Section 2- Background

Medical & Health department has identified several important needs and taken initiatives to strengthen the medical care services for greater benefit of the people in the UT. Access to advance and state of the art diagnostic facility at affordable cost is one such important initiative that Medical & Health department has planned to undertake for the benefit of the population at large. The purpose of these schemes under PPP is to use strengths and resources of both the partners to provide high-end diagnostic services at affordable cost.

In order to introduce proper and timely treatment protocols for the benefit of both the Doctors and Patients, Medical & Health department has now felt the need to augment the investigation facilities at the level of Secondary and Tertiary care. Accordingly, the department had installed CT Scan/ X-Ray/ Mammography/ OPG and Ultrasonography machines at Rogi Kalyan Samiti, Government Hospital Daman.

Within 15 days of receipt of the contract form, the successful bidder shall sign and date the contract and return it to department. Initially the contract will be signed for two years and based on performance the same can be extended annually by the department.

8. Corrupt or Fraudulent Practices

The department requires that the bidders for this tender observe the highest standards of ethics during the processing and execution of such contracts. In

pursuance of this policy, the department defines for the purpose of this provision, the terms set forth as follows:

- a. “Corrupt practice” means the offering, giving, receiving or soliciting of anything of value to influence the action of the public official in the tender process or in contrast execution; and
- b. “Fraudulent Practice” means a misrepresentation of facts in order to influence a tender process or a execution of a contract to the detriment of client, and includes collusive practice among bidders (prior to or after bid submission) designed to establish bid prices at artificial non competitive levels and to deprive client of the benefits of the free and open competition.
- c. The department shall reject a proposal for award if it determines that the bidder recommended for award has engaged in corrupt or fraudulent practices. The client may also consider blacklisting and/or debarring the bidder from further participation in any tender process of the Administration of Daman & Diu.
- d. The Department shall declare a bidder ineligible and black list it, either indefinitely or for a stated period of time, from being awarded any contract if at any time the department determines that the bidder has engaged in corrupt and fraudulent practices in competing for, or in executing a contract.
- e. Vendor is not supposed to refer/divert any call to any particular private medical practitioner, laboratories, hospitals etc.

9. Termination for default:

- a. The client may without prejudice to any other remedy for breach of contract, by written notice of default sent to the service provider, terminate the contract in whole or part:
 - i. if the service provider fails to deliver any or all of the services within the period(s) specified in the contract.
 - ii. if the service provider in the judgment of the client has engaged in corrupt or fraudulent practices in competing for or in executing the contract.

For the purpose of this clause: “Corrupt Practice” means the offering, giving, receiving or soliciting of anything of value to influence the action of a public official in the tender process or in contract execution.

“Fraudulent Practice” means a misrepresentation of facts in order to influence a tender process or a execution of a contract to the detriment of client, and includes collusive practice among bidders (prior to or after bid submission) designed to establish bid prices at artificial non competitive levels and to deprive client of the benefits of the free and open competition.

- i. If the service provider fails to conform to the quality requirements laid down/third party inspection/consultants opinion.
 - ii. If there is breach in service levels for two consecutive quarters. The breach levels have been identified later in this document.
- b. In the event that the client terminates the contract, the client may go for another service provider, upon such terms and in such manner as it deems appropriate. In such a condition, the service provider shall be liable to the client for any excess costs for such similar services.
- c. Any of the following events shall constitute an event of default by the Operation partners entitling Medical department to terminate this agreement:
 - a. Failure to commence services in the Hospital within three months of signing the agreement
 - b. Failure to comply with SOPs for operation and management of the services
 - c. Collecting charges from the patients in violation of the Policy on User Charges
 - d. Error detected in more than two occasions in six months in recording the correct entry of the number of patients referred from the concerned hospital as well as by the private practitioners/private hospitals in each month.
 - e. Failure to comply with the statutory requirements, Clinical Establishment Acts, Radiation Policy as prescribed by AERB PC PNDT and other statutory bodies, Rules and other applicable norms of GOI.
 - f. Criminal indictment of the promoters, member/s of the Board of Directors, chief functionaries, key personnel engaged by the Operation partner for operation and management of the services.
 - g. Engagement of unqualified persons for running of the Services
 - h. Use of the allocated space by the Operation partners for any other purpose other than the approved scheme.
 - i. Failure to submit monthly report as per terms of the agreement.
 - j. Mishandling of the Imaging Equipments provided by UT Administration.

Upon occurrence of any of the defaults, Medical & health department would follow the procedures of issuing Notice/Show Cause before deciding on termination of the agreement. The decision of Medical & health department shall be final and binding on the Operation Partner.

10. Penalty Clause:

- a. In case the vendor fails to provide required quality of service for the operation of imaging, penalty calculated as mentioned below, will be imposed on the service provider.

- b. The monthly payment due to the vendor will be linked to the score obtained as per the criteria mentioned in the Service level parameter. 100 % payment will be released up to the score of 70 for a month. If the score of a quarter is below 70 (other than for reasons mentioned in Section 8 – Causes for Termination of agreement), measures will be jointly worked out by UT Administration and the Operation Partner for achieving the score of more than 70 in subsequent quarters. If the score of a month is below 80 the percentage of payment will be on pro rata basis.
- c. 100 % payment shall be made on achievement of a score of 70; provided the staff deployed had 100% attendance in that month. If in case the staff has to go on leave the Operation partners shall ensure to deploy a substitute in that period else deductions in payment in the salary of that staff for that period.
- d. The successful bidder will be provided a relief period of three months from the date of start of the operation during which time, the penalty mentioned herein will not be

applicable. At the end of the first quarter of operations, the exact penalty will be decided based on the service level parameters. If the service provider fails to meet this criterion then payment will be made on pro rata basis for that quarter.

- e. In case the score for two consecutive quarters is 70 or less the client will reserve the right to terminate the contract and seek an alternate service provider.
- f. The Service provider shall maintain full confidentiality of the data. Under no circumstances will the service provider divulge/reveal/share such data for the purpose other than for meeting the client's requirement. Any violation of this confidentiality clause may result in instant termination of the contract and the service provider shall pay liquidated damages of Rs.1.00 Lakh (Rupees One Lakh) to

the client and the client shall reserve the right to blacklist the service provider for any future contracts. The decision of the client shall be final in this regard and binding on the service provider.

11. Force Majeure

- a. Notwithstanding the provisions of Termination for default and penalty clauses, the service provider shall not be liable for forfeiture of its performance security, penalty or termination for default, if and to the extent that, it's delay in performance or other failure to perform its obligations under the contract is the result of an event of Force majeure.
- b. Force Majeure shall mean and be limited to the following:
 - War/Hostilities
 - Restrictions imposed by the Government or other statutory bodies which prevents or delays the execution of the order by the service provider.
- c. The service provider shall advise the client by a registered letter duly certified by the local statutory authorities, the beginning and end of the above clauses of delay within seven days of the occurrence and cessation of such force majeure conditions. In the event of the delay lasting for over two months, if arising out of causes of force majeure, the client reserves the right to cancel the order.
- d. The completion period may be extended in circumstances relating to force majeure by the client. The bidder shall not claim any further extension for the completion of work. The client shall not be liable to pay extra costs under any circumstances.

12. Termination for Insolvency

The client may at any time terminate the contract by giving written notice to the service provider, if the service provider becomes bankrupt or otherwise insolvent. In this event,

termination will be without compensation to the service provider, provided that such termination will not prejudice or affect any right of action or remedy which has accrued or will accrue thereafter to the client.

13. Resolution of Disputes:

If any dispute arises between parties then there would be two ways for resolution of the dispute under the Contract.

a. Amicable Settlement

Performance of the contract is governed by the terms the conditions of the contract, however at times dispute may arise about any interpretation of any term or condition of contract including the scope of work, the clauses of payments etc. in such a situation either party of the contract may send a written notice of dispute to the other party. The party receiving the notice of dispute will consider the notice and respond to it in writing within 30 days after receipt. If that party fails to respond within 30 days, or the dispute cannot be amicably settled within 60 days following the response of that party, then clause 15 of the Conditions of Contract shall become applicable. Secretary Health being head of department will be find authority on this matter.

b. Resolution of Disputes

In the case dispute arising between the parties in the contract, which has not been settled amicably, any party can refer the dispute for Arbitration under (Indian) Arbitration and Conciliation Act 1996. Such disputes shall be referred to Arbitral Tribunal as prescribed by Ministry of Law, Government of India. The Indian Arbitration and Conciliation Act 1996 and any statutory modification or reenactment thereof shall apply to these statutory proceedings.
