The Payment of the Security Audit will be paid by Department of Youth Affairs and Sports, DNH & DD. Web developers should be responsible to fix the vulnerabilities found.

- **Scope of Work**

Technical Specification for Website as per the GIGW Guideline:

- a. Web Application should run independently of IP Address.
- b. Web Application should be IPv6 compliant.
- c. Web Application should be running on SSL & follow HTTPS protocols.
- d. Web Application can be compatible to run on the multi-server environment for load sharing
- e. The Web Application should be compatible with desktop as well as mobile/tablet views including portrait & landscape mode.
- f. Secure logging would be provided for Web Server / DB Server.
- g. Secure password without storage in the code.
- h. International standards would be maintained so that we are not infringing any copyright for images, content, etc.
- i. Web Application should be in a specific manner so that authorized officials can easily maintain the respective content themselves.

- **Others:**

1. Web Application should be compatible with all major browsers (i.e. Internet Explorer, Mozilla Firefox, Google Chrome, Safari, Edge, etc.)
2. We should use the latest techniques to build a new website rather than using old methods e.g. JQuery rather than using flash to rotate images.
3. Any user input system should have a captcha system (Captcha should be neat and clean).
4. Web Application should have a Breadcrumbs feature which should help people to be aware of their navigation trail.
5. No Installation of third-party scripts to track user activity ad-scripts, hidden backlinks to another irrelevant website.
6. Sufficient security measures should be applied against vulnerabilities e.g. hacking / SQL-injection-attack etc.
7. Web Application should be in a specific manner so that authorized officials can easily maintain the respective content themselves.
8. Vendor should develop a website with the concept of less web space and memory. So, web pages can load quickly but this shall also accommodate the requirements of the Department.
