Subject: Guidelines for allocation of registration under GOV.IN domain.

Ref: Office Order vide No. 7(3)/04-CC&BT dated 20th November, 2004

Background: Department of Electronics and Information Technology (hereby referred to as the “Department”) on 20th October, 2004 formulated the “.IN” Internet Domain Name Policy Framework and Implementation guidelines. This covered the following aspects:

2. An order was issued in this effect stating National Informatics Centre (hereby referred to as the “NIC”) as the authorized registrar for the domain zone .GOV.IN for registering domain names under Government Departments/Ministries/States and Union Territories vide No. 7(3)/04-CC&BT dated 20th November, 2004 (**Annexure- I**). NIC has been issuing GOV.IN based on internal guidelines, however some shortcomings and concerns have been noticed w.r.t the issue of GOV.IN guidelines considering the fact that GOV.IN provides legitimacy to the domain as a Government organization, it is felt that there is a need to clearly spell out the eligibility of organisation which would be entitled to “GOV.IN” domain.

 - VI. Projects/Schemes/Events/Committees of Ministries/Departments fully funded by Govt. of India/Governments of States which constitute the Union of India/Local Self Governments (as provided under **3.1(IV) & 3.1(V)**) Law enforcement agencies:
 - a) Supreme Court of India as established by Part V, Chapter IV of Constitution of India
 - b) High Courts for the states established under Article 214 of the Constitution of India.
 - VII. Subordinate Courts including but not limited to all district courts established by State Governments in India.
 - VIII. All other bodies created by law, by the assent of Government of India or by the Governments of States of Union of India to perform any other judicial/quasi-judicial functions such as Lok Adalats, Tribunals etc.
 - IX. All the other Legislative bodies and attached institutions of the Government of India.
 - X. Commissions/Councils created by or under the Constitution of India, statute/executive order of the Government of India or by the executive order of the Governments of states which constitute Union of India.
 - XI. Autonomous Societies/Bodies of the Government of India and Governments of States which constitute Union of India. Projects/Schemes/Events/Committees of Ministries/Departments partially funded by Government. of India/ Government of States which constitute Union of India.

3.2 A separate committee comprising of Director (DeitY), representative of NIC & representative of National Internet Exchange of India (NIXI) will look after the assigning of GOV.IN domain names of the residual cases as well as in case of rejection in the above categories mentioned in **Para 3.1 Sl. No. XI**.

3.3 Individual Person's name based domain shall be ineligible for registration under "GOV.IN"

3.4 Educational Institutions, Research and Academic Institutions, which otherwise eligible for registration under “.GOV.IN” are recommended to apply for EDU.IN, RES.IN and AC.IN domains.

3.5 Financial Institutions / Banking Institutions / Banks / PSU Banks shall not be otherwise eligible “.GOV.IN” Domain unless sanctioned by the Government of India in exceptional cases.

3.6 Domain names will be allocated for 2 years initially for **Sl. Nos. VI & XI at 3.1** above and for rest it will be allocated for 5 years. Further renewal will be done for 1 year for **Sl. Nos. VI & XI at 3.1** above and for remaining renewal will be done for 2 years.
