**Sub: Citizen information booklet on Automated testing-reg.**

Sir,

I am directed to refer to the above subject and to state that this Ministry has launched the Voluntary Vehicle-Fleet Modernization Program (V-VMP) or "Vehicle Scrapping Policy" to phase out unfit and polluting vehicles in an eco-friendly manner.

2. Under the aforesaid Policy, the Ministry notified rules for recognition, regulation and control of Automated Testing Stations vide GSR 652 (E) dated 23<sup>rd</sup> September 2021 to define the procedure for fitness testing of vehicles through automated equipment. In order to educate the citizens and to promote the initiative of automated testing, MoRTH has prepared a booklet (copy encl) which provides necessary information on testing procedure, frequency, fees, certificate provided by an Automated Testing station etc.

3. It is requested that the Transport Departments of the States/UTs may publicise these booklets by uploading on their websites and also by circulating to various RTOs for greater public awareness of the policy and testing procedure.

Yours faithfully,

Encl: As above.
