STATE PROGRAM MANAGEMENT UNIT

RECORD OF PROCEEDING (RoP)

DISTRICT: Haridwar

Supplementary RoP 2022-23 &

Main & Supplementary RoP 2023-24

**NATIONAL HEALTH MISSION
UTTARAKHAND**

Preface

Record of the Proceedings (ROP) document prepared by the State Program Management Unit, NHM Uttarakhand serves as the blueprint for the districts for effective and timely implementation of various activities and programmes approved under NHM and provide a ready reference for budgetary approvals for the FY 2022-23 under Supplementary RoP & FY 2023-24 under Main & Supplementary RoP. Effective implementation and rigorous monitoring of these approved activities would certainly help the districts in expediting its efforts towards achievement of the National Health Policy targets and will also facilitate the state to move a step forward towards achieving the targets envisaged in the Sustainable Development Goals (SDG) document.

Uttarakhand Government has already expressed its commitment to eliminate Tuberculosis by 2024 and is putting in a lot of efforts to materialize its dream. We also pledge to achieve elimination of Malaria, Leprosy and work consistently towards alleviating the burden of communicable and non-communicable diseases in the communities. Rashtriya Kishore Swasthya Karyakram (RKSK) has been introduced in Almora, Bageshwar and Rudraprayag district in the FY 2022-23. State is proceeding fast towards upgrading all eligible public health facilities into Ayushman Bharat- Health & Wellness Centers by deploying Community Health Officers at every Health Sub Centre-Ayushman Bharat- Health & Wellness Center.

In order to strengthen the health infrastructure in Himalayan State of Uttarakhand, we have received funds under 15th Finance Commission, Emergency COVID Response Package (ECRP-II) and Pradhan Mantri-Ayushman Bharat Health Infrastructure Mission (PM-ABHIM) to establish 50 bedded Critical Care Blocks (CCBs), District Integrated Public Health Laboratories (DIPHLs), Block Public Health Units (BPHUs), Ayushman Bharat- Health and Wellness Centres (AB-HWCs), diagnostic infrastructure with essential Human Resources for Health (HRH). We urge districts to effectively utilize these funds in a time bound manner and avoid any sort of duplicacy in utilizing the funds approved under NHM, 15th FC and PM- ABHIM.

Key deliverables, NHM conditionalities framework mentioned in this document are meant for sensitizing district program management teams and officials towards their role in achieving various activities with full potential within stipulated timeline for better outcome. Districts have to mandatorily undertake supportive supervision visits every month by engaging the existing pool of technical and management officials posted in DPMUs and BPMUs to cover a maximum number of public health facilities, Jan Arogya Samiti (JAS), Rogi Kalyan Samiti (RKS) and Village Health, Sanitation and Nutrition Committees (VHSNCs). Adhering to a rigorous monitoring system with mechanisms to handhold the peripheral health functionaries would go a long way in improving the scope and quality of health services provided.

I am sure that districts will be able to accomplish all approved activities in a time bound manner and render health services with great enthusiasm and dedication under the able leadership of Chairman, District Health and Family Welfare Society/ District Magistrate.

Mission Director

National Health Mission, Uttarakhand

General Principle for Program Implementation and Management

1. Summary of Program wise budget approved for FY 2022-23 under NHM Supplementary RoP & FY 2023-24 under NHM Main & Supplementary RoP is given in **Annexure- 1**.
2. Program wise Key Deliverables for FY 2023-24 are given in **Annexure- 2**.
3. It is to be noted that Full Immunization Coverage (FIC) % will be treated as the screening criteria and Conditionalities as detailed in the **Annexure-A** would be assessed only after achieving **at least 85% FIC**. Therefore, all districts will have to focus on achieving good immunization coverage.
4. Decentralized planning has to be adopted based on local requirements. However, Districts must ensure that there is **no duplication or overlap between various sources of funds** including the recently approved FC-XV Health Grants support and PM-ABHIM for the similar activities.
5. The support under NHM is intended to supplement and support and **not to substitute State expenditure**.
6. **Human Resources for Health (HRH)**

All the support for Human Resources for Health (HRH) will be to the extent of positions engaged **over and above the regular positions as per IPHS norms and caseload**. NHM aims to strengthen health systems by supplementing and hence it should not be used to substitute regular HRH. HRH should only be engaged when infrastructure, procurement of equipment etc. required to operationalize the facility or provide services, are in place.

7. **Finance**

- (a) The Districts should convey the Block wise Physical and financial targets and approvals within 10 days of receipt of District RoP.
- (b) The District must ensure due diligence in expenditure and observe, in letter and spirit, all rules, regulations, and procedures to maintain financial discipline and integrity particularly with regard to procurement; competitive bidding must be ensured, **and only need-based procurement should take place as per ROP approvals**.
- (c) The unit cost/ rate wherever approved for all activities including procurement, printing, etc. are only indicative for the purpose of estimation. However, actual are subject to transparent and open bidding process as per the relevant and extant purchase rules and **upto the limit of unit cost approved**.

- (d) The District has to ensure regular meetings of District Health Missions/ Societies. The performance of DHS along with financials and audit report must be tabled in District Health Mission meetings.
- (e) The accounts of District/ grantee institution/ organization shall be open to inspection by the sanctioning authority and audit by the Comptroller & Auditor General of India under the provisions of CAG (DPC) Act 1971 and internal audit by Principal Accounts Officer of the Ministry of Health & Family Welfare.
- (f) All approvals are subject to the Framework for Implementation of NHM and guidelines issued from time to time and the observations made in this document.
- (g) The RoP document conveys the summary of approvals accorded by GoI based on the District/ State PIP 2023-24.
- (h) The program-wise details of Physical and Financial approvals for FY 2023-24 for the PIP appraised by GoI have been given as **Annexure-3** for reference and ease of implementation. The committed liabilities for FY 2022-23 are given in **Annexure- 1**.

8. **Infrastructure**

The approval for new infrastructure is subject to the condition that the Districts will use energy efficient lighting and other appliances.

The Districts should submit a **Non-Duplication Certificate** in prescribed format. The Districts should review quarterly performance of physical & financial progress of each project and share the progress report with SPMU.

9. **Equipment:** The Districts should submit **Non-Duplication Certificate** in prescribed format.

10. **JSSK, JSY, NPY and other entitlement scheme**

The District must provide for all the entitlement schemes mandatorily. **No beneficiary should be denied any entitlement because of any limitations of approved amount for such entitled bases schemes.** The District to ensure that JSY and NPY payments are made through Direct Benefit Transfer (DBT) mechanism through 'Aadhaar' enabled payment system or through NEFT under Core Banking Solution.

HWC Scoring for NHM Conditionality FY 2023-24

Method for giving Score to the State for AB-HWCs- It has two Parts:

1. Indicator for achieving State Level AB-HWC operationalization Targets:
 - a. 10 marks for achieving State Level AB-HWC operationalization Targets
 - b. 10 marks for the States/UTs creating regular cadre of CHO position for AB-HWC
 - c. 15 marks for achieving more than State Level AB-HWC operationalization Targets
2. Indicators for AB-HWC Scoring – max. 75 marks – Average scoring of all the functional AB-HWCs will be taken to arrive at the same.
