

The unit has submitted application for grant of consent to Operate under water and air act on 15/03/2016 along with the following documents;

- Application form no. XIII under Water Act.
- Application form no. I under Air Act.
- Declaration giving details of capital investment including land, building and plant & machinery without description.
- Consent fees under water and air act for Rs 30,000/-.
- Display sign board.
- Application for authorization to handle Hazardous Waste (form-I).
- Industry Data Sheet.
- Copy of Consent to Establish under Water and Air Act.

The unit was inspected on 28/03/2016 at 17:00 hrs. At the time of inspection of the unit following observations were noted:

- Environmental display sign board was not found during the time of inspection at entrance gate of the unit.
- The unit was in operation at the time of inspection.
- Raw materials used in manufacturing process were same as mentioned in the attached documents along with consent to establish application.
- Products being manufactured were writing instruments such as ball pen.
- At the time of inspection machineries found installed in the unit were 11 printing machines, 28 injection moulding machines, 2 compressors, 2 cooling towers, 2 grinders, 10 assembling machines, 2 inc refilling machines and a ball point fitting machine.
- Manufacturing process involved in the unit were injection moulding, inc refilling, printing and assembling of all parts of the writing instruments.
- Housekeeping was good.
- Proper storage facilities were available for raw material and products.
- The unit is not significant to pollution potential. As there is no water used during any stage of process.
- The unit was availed with septic tank and soak pit for domestic waste water generation.

In view of the above, a quarry letter is prepared and placed in the file regarding installation of environmental display sign board at entrance gate.

Submitted for your kind perusal and further needful, Sir please
