Section 269ST of IT Act prohibits any person to receive an amount of Rs. 2 lakh and above in cash; in aggregate from a person in a day, or in a single transaction, or in respect of transactions relating to one event or occasion from a person. The Income Tax Department earlier treated the 'Contract' between a milk cooperative and its distributor as 'one event' and if the cumulative cash receipt, in all the transactions with that distributor, in the entire year was more than Rs. 2 lakh income tax penalty was imposed on such cooperatives. The Income Tax Department has issued a circular making it clear that now the 'Contract' made by cooperative societies with their distributors will not be considered as 'one event'. 38. Reduction in GST on Molasses from 28% to 5% to help Cooperative Sugar Mills

The government has decided to reduce GST on molasses from the current rate of 28% to 5%. This will increase the liquidity of distilleries as molasses is the raw material for their operations.
