As per the section 3(k) of RFCTLARR Act 2013, “Displaced Family” means any family who on the account of acquisition of land has to be relocated and resettled from the affected area to the resettlement area. In the present case, the land being acquired is not used by affected family for residential purpose. It is evident that the affected family does not need relocation and resettlement as per the report of joint field survey as mentioned earlier. Further, as per the physical verification by the committee and observed that the said lands are not used for residential purpose.

Therefore, Rehabilitation and Resettlement scheme is not applicable for proposed land acquisition.

Further, as per the physical verification by the committee and observed that the said lands are not used for residential purpose.

Therefore, Rehabilitation and Resettlement scheme is not applicable for proposed land acquisition.
