

Call for Interest – Chief Minister Fellowship Program 2025

Dear Collectors and CEOs,

We are happy to announce the commencement of the placement process for 60 Fellows under the flagship **Chief Minister Fellowship Program 2025**

This year, all Fellows will be placed with the district administration.

Please go through the Officer Guide carefully before submitting your request

Fellows should be allocated only where there are specific, outcome-driven projects and you are available to provide **active mentorship**.

The Fellowship is designed to be a **transformative learning and contribution experience** for young professionals. They are not to be engaged in routine administrative tasks, nor as substitutes for staff vacancies.

The focus should remain on **meaningful assignments** where they can use their skills in communication, technology, analytical thinking, innovation, project management, etc.

Interested Collectors and CEOs are requested to submit your request via Form link -
