Dated: 18/12/2023

Sub: - Proposal for Acquisition of land bearing PTS 23 and as per old record 7/427 with the existing structure of Beautification for football ground at Moti Daman.

REPORT

Under section 8 of the Right to Fair Compensation and Transparency in Land Acquisition, Rehabilitation and Resettlement Act, 2013.

This is about a proposal received from the Chief Officer, Daman Municipal Council, Daman for the acquisition of land admeasuring **980.00 Sq. Mtrs.** at Village Moti Daman for the Acquisition of land bearing PTS 23 and as per old record 7/427 with the existing structure of Beautification for football ground at Moti Daman.

The agency Gujarat Environment Management Institute (GEMI), Gandhinagar has been appointed vide Order No. 3/114/LND-ACQ/2022-23/4819 dated 12/12/2022 to conduct Social Impact Assessment study to process as per rule 7 and submit the final Social Impact Assessment report with Social Impact Management Plan in Form II.

The report of the Social Impact Assessment Team is as under:

1. Social Economic impact of the project.

<u>Positive Impact</u>	<u>Negative Impact</u>	<u>Remarks</u>
1. The football ground will be beautified. 2. Daman gets a national-level Football Ground.	1. A 400-year-old chapel built by the Portuguese will be demolished. 2. Reduction in one of the tourist spots of Daman. 3. Reduction in one of the religious spots of Daman. 4. The tree will be cut down. 5. Demolition and Construction within 100 meters of National recognized public monuments i.e. fort, fort wall, and moat. 6. Air noise pollution during the demolition and construction phase.	After careful examination of various parameters of cost and benefit (positive & negative), it is found that the proposed Acquisition of land bearing PTS 23 and as per old record 7/427 with the existing structure of Beautification for football ground at Moti Daman would benefit the local community at large as National Level Football Ground will be available. As football is a very popular sport in the Daman District. But, it is also important to note that all the points mentioned in (Social Impact) and (SIMP) must be considered to mitigate the adverse effects on Land/Property holders.

The SIA team concluded that the process of land acquisition has both positive as well as adverse impacts. But the positive impacts of this project outweigh the negative ones. Keeping the overall scenario in view, it is found that the proposed Acquisition of land bearing PTS 23 and as per old record 7/427 with the existing structure of Beautification for football ground at Moti Daman would benefit the local community and society at large as National Level Football Ground will be available. As football is a very popular sport in the Daman District.
