

PRESS NOTE

Online Consent & Authorization Management

by Pollution Control Committee DD & DNH

(A step towards Ease of Doing Business)

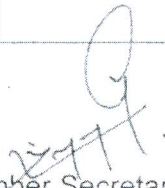

Pollution Control Committee, Daman & Diu and Dadra Nagar Haveli have taken many steps towards Ease of Doing Business in the line of thinking & policy of the Government of India. In order to further enhance the efficiency of working and bringing transparency in the Governance, the Online Consent Management & Monitoring System (OCMMS) has been developed by the help of NIC, New Delhi under Ministry of Environment, Forest & Climate Change.

The Online Consent Management & Monitoring System will facilitate the industries to apply for Consent to Establish (CTE) and Consolidated Consent & Authorization (CCA) online and CTE/ CCA order can also be received online. The entrepreneur can also track the movement of their files through OCMMS. This system will go a long way in not only bringing transparency in the governance but also will enhance the efficiency of the department & will result in faster delivery of services.

In this regard a prior to initiate Consent & Authorization management through OCMMS a training programme is organised by the Pollution Control Committee, Daman & Diu and Dadra Nagar Haveli along with the NIC Delhi, MoEF & CC for representatives of industries & Hotel units of the UT's of Daman and Dadra Nagar Haveli.

Details pertaining to schedule of training regarding use of OCMMS;
