Terms and Conditions of Authorization

1. The authorization shall comply with the provisions of the Environment (Protection) Act, 1986, and Hazardous Waste (Management and Handling) Rules, 1989 and amendments made there under. In case of failure to comply with the rules, the authorization and consent orders issued under Water and Air Acts shall be revoked without any notice.
2. The authorization of its renewal shall be produced for inspection at the request of an officer authorized by the Pollution Control Committee.
3. The person authorized shall not rent, lend, sell, transfer or otherwise transport the hazardous wastes without the prior permission of the Pollution Control Committee.
4. Any unauthorized change in personnel, equipment as working conditions as mentioned in the application by the person authorized shall constitute a breach of his authorization.
5. It is the duty of the authorized person to take prior permission of the Pollution Control Committee to close down the facility.
6. An application for the renewal of an authorization shall be made as laid down in rule 5 (6) (ii).
7. The applicant shall submit annual returns to Pollution Control Committee regarding disposal of Hazardous Wastes in Form 4 of Hazardous Wastes (Management and Handling) Rules, 1989 and amendments thereof.
8. The applicant shall submit steps taken, wherever feasible, for reduction in the waste generated or recycled or reused in an environmentally sound manner so as not to cause any damage to the surrounding environment.
9. The applicant shall manage Hazardous Wastes in an environmentally sound manner so as not to cause any damage to the surrounding environment.
10. This authorization shall be suspended or cancelled, if in the opinion of the Pollution Control Committee, the authorized person failed to comply with any of the conditions of the authorization or with any provisions of the Hazardous Waste (Management and Handling) Rules, 1989 and amendments thereof.
11. The applicant shall ensure that the hazardous wastes are packed in a manner suitable for handling, storage and transport. The labeling and packaging shall be easily visible and be able to withstand physical conditions and climatic factors under the Motor Vehicles Act, 1988 and other guidelines issued from time to time.
12. Packaging, labeling and transport of hazardous wastes shall be in accordance with the provisions of the rules under the Motor Vehicles Act, 1988 and other guidelines issued from time to time.
13. The hazardous waste containers shall be provided with a general label as given in Form 8 of Hazardous Waste (Management and Handling) Rules, 1989 and amendments thereof.
14. The applicant shall provide the transporter (of hazardous wastes) with six copies of the manifest (Form 9) as per colour codes. The transporter shall give a copy of the manifest signed and dated to the applicant and retain the remaining copies to be used as prescribed in sub-rule (5).
15. The applicant shall provide the transporter with relevant information in Form 10 regarding the hazardous nature of wastes and measures to be taken in case of an emergency.
16. The applicant shall obtain necessary no-objection certificate from State Pollution Control Boards or Pollution Control Committees in the respective states involved in case of any inter and intra State transport of hazardous wastes.
17. The applicant is permitted to sell the hazardous wastes or materials only to those who obtained authorization from State Pollution Control Boards or Pollution Control Committees in the respective states to use the said material for the material. The documents in this regard shall be submitted to the Pollution Control Committee before selling the material.
18. The applicant shall maintain records of collection, reception, treatment, transport, storage and disposal of Hazardous Wastes in Form 3 of Hazardous Wastes (Management and Handling) Rules, 1989 amendments thereof.
19. The applicant shall inform the Pollution Control Committee in case of an accident at the facility or on the disposal of or during transportation of Hazardous Wastes in Form 5 of Hazardous Wastes (Management and Handling) Rules, 1989 and amendments thereof.
20. Import and Export of hazardous wastes for dumping and disposal shall not be permitted.
21. This authorization is not valid for importing Hazardous Wastes.
22. The movement of hazardous wastes from or to the country shall be considered illegal (i) if it is without prior permission of the Central Government; or (ii) if the permission has been obtained through falsification, mis-representation or (iii) if it does not conform to the shipping details provided in the document.
23. The applicant shall apply to Pollution Control Committee for importing hazardous/recyclable wastes as raw material in Form 6 of Hazardous Wastes (Management and Handling) Rules, 1989 and amendments thereof.
24. The applicant is not permitted to export Hazardous Wastes without the prior permission of Govt. of India.
25. The applicant shall be liable (i) for damages caused to the environment resulting due to improper handling and disposal of hazardous wastes, (ii) to reinstate or restore damaged or destroyed elements of the environment & (iii) to pay the amount as levied by Pollution Control Committee for any violation of the provisions under Hazardous Wastes (Management and Handling) Rules, 1989 and amendments thereof.
26. The industry shall become the member of the TSDF located at Sr. No. 9/1, at Village Mota Randha, Silvassa operated by GEPIL DNH within thirty days from the date of the issue and submit the copy of the same to the PCC, Daman. If the industry fails to comply the same the authorization shall be revoked.
27. The industry shall dispose their waste to TSDF facility only located at above place.
