loss due to a local calamity in any tract in any year shall, subject to the provisions of the Code be decided by the Collector.

(2) The provisions in rule 8 shall apply for recovery of land revenue suspended under clause (b) of sub-rule (1).

12. Collector to furnish information to Government about suspension and remission.— The Collector shall furnish to Government information about suspension and remissions granted by him under these rules every year in the appended form.

4. Disposal of grazing.— The grazing of unoccupied land vesting in the State Government (whether a survey settlement extends to such land or not, and whether the same is assessed or not) and in all lands specially reserved for grass or for grazing (except land assigned under section 18, may be disposed of by public auction by way of lease or otherwise year to year, or for any term not exceeding five years, to any person as the Collector deems fit, either field by field or in tracts, and at such time as the Collector may determine on the conditions that—

(i) the land shall not be brought under cultivation;

(ii) the land shall be entitled to charge such grazing fees as he may, with the previous sanction of the Collector, fix;

(iii) every resident or cultivator of the village shall be permitted to graze cattle on such land on payment of fees fixed under clause (ii);

(iv) such person shall have no right in trees and forest products standing on such land.

5. Cancellation of right.— (1) The right conferred on any person under rule 4 may be cancelled—

(i) if such person commits any breach of the conditions mentioned in rule 4 or fails to pay the lease money on the due date; or

(ii) if a majority of the persons grazing cattle on the land desire it.

(2) The order of cancellation shall take effect from the 1st June next following the date of such order.

6. **Procedure to be followed when there is no offer for lease of grazing.**— If no one officers to take the land under rule 4 or if a majority of the people in the village concerned declare that the land is not required for grazing, the Mamlatdar shall direct the land to be recorded as land available for cultivation.
7. **delegation.**— The Collector may delegate the powers conferred upon him under these rules to the Sub-Divisional Officers and Mamlatdar in the district.

By order and in the name of the Administrator
of Goa, Daman and Diu.

Notification

RD/LRC/245/69-71/XIII

In exercise of the powers conferred by sub-section (2) of Section 199 of the Land Revenue Code, 1968 (9 of 1969) and all other powers enabling him in that behalf the Lieutenant Governor of Goa, Daman and Diu is hereby pleased to make the following rules:

RULES

1. **Short Title and commencement.**— (1) These rules may be called the Goa, Daman and Diu Land Revenue (Regulation of Right to Trees etc.) Rules, 1969.
(2) They shall come into force at once.

2. **Cutting of trees prohibited in certain cases.**— (1) No tree within thirty meters of the extreme edge of the bank of any water course, spring or a tank shall be cut, except with the previous, permission of the Collector.
(2) In any case not falling under sub-rule (1), no tree in any holding or part of a holding containing unculturable land or land in which economic cultivation of field crop is not possible shall be cut without the previous permission of the Collector, if the tree growth in that holding or part of the holding is less in proportion than twenty tree per acre.
(3) Any person committing a breach of this rule shall, in addition to any other consequences that would cause from such breach, be punishable with such fine not exceeding one thousand rupees as the Collector may, after giving such person an opportunity to be heard, deem fit to impose.

Explanation 1. — For the purpose of this rule, a water-course includes all streams, rivers, rivulets and nallas in which water is collected during the monsoon or otherwise and which usually retains water upto the end of December, but does not include small temporary channels formed by the run off of water during the monsoon.

Explanation 2.— If any question arises, whether any tree is within thirty meters of the extreme edge of the bank of any water course, spring or tank, or whether any holding or part thereof, contains any unculturable land or land in which economic cultivation of field crop is not possible, the question shall be referred to the Collector.

3. When cutting of such trees may be permitted.— (1) The Collector may, on an application made by the holder in that behalf, permit the cutting of trees referred to in rule 2, if—

(i) the trees or parts thereof are likely to cause any harm or damage to life or property or that there is likelihood of pollution of drinking water; or

(ii) the trees dead or dying; or

(iii) the removal of trees is in the best interest of the holder for the production of food crops which trees on culturable land under-regular food crops.

By order and in the name of the
Administrator of Goa, Daman
and Diu.

Notification

RD/LRC/245/69-71/XIV

In exercise of the powers conferred by sub-section (2) of Section 199 of the Land Revenue Code, 1968 (9 of 1969) and all other powers enabling him in that behalf the Lieutenant Governor of Goa, Daman and Diu is hereby pleased to make the following rules:

RULES-

1. Short Title and commencement.— (1) These rules may be called the Goa, Daman and Diu- Land Revenue (Alluvion and Diluvion) Rules, 1969.

(2) They shall come into force at once.

2. Duty of Talathi to ascertain and record increases or decreases due to alluvion and diluvion and report, to Mamlatdar.— (1) It shall be the duty of every Talathi to ascertain and report to the Mamlatdar and record the increases due to alluvion, and losses due to diluvion, in every holding subject to such changes.

(2) Where the area of any alluvial land or newly formed island, or of any abandoned river-ber, or of any land lost by diluvion exceeds the limits prescribed in sections 49 and 50, the Talathi shall also report such increases or decreases in the area of a holding to the Mamlatdar and act according to the orders passed by the Mamlatdar in relation thereto.

3. Holders of land with shifting boundaries may occupy upto such boundaries.— When a holding is bounded on any side by the bank or shore of a river, creek or nala, or of the sea, the holder may, subject to the provisions contained in sections 22, 49 and 50, occupy and use the land up to such bank or shore, notwithstanding that its position may shift from time to time.

4. Disposal of alluvial land.— (1) When alluvial land formed on any bank or shore, it shall be disposed of by the Collector in the manner provided in sub-section (1) of section 22.

(2) If the occupant of the bank or shore does not accept the offer made by the Collector and the alluvial land is not required for any public or Government purpose, it may be disposed of by public auction to the highest bidder.

5. Decreased in assessment on land lost by diluvion.— (1) If any portion of land in a survey number not being less than half hectare in extent, is lost by diluvion, the holder thereof shall be entitled to the proportionate decrease in the assessment. It shall be the duty of the Collector to determine the amount of assessment to be so decreased having regard to the total area of the survey number, its assessment and the area lost by diluvion.

(2) On reappearance of the land lost by diluvion in respect of which the assessment is decreased under sub-rule (1), the holder shall be liable, if the area on reappearance exceeds half hectare, in extent, to pay such proportionate assessment as may be similarly determined by the Collector.

By order and in the name of the Administrator of
Goa, Daman and Diu.

DR. 1 C. Almeida, Secretary, (Revenue)

Panaji, 16th February, 1971.

Notification

RD/LRC/245/69-71/XV

In exercise of the powers conferred by sub-section (2) of Section 199 of the Land Revenue Code, 1968 (9 of 1969) and all other powers enabling him in that behalf the Lieutenant Governor of Goa, Daman and Diu is hereby pleased to make the following rules:

RULES

1. **Short Title and commencement.**— (1) These rules may be called "The Goa, Daman and Diu Land Revenue (Partition of Holdings) Rules, 1969".

(2) They shall come into force at once.
2. **Application for partition.**— (1) An application by a co-holder for partition of his share in a holding under sub-section (1) of section 61 shall contain the following particulars :—
 - (a) the area of each field constituting the holding and its survey number and Hissa number recorded in the record of rights;
 - (b) the tenure of the holding, that is whether held as occupant Class I, Class II or Government losses;
 - (c) the land revenue of the holding;
 - (d) the names and addresses of the co-holders and the extent of their shares.
(2) The application shall be accompanied by a copy of entries in the record of rights.
3. **Issue of notice and proclamation.**— (1) On receipt of the application, the Collector shall hear the applicant in person on any day of which due notice shall be given to the applicant or on any day to which hearing may be adjourned; and if after hearing the applicant, it appears to him that the case does not fail under rule 10, he shall cause to be served in accordance with the provisions of section 173, a notice in Form A appended to these rules on all the other co-holders requiring them to appear before him and state their objections, if any, on a day to be specified in the notice which shall not be less than thirty or more than sixty days from the date of the issue of the notice on each such co-holder.

(2) The Collector shall also cause a proclamation in form 'B' appended to these rules, to be published. A copy of such proclamation shall be posted at the head-quarters of the Taluka, and in the village in which the holding is situated; and if necessary, to the Co-operative Bank or the Land Development Bank or both operating within the area in which the holding is situated.

4. **Power of Collector to reject partition.**— If after hearing the applicant, the co-holders and any other persons who appear, it appears to the Collector that there is sufficient reason for disallowing the partition, he may, by order in writing stating the reasons, reject the application.
5. **Issue of notice and proclamation.**— If the Collector does not reject the application, he shall proceed to effect the partition either personally or through such agency as he may appoint. So far as practicable, whole survey numbers or sub-division of survey numbers shall be allotted and recourse to further division of sub-division should be taken only in rare cases. Compact areas of land should, as far as possible, be allotted to each party and care should be taken to ensure that the productivity of the area allotted to each party is in proportion to his share in the holding.
6. **Apportionment of assessment.**— The assessment of the holding shall be distributed in proportion to the shares held in the holding by the co-holders, so however that when the total assessment of all the sub-divisions of any survey number in such holding falls, short of, or exceeds, the whole assessment of that survey number, the difference shall be equitably distributed over the sub-divisions by addition or deduction in the assessment so as to make the total equal to the assessment of the parent survey number.
7. **Procedure before confirmation of partition.**— After the partition has been completed, the Collector shall hear any objections which the parties may make, and shall either amend or confirm the partition. The partition shall take effect from the commencement of the agricultural year next following the date of such amendment or confirmation of the partition.

- 8. Recovery of expenses of partition.**— Expenses of partition shall be recoverable by the Collector from the parties in the manner provided in sub-section (5) of section 61.
- 9. Partition under decree of civil court.**— When any holding is ordered to be partitioned under any decree or order of a civil court, the provisions of rule 5, 6 and 7 shall apply as they apply in relation to partition of a holding on the application of a co-holder.
- 10. Saving.**— No holding shall be partitioned under the provisions of these rules, if such partition results in creating a holding less in extent than the standard area determined by the Government under the provisions of any law for the prevention of fragmentation and consolidation of holdings.

Notification

RD/LRC/245/69-71/XVI

In exercise of the powers conferred by sub-section (2) of Section 199 of the Land Revenue Code, 1968 (9 of 1969) and all other powers enabling him in that behalf the Lieutenant Governor of Goa, Daman and Diu is hereby pleased to make the following rules:

RULES

- 1. Short Title and commencement.—** (1) These rules may be called "The Goa, Daman and Diu Land Revenue (Record of Rights and Register of Cultivators) Rules, 1969".

(2) They shall come into force at once.

2. Definitions.— In these rules, unless the Context requires otherwise,—

(a) "Code" means the Goa, Daman and Diu Land Revenue Code, 1968;

(b) "Form" means a form appended to these rules.

3. Form of Record of Rights.— A record of rights to be maintained in every village under section 95 shall be in the form of a separate card in Form I for each survey number or, as the case may be, subdivision of a survey number or where the land is not surveyed, for each field.

4. Other particulars to be included in the Record of Rights.— The other particulars to be included in a record of rights shall be as follows:—

(a) the land revenue assessment payable in respect of the land;

(b) the tenure on which the land is held, that is to say whether the land is held as occupant Class I or Class II, Government- lessee, owner, etc.

provided that, where the person acquiring the right is a minor or otherwise disqualified, his guardian or other person having charge of his property shall make the report to the Talathi.

Provided further that, any person acquiring a right with the permission of the Collector or by virtue of a registered document shall be exempted from the obligation to report to the Talathi.

Provided also that, where a person claims to have acquired a right with the permission of the Collector where such permission is required under the provisions of any law for the time being in force, such person on being required by the Talathi so to do, produce such evidence of the order by which such permission is given.

Explanation I. — The rights mentioned above include a mortgage without possession but do not include an easement or a charge not amounting to a mortgage of the kind specified in section 100 of the Transfer of Property Act, 1882.

Explanation II. — A person in whose favour a mortgage is discharged or extinguished, or lease determined acquires a right within the meaning of 96 section.

Explanation III. — For the purpose of the Chapter VIII of the Goa, Daman and Diu Land Revenue. Code, 1968 the term "Talathi" includes any person appointed by the Collector to perform the duties of a Talathi under this Chapter.

5. Issue of notice.— (1) When the Record of Rights is to be introduced in any village for the first time, the Talathi shall issue a public notice in Form II calling upon all persons who have any interest in the lands in the village to furnish to him either in writing or orally information on all or any of the following points within one month from the date of the public notice:—

(i) Survey number and sub-division number if any, of the land (or where the lands are not surveyed, the name of the field and its boundaries) in which he has any interest as holder, occupant, owner,, tenant, landlord, mortgagee, Government lessee or in any other manner.

(ii) The nature of interest in the land.

(iii) The tenure on which the land is held, that is to say whether the land is held as owner, occupant class I or II or Government lessee.

(iv) The encumbrance or charge, if any, on the land and the name of the holder of such encumbrance or charge.

(2) The aforesaid notice shall be published in the village by beat of drum and by affixing copies thereof in a conspicuous place in the village and where there is a village panchayat in the office of the village panchayat.

6. Preparation of Index of Lands.— (1) The Talathi shall on the basis of the information received under section 96 and 97 or such information as he may collect by making local inquiry prepare a draft of the Index of land in the village in Form III.

(2) The draft of the Index of lands prepared under sub-rule (1) shall, after being checked by the Revenue Inspector or a Survey

Officer not below the rank of a Revenue Inspector, be publishing by issuing a notice in Form IV and publishing the notice in the manner provided in sub-rule (2) of rule 5. The notice shall call upon all persons having interest in the lands in the village to inspect the draft, which shall be kept open for inspection for a period of thirty days on the dates and times and at a place (which shall be convenient to the villagers) to be specified in such notice and to submit to him in writing within one month from the last date for inspection specified in the said notice their objections, if any, to any of the entries in the draft. The notice shall also mention the date (such date being not earlier than one month from the expiry of the period specified for submission of objections) on which the entries in the draft will be read aloud in public and the objections received within the prescribed period shall be inquired into decided by a Survey Officer or as the case may be, a Revenue Officer not below the rank of an Awal Karkun and call upon the persons having interest in lands to be present at the aforesaid occasion.

(3) If from the objection received by the talathi under sub-rule (2), he finds that disputes exist relating to entries in respect of certain lands, he shall enter such disputes in a register of disputed cases, which shall be maintained for each village in Form V. He shall simultaneously give individual notice in Form VI to each person who appears to him to be interested in the disputed entry, informing him of the dispute and calling upon him to be present on the date the dispute is to be heard and decided.

(4) On the date specified in the notice issued under sub-rule (2), the Revenue or Survey Officer concerned shall at the appointed place and time read aloud in the presence of the persons assembled, the draft of the Index of lands for the village. He shall then inform them of the lands in respect of which disputes have been raised and ask them whether they admit the entries in respect of the remaining lands. If they admit such entries the officer shall make a remark to that effect in the remarks column of the draft. If in respect of any entry any error is pointed out and is admitted by all concerned, the entry shall be corrected and a remark made to that effect in the remarks column. If a dispute is raised in respect of any entry it shall be entered in the register of disputed cases.

(5) Thereafter the officer concerned shall, after verifying whether the talathi has given individual notices under sub-rule (3), proceed to

decide the disputed cases entered in the register of disputed cases record therein his decision in respect of each dispute. The decision shall be announced to the persons assembled.

(6) The entries in the draft of the Index of lands shall be corrected in red ink by the talathi in the light of the decisions given under sub-rule (5).

- 7. Promulgation of record of rights.**— (1) The corrected draft shall be published by issuing a notice in Form VII and publishing the notice in the manner provided in sub-rule (2) of rule 5. The notice shall call upon all persons having interest in the lands in the village to inspect the draft, which shall be kept open for inspection for a period of fifteen days on the dates and times and at a place (which shall be convenient to the villagers) specified in such notice and informing them that the draft will be finalized and the record of rights promulgated by a Revenue or Survey Officer not below the rank of Deputy Collector on the date and time to be specified in such notice, after hearing any appeals against the decisions taken in the disputed cases. The notice shall also call upon the persons aggrieved by the decisions in the register of disputed cases to hand over to the talathi before the aforesaid date their appeal petitions. On receipts of such petition the talathi shall give notice about the receipt of such petition to the other parties who are interested in the land and call upon them to be present on the date, the appeal petition is to be decided.

(2) On the appointed date and time, the officer concerned shall consider all the appeal petitions received by the talathi within the prescribed period and shall decide them after hearing the parties. He shall then get the entries in the draft further corrected in red ink in accordance with the decision given by him on the appeal petitions and shall sign it at the end after adding a certificate that it has been duly approved by him. He shall direct the talathi to transfer the entries in respect of each survey number or sub-division of the survey number or in respect of each field where the land is not surveyed, in the draft so corrected to the record of the sub-division of survey number or the field, as the case may be, and proclaim to the villagers that the record of rights so prepared shall be the record of rights of the village.

8. Mamlatdar responsible for maintenance of record of rights.— The Mamlatdar shall be responsible for the maintenance of the record of rights in all villages within his jurisdiction and for that purpose for the timely and systematic compliance of the provisions hereinafter appearing.

9. Acknowledgement of reports under section 96 and Register of Mutations.— (1) On receipt of a report either orally or in writing under section 96 about acquisition of rights in land, the talathi shall at once acknowledge its in Form VIII and enter the mutation in the mutation register in Form IX maintained for each village.

(2) As soon as an intimation sent to him by the registering officer under section 102 is received, the talathi shall make a separate entry in the mutation register about the mutation made by each document mentioned in such intimation.

(3) Where the acquisition of rights in any land is as a (result of transfer of such land and such transfer cannot be made without the previous permission of any officer of Government, the talathi shall require the person making the report to him under section 96 to produce before him such permission or such evidence of the order by which such permission is given, within fifteen days. If such permission or evidence is produced the talathi shall record this fact at the end of the entry in column 2 of the mutation registers. If the permission is obtained but not produced or not at all obtained the talathi shall record this fact as aforesaid.

(4) Whenever the talathi receives from the Mamlatdar, the Director of Settlement and Land Records of officers superior to him :—

(h) any intimation about the passing of any order as a result of which mutation has taken place; or

(ii) any intimation about hypothecation of any land for tagai loan;

he shall make an entry about the mutation in the mutation register.

10. Notice of mutation and pencil entries in record of rights.—

As soon as an entry is made in the mutation register the talathi shall at the same time post up a complete copy of the entry in a

conspicuous place in the village. He shall also simultaneously give notice in Form X to all persons appearing from the record of rights or mutation register to be interested in the reason to believe to be interested therein, requiring them to submit to him either orally or in writing the objections, if any, to the entry in the mutation register, within fifteen days from the receipt of such notice. He shall also provisionally give effect to the mutation entry in the record of rights by bracketing the old entry in pencil and by writing in pencil below it the entry as modified by the mutation entry and followed by the serial number of the said mutation entry:

Provided that where the mutation entry is made as a result of clause (ii) of sub-rule (4) of rule 9, it shall not be necessary to give written intimation under this rule.

- 11. Acknowledgement of objections.**— The talathi shall acknowledge the objections received under rule 10 and shall also enter them in the register of disputed cases.
- 12. Mutation register to be examined by the Revenue Inspector.**— (1) The Revenue Inspector shall visit the village and examine any entry made by the talathi in the mutation register and see if copies of every entry have been properly served under rule 10, or not. The Revenue Inspector shall give intimation of the date and time of such visit, sufficiently in advance to the talathi who shall inform the persons interested in the relevant mutation entries about such visit and call upon them to remain present at a prominent place in the village when the Revenue Inspector visits the village.
 - (2) On visiting the village at the appointed time, the Revenue Inspector shall read out aloud each mutation entry and explain it to the persons present. He shall also ask the persons interested in the relevant entry to state whether they admit the entry or whether they have any objection to it. If any objection is raised, the objection shall be entered by him in the register of disputed cases.
 - (3) The Revenue Inspector shall initial the entries in the mutation register in respect of which no objection is received by the talathi or by him under sub rule (2). Where the entry is admitted by the persons interested, the fact shall be noted by him in column 4 of the mutation register.

(4) If in respect of any entry in the mutation register, an error is noticed by the Revenue Inspector or is pointed out to him by any one present, and such entry who may be present or if such persons be not present, the Revenue Inspector is himself satisfied about the existence of such error, he shall correct the error by bracketing the erroneous entry and inserting the correct entry by interlineation or side not or by an entirely fresh entry, in either case authenticated by his signature. If the error is not admitted, he shall enter the dispute in the register of disputed cases.

13. Certification of mutation entries and disposal of dispute.—

(1) The disputes entered in the register of disputed cases and the entries in the mutation register shall be certified in the village or in its neighbourhood by a revenue or survey officer not below the rank of an Awal Karkun as far as possible within one year from the date of making the entry in the register. For this purpose the certifying officer shall give intimation in Form XI to the talathi sufficiently in advance.

(2) On receipt of the intimation the talathi shall issue notices in Form XII to the persons interested in the mutation entries to be certified and the disputes entered in the register of disputed cases at least fifteen days before the date fixed for certification of the mutation entry asking them to be present at the appointed time and place and further informing them that if they fail to remain present, the dispute will be decided and the mutation entries will be certified by the certifying officer in their absence.

(3) At the appointed time and place the certifying officer shall read out the mutation entries which are undisputed in the presence of the parties interested in such entries who may be present. If the correctness of an entry is admitted, the certifying officer shall record such admission in the mutation register and add an endorsement under his signature that the entry has been duly certified. If an error is noticed in the entry by the Certifying Officer and such error is admitted by the persons interested who may be present, the Certifying Officer shall correct the entry and certify the corrected entry as aforesaid.

(4) The Certifying Officer shall then decide each dispute entered in the register of disputed cases by holding a summary inquiry and shall record his decision in the said register. He shall also

record in column 4 of the mutation register the order passed by him about the mutation entry in such decision and further make an endorsement under his signature to the effect that the mutation entry as modified by his order is certified by him.

(5) Where the mutation entry is made as a result of clause (ii) of sub-rule (4) of rule 9, the Certifying Officer shall certify the entry after verifying it.

14. Giving effect to the certified entries in mutation register in record of rights.— (1) Immediately after the mutation entry is certified under rule 13, the talathi shall give effect to the mutation entry as certified in the record of rights in the following manner:—

(i) Where the entry made in pencil in the record of rights remains unaltered by the mutation entry as certified, the talathi shall ink out the entry; and

(ii) Where the entry made in pencil in the record of rights is altered by the mutation entry as certified, the talathi shall erase the entry made in pencil and write in ink the correct entry in conformity with the certified mutation entry.

(2) Where more than one mutation of an entry in the record of rights may taken place prior to the certification, each such mutation shall be transferred to the record of rights in the manner provided in sub-rule (1) in the order of occurrence of the mutations.

15. Intimation of transfers by registering officer and giving effect to such transfer in record of rights.— (1) When any document purporting to create, assign or extinguish any title to, or any charge on, land used for agricultural purposes, or in respect of which a record of rights has been prepared is registered under the Indian Registration Act, 1908, the officer registering the document shall sent intimation to the Talathi of the village in which the land is situated and to the Mamlatdar of the Taluka, in Form XIII separately in respect of lands included in each village. Such intimation shall be given in the first week of each month for the documents registered in the preceding month. While sending the intimation to the talathi, it shall be sent in duplicate.

(2) On receipt of an intimation under sub-rule (1), the talathi shall immediately take action as if the intimation was a report made to

him under section 96 and the provisions of rules 10 to 14 shall *mutatis mutandis* apply except that it shall not be necessary for the talathi to acknowledge receipt as provided in sub-rule (1) of rule 9. The talathi shall also enter the mutation entry number (s) in the «remarks» column of the duplicate copies of the intimation received under sub-rule (1) and return one copy to the Mamlatdar.

16. Register of cultivators and crops.— A register showing the names of persons who have cultivated the lands in a village, the crops grown therein and the area in which they are grown and where the lands are not cultivated, the names of persons in actual possession shall be maintained in every village. It shall be in the form of a separate card in Form XIII in respect of each survey number or sub-division of a survey number and shall be printed below the record of rights in Form I. Entries in the register shall be made every year in the manner provided in rules 17 and 18.

17. Procedure of making entries in register of cultivators and crops.— (1) Every year at any time during the period when the crops grown in the village are standing in the fields, the talathi shall visit the village for the purpose of inspection of the crops and making entries in the register of cultivators and crops.

(2) The talathi shall give intimation of the date of his visit to the village for the purpose of sub-rule (1) to the Sarpanch of the village panchayat at least seven days in advance and shall request him to arrange to inform the villagers by beat of drum or by any other suitable method about the date (s) of visit of the talathi and its purpose and to call upon the villagers to be present in their fields and witness the entries being made in the register of cultivators and crops. He shall also request the Sarpanch to request the members of the village panchayat to accompany him during the crop inspection.

(3) On the appointed date (s) the talathi shall visit every field in the village in the presence of the members of the village panchayat and the villagers who agree to accompany him and make entries in the register of cultivators and crops in respect of each survey number or sub-division of a survey number, he shall allow the persons interested in land to see the entries made by him in respect of the land in which they are interested.

(4) For ascertain the person who has cultivated a survey number or sub-division of a survey number or where the land is uncultivated of the person in actual possession, the talathi shall question the person who may be present in the land and also the villagers who accompany him. Where there is no dispute about such person, and where such person is also a person who according to the entries in the record of rights is entitled to cultivate the land or as the case may be, to be in actual possession, the talathi shall make entries in ink in the register in respect of that land.

(5) Where there is a dispute or disagreement about such person or where such person is other than the person who according to the entries in the record of rights is entitled to cultivate the land or as the case may be, to be in actual possession and such person is able to produce before the talathi documentary evidence in support of his possession of the land, the talathi shall make, an entry in ink in respect of such land and shall also keep in column (17) of the register a not about the document produced in support of his possession. If the person is unable to produce such documentary evidence, the talathi shall make the entries in columns (2) and (3) of the register relating to such land in pencil and the remaining entries in ink. He shall also make a note in pencil in column (17) of the register about the dispute or discrepancy in possession.

18. Finalizing entries in register of cultivators and crops.— (1) As soon as may be after the talathi has made entries in the register of cultivators and crops, the Revenue Inspector or any Revenue Officer superior to him shall visit the village for the purpose of finalizing the entries made in pencil under sub-rule (5) of rule 17 and for hearing the objections, if any, to the entries relating to crops made in the register by the talathi. He shall give intimation of the date of his visit to the talathi and the Sarpanch of the village at lease seven days in advance. The Talathi shall arrange to inform all persons interested in the pencil entries of the officer's visit and shall call upon them to remain present at the appointed place and at the appointed time if they have any objection to the pencil entry

In exercise of the powers conferred by sub-section (2) of Section 199 of the Land Revenue Code, 1968 (9 of 1969) and all other, powers enabling him in that behalf the Lieutenant Governor of Goa, Daman and Diu is hereby pleased to make the following rules:

RULES

1. **Short Title and commencement.**— (1) These rules may be called the Goa, Daman and Diu Land Revenue (Assessment and Settlement of Land Revenue of Agricultural Lands) Rules, 1969.

(2) They shall come into force at once.

2. In these rules, unless the context requires otherwise— .

(a) "Chavdi" means, a local village panchayat office or convenient and centrally located public place as the Collector may direct;

(b) "code" means the Goa, Daman and Diu Land Revenue Code, 1968;

(c) "Director" means the Director of Settlement and Land Records;

(d) "Section" means section of the Goa, Daman and Diu Land Revenue Code, 1968;

3. **Formation of Zones.**— For purposes of settlement of agricultural land in any part of the union territory of Goa, Daman and Diu, the Director shall with the approval of the Government, divide the lands under settlement into zones in accordance with the provisions of clause 41 of section 2.

4. **Formation of Groups.**— In making settlement, the settlement officer shall, with the sanction of the Director, divide the lands in the zone constituted under rule 3 into groups having regard to the provisions of sub-section (2) of section 69 and shall hold an inquiry in the manner prescribed in rule 5.

5. **Enquiry by the Settlement Officer.**— The Settlement Officer shall examine fully the past revenue history of the zone, the impact of development activities undertaken by the Government and assess the general effect of the incidence of assessment on the social and economic conditions of the people in the zone. He shall collect information relating to the zone in respect of the following manner.

(i) *Physical Configuration.*— The Settlement officer shall base the information on observations made by him personally;

(ii) *Climate and rainfall.* The Settlement officer shall base the information as regards climate on personal observations made by him by making local inquiries in the zone. He shall collect statistics of rainfall for thirty years preceding the year in which the settlement

inquiry is held from the Director of Agriculture and compile the same in Form 1. He shall also collect information regarding the seasonal conditions of the zone from the Director of Agriculture and verify it by reference to reports relating to the zone, if any, issued by Government.

(iii) Prices: The Settlement officer shall base the information about the wholesale prices per quintal and retail prices per Kilogram of the principal crops which prevailed at each marketing centre in the zone for the last 10 years or such lesser number of years as the case may be, from the Director of Agriculture and compile it in Form 2. Where more varieties than one of any crops are grown, the prices of such varieties as may be specified by the Director shall be obtained :

Provided that in places where the Director of Agriculture is not able to furnish such information, such prices for agriculture produce at marketing centre used by the producers may be collected by local inquiry;

Provided further that if during the aforesaid period, the prices of crop had been controlled by the Government for any period then in respect of such crop prices shall be collected for the period during which the prices were not so controlled.

The Settlement Officer shall thereupon work out the average of the wholesale prices so collected in respect of each marketing centre and compile it in Form 3.

The Settlement Officers shall thereafter calculate on the basis of information collected in Form 3, the average wholesale prices of the crops in respect of the villages in the group selected under clause (iv) and compile it in Form 4. The average price so determined shall be called the Settlement price for the group.

(iv) Yield of principal crops : For the purposes of this clause, the Settlement Officer shall, with the previous sanction of the Director, select such number of villages in the group as may not be less than 25 percent of the total number of villages in the group. In respect of the villages so selected the Settlement Officer shall collect from the Collector and the Director of Agriculture, the information regarding the result of crop cutting experiments recorded by them for the last ten years or for such lesser number of years, as the case may be. He shall also try to ascertain by crop cutting experiments or by

examination of yield per Hectare of the principal crops grown on each class of land not having extra advantages such as wells, alluvial deposits, and irrigation. He shall tabulate the information so collected in Forms 5 and 6 in respect of each of the aforesaid villages showing the average yield per Hectare and therefore calculate the average yield per Hectare for all the selected village which will be the average for the group. He shall then calculate the cash value of such average yield at the settlement price determined under clause (iii).

(v) *Markets*: The Settlement officer shall base the information on personal observations made by him;

(vi) *Communications*: The Settlement officer shall base the information on personal observations made by him;

(vii) *Standard of husbandry*: The Settlement officer shall base the information on personal observations made by him;

(viii) *Population and supply of labour* : The Settlement officer shall collect information about population according to occupation and supply of labour from the last census report and shall compile the information regarding population in Form 7. He shall also ascertain the conditions as regards supply of labour in each of the villages selected by him for purposes of clause (iv);

(ix) *Agricultural resources* : The Settlement officer shall obtain information regarding figures of live stock, agricultural implements and other agricultural resources from Mamlatdar and shall compile it in Form 8;

(x) *Variations in the area of occupied and cultivated lands during the last thirty years*: The Settlement officer shall obtain the information from the Mamlatdar and shall compile it in forms 9 and 10.

(xi) *Wages* : The Settlement officer shall obtain the necessary information from the Mamlatdar and verify the information about wages current during the year of enquiry from personal observations. He shall compile the information in form 11.

(xii) *Ordinary expenses of cultivating principal crops, including the value of the labour in cultivating the land in term of wages* : The information shall be collected on the basis of crop cutting

experiments referred to in clause (iv) or by examining the accounts of individual agriculturists. The result shall be recorded in the form of a statement of income and expenditure showing the net profit per hectare.

- 6. Determination of average yield and fixation of standard rate.**— On the basis of the information collected after inquiry under rule 5, the Settlement Officer shall first determine the average yield of crops of lands in each group and fix the standard rate of assessment for each group in accordance with the provisions in clause (32) of section 2.
- 7. Settlement report.**— (1) The Settlement Officer shall incorporate the information collected by him in regard to the matters specified in rule 5 in his settlement report. The report shall contain the reasons for his proposals and a statement in Form 12 showing the effect of his proposals as compared to that of the settlement then in force;

(2) The Settlement Officer shall send three copies of the report submitted by him to the Collector under sub-section (5) of section 71 to the Director who shall arrange for its translation in Marathi and have it printed.
- 8. Report to be published in each village.**— The settlement report shall be published by the Collector in each village concerned in Konkani, Marathi and English by posting it along with the notice in Form 13 as required by sub-section (2) of section (72) for three months in the chavdi or other prominent public place in such village and also at the taluka office.
- 9. Report to be forwarded to the Government.**— After the expiry of the three months from the date of the notice published under sub-section (2) of section 72, the Collector shall (as soon as may be) forward the settlement report and the applications of objections, if any, received by him together with his remarks thereon to the Director who shall send them with his own remarks to the Government.
- 10. Notice of introduction of Settlement.**— (1) The notice under section 75 shall be in Form 14 and shall be published by the Collector in each village concerned in Konkani, Marathi and English

By posting it in the chavdi or in the other prominent public place in such village and by beat of drum.

(2) Such notice shall also be published by the Government in the Official Gazette.

11. Assessment of individual survey numbers and sub-division.— (1) When standard rates of assessment have been sanctioned by the Government, the assessment to be imposed on each survey number or sub-division shall be determined according to the relative classification value of the land comprised therein, in accordance with the tables of calculations prepared by the Director

(2) The assessment to be imposed on each survey number or sub-division after a revision settlement shall be worked out by increasing or decreasing the old assessment in the same proportion as there is an increase or decrease in the new standard rates over the existing maximum or standard rates in respect of such land:

Provided that if the classification value of the land comprised in such survey number or sub-division is changed or there are other ground and sufficient reasons, the assessment shall be calculated in accordance with the provisions of sub-rule (1).
