Room No. 132, Parliament House Annex,

New Delhi-110001

[Subject: An application under Section 6 of the Right to Information Act, 2005.]

As per the "preamble" of the said statute, it was enacted to define and amend "certain parts" of the law relating to contracts. But the words "certain parts" have not been clarified by the statute. Some scholars simply say that "certain parts" denote 'commercial contracts'.

I want to know the (i) history, (ii) field of application, and (iii) the reasons lay behind the framing of the said statute. The statements of the objects of and reasons for framing the said statute may be helpful which I have not yet found.

Please provide the information pertaining to matters available with the Ministry of Culture, Government of India.

An I.P.O. of the required amount is annexed herewith.
