STATE PROGRAM MANAGEMENT UNIT

RECORD OF PROCEEDING

DISTRICT: DEHRADUN

FY 2025-26

NATIONAL HEALTH MISSION UTTARAKHAND

Preface

The *Record of Proceedings (ROP)* document, prepared by the State Program Management Unit, NHM Uttarakhand, serves as a ready reckoner for the districts to facilitate effective and timely implementation of various activities and programmes approved under the National Health Mission (NHM). It also provides a reliable reference for budgetary approvals for the financial year 2025–26. The effective implementation and rigorous monitoring of these approved activities will undoubtedly assist districts in accelerating their progress towards the targets outlined in the National Health Policy and will contribute significantly to the State's advancement towards achieving the Sustainable Development Goals (SDGs).

The Government of Uttarakhand remains firmly committed to eliminating Tuberculosis by 2025 and is making earnest efforts to realise this goal. We also reaffirm our dedication to eliminating Malaria and Leprosy, while consistently working towards reducing the burden of both communicable and non-communicable diseases in our communities. The *Rashtriya Kishore Swasthya Karyakram* (RKSK) has now been expanded to nine districts for FY 2024–25, with the remaining four districts scheduled for inclusion from FY 2026–27. Additionally, a total of 1,987 public health facilities—including 1,479 Health Sub Centres and 508 Primary Health Centres (PHCs)—have been upgraded as *Ayushman Arogya Mandirs*.

To strengthen the health infrastructure of our Himalayan state, we have secured financial assistance under the 15th Finance Commission, the Emergency COVID Response Package (ECRP-II), and the *Pradhan Mantri–Ayushman Bharat Health Infrastructure Mission* (PM-ABHIM). The operationalization of 50-bedded Critical Care Blocks (CCBs), District Integrated Public Health Laboratories (DIPHLs), Block Public Health Units (BPHUs), Sub Health Centres as *Ayushman Arogya Mandirs*, and enhanced diagnostic infrastructure with essential Human Resources for Health (HRH) remain among our top priorities. We urge districts to ensure the efficient and timely utilization of these funds, while avoiding any duplication across NHM, XV FC, ECRP-II, and PM-ABHIM.

This document outlines key deliverables and the NHM conditionalities framework intended to guide Program Managers and officials in executing the approved activities with full commitment and within specified timelines for optimal outcomes. Districts must undertake monthly supportive supervision visits, leveraging the expertise of the technical and management staff at District and Block Programme Management Units (DPMUs and BPMUs). These visits should aim to cover the maximum number of public health facilities, including Jan Arogya Samitis (JAS), Rogi Kalyan Samitis (RKS), and Village Health, Sanitation and Nutrition Committees (VHSNCs), as part of the District Review Mission. A robust monitoring system, coupled with continued support to frontline health functionaries, will significantly enhance the reach and quality of health services delivered.

I am confident that, under the able leadership of the Chairperson of the District Health and Family Welfare Society/ District Magistrate, all approved activities will be implemented in a timely manner and that public health services will be delivered with utmost dedication and enthusiasm.

(Swati S. Bhadauria), IAS

Mission Director

National Health Mission, Uttarakhand

General Principle for program implementation and Management

- 1. Summary of Program wise budget approved for FY 2025-26 under NHM is given in **Annexure-1.**
- 2. Program wise Key Deliverables for FY 2025-26 are placed as Annexure- 2.
- 3. Full Immunization Coverage (FIC) % will be treated as the screening criteria and Conditionalities shared along with District NHM RoP 2025-26 would be assessed only after achieving at least 85% Full Immunization Coverage. Therefore, all districts should now focus on achieving at least 85% full immunization coverage.
- 4. Decentralized planning has to be adopted based on local requirements. However, Districts must ensure that there is no duplication or overlap between various sources of funds including the recently approved FC-XV Health Grants support and PM-ABHIM for the similar activities.
- 5. The support under NHM is intended to supplement and support and not to substitute State expenditure.

6. Human Resources for Health (HRH)

All the support for Human Resources for Health (HRH) will be to the extent of positions engaged over and above the regular positions as per IPHS norms and caseload. NHM aims to strengthen health systems by supplementing and hence it should not be used to substitute regular HRH. HRH should only be engaged when infrastructure, procurement of equipment etc. required to operationalize the facility or provide services, are in place.

7. Finance

- a. The District should convey the Block wise Physical and financial targets and approvals within 10 days of issuing of District RoP by the SPMU.
- b. The District must ensure due diligence in expenditure and observe, in letter and spirit, all rules, regulations, and procedures to maintain financial discipline and integrity particularly with regard to procurement; competitive bidding must be ensured, and only need-based procurement should take place as per the ROP approvals.
- c. The unit cost/ rate wherever approved for all activities including procurement, printing, etc. are only indicative for the purpose of estimation. However, actuals are subject to transparent and open bidding process as per the relevant and extant purchase rules and upto the limit of unit cost approved.

- d. The District has to ensure regular meetings of District Health Missions/ Societies. The performance of DHS along with financials and audit report must be tabled in District Health Mission/ DHS meetings.
- e. The accounts of District/ grantee institution/ organization shall be open to inspection by the sanctioning authority and audit by the Comptroller & Auditor General of India under the provisions of CAG (DPC) Act 1971 and internal audit by Principal Accounts Officer of the Ministry of Health & Family Welfare.
- f. All approvals are subject to the Framework for Implementation of NHM and guidelines issued from time to time and the observations made in this document.
- g. The RoP document conveys the summary of approvals accorded by the GoI based on the District/ State Main and Supplementary NHM PIP 2025-26.

The program-wise details of Physical and Financial approvals for FY 2025-26 for the PIP appraised by the GoI have been given as **Annexure-3** for reference and ease of implementation.

8. Training:

Periodic capacity building of technical and managerial human resources is a key to the successful implementation and management of public health activities and interventions under NHM. Following important area of concern to be taken into consideration while conducting trainings at various levels in FY 2025-26:

- a. **Quality training and optimal fund utilization:** Districts have to maintain the quality of trainings approved in the RoP for the financial year 2025-26 and ensure optimal fund utilization.
- b. **Submission of Training Calendar:** Each district will prepare and submit a comprehensive training calendar for all planned trainings and workshops for the financial year 2025-26. Information on the trainings scheduled for the upcoming month must be sent to the SPMU NHM State headquarter by the 25th of each month. Trainings will be conducted at the district level accordingly, with details submitted to the Office of the Mission Director, National Health Mission along with the relevant program Division.
- c. **Training Report and Documentation:** For every training program conducted in the districts, the following documents must be submitted to the concerned Program Division at SPMU NHM by the 5th of every month:
 - Training Report, Attendance Sheet, Pre-Test/Post-Test responses filled by participants, Expenditure Report in the form of SOE,

d. Training compliance and fund allocation:

Any district that fails to submit the Training Calendar or does not provide the required post-training documentation within the stipulated timelines shall not be entitled to receive fund allocation for training.

9. Infrastructure

- a. The approval for new infrastructure is subject to the condition that the Districts will use energy efficient lighting and other appliances.
- b. The District should submit a Non-Duplication Certificate in prescribed format.
- c. The District should review quarterly performance of physical & financial progress of each project and share the progress report with SPMU NHM.
- 10. **Equipment:** The District should submit Non-Duplication Certificate in prescribed format.

11. JSSK, JSY, NPY and other entitlement scheme

The District must provide for all the entitlement schemes mandatorily. No beneficiary should be denied any entitlement because of any limitations (including the ceiling of 10% additional budget allocation) of approved amount for such entitled bases schemes. The District to ensure that JSY and NPY payments are made through Direct Benefit Transfer (DBT) mechanism through 'Aadhaar' enabled payment system or through NEFT under Core Banking Solution.
