

No. 4/05/COL/DM/N/Cyclon/1/2020/ 72

Dated :02/06/2020

**ORDER**

The Indian Metrological Department, Earth System Science Organisation (Ministry of Earth Sciences), New Delhi has informed that there is depression which is very likely to intensify into a Deep Depression over Eastcentral and adjoining Southeast Arabian Sea and intensify further into a Cyclonic Storm over Eastcentral Arabian Sea. It is very likely to move nearly northwards initially and then recurve north-northeastwards and cross north Maharashtra and south Gujarat coasts between Harihareshwar (Raigad, Maharashtra) and Daman during evening / night of 3<sup>rd</sup> June.

In view of the upcoming cyclone, it is hereby ordered that all the Industries shall ensure the following safety measures:-

1. All the Industries in Daman are directed to declare **03.06.2020** as a Weekly Off to all the employees / workers and no Industries shall remain open.
2. The valve of the tanks storing any hazardous chemical or gases shall be properly shut.
3. All the tanks shall be adequately tightened and shall be kept in isolated storage area. Adequate collection facility should be provided to ensure that the chemicals do not spill out. Neutralisation facility for the chemical shall be provided.
4. No cylinders are kept in open space and they shall be suitably stored in proper storage area.
5. All cars and vehicles shall be put in hand brake condition and wheel should be locked and the car shall not be parked in open space.
6. All Factories using hazardous chemicals shall inform the Undersigned about the safety aspects and precautions taken.
