#### **ORGANIZATION'S PARTICULARS**

##### *A. A. Historical Background.*

*Ministry of Law and Justice is the oldest limb of the Government of India dating back to 1833 when the Charter Act, 1833 enacted by the British Parliament. The said Act vested for the first time legislative powers in a single authority, namely, the Governor General in Council. By virtue of this authority and the authority vested under him under section 22 of the Indian Councils Act, 1861 the Governor General in Council enacted laws for the country from 1834 to 1920. After the commencement of the Government of India Act, 1919 the legislative power was exercised by the Indian Legislature constituted thereunder. The Government of India Act, 1919 was followed by the Government of India Act, 1935. With the passing of the Indian Independence Act, 1947, India became a Dominion and the Dominion Legislature made laws from 1947 to 1949 under the provisions of section 100 of the Government of India Act, 1935 as adapted by the India (Provisional Constitution) Order, 1947. Under the Constitution of India which came into force on the 26th January, 1950 the legislative power is vested in Parliament and the State Legislatures.*

*The Legislative Department has been separated from the Home Office vide Resolution No. 80 dated the 8<sup>th</sup> February, 1869. A copy of the Resolution is reproduced below:–*

Read the Secretary of State’s Reply, No.42, dated 23<sup>rd</sup> December, 1868, sanctioning the proposal.

RESOLUTION.—The suggested changes in the organization of the Legislative Department having now been sanctioned by Her Majesty's Secretary of State of India, the Governor General in Council is pleased to direct that, from and after the 10<sup>th</sup> February, 1860, the connection at present existing between the Home and Legislative Department shall be severed; that the Legislative Department, which is at present a branch of the Home Office, shall in future be distinct; and that the Officer at the head of the Department shall be designated Secretary to the Council of the Governor General for making Laws and Regulations.

2. In thus constituting a separate Legislative Department, the Governor General in Council desires that it may be borne in mind that Department is not, in respect of Government measures, an originating or initiating Department, and that its proper function in respect of such measures is to clothe with a technical shape projects of Law of which the policy has been affirmed elsewhere.

3. All legislative proposals on the part of Government should therefore first be considered in the Executive Department in which they originate, or to which their subject belongs. The necessity for legislation will there be affirmed, and all points connected with such legislation will there be considered and settled, except the technical detail of the Bill to be submitted to the Council for making Laws and Regulations.

4. The Secretary of the Executive Department to which a Bill pertains will be present during its discussion in the Legislative Council.

5. In accordance with the arrangement above indicated, the Governor General in Council is pleased to direct that all legislative proposals emanating from Local Governments and Administrations shall be addressed not to the Legislative Department, but to the proper Executive Department of the Government of India; and if a proposal for legislation should accidentally reach the Legislative Department direct, that Department shall refer it at once to the proper Executive Department for instructions as to the necessity for legislation and as to the character and tenor of the Bill embodying it.

6. The Governor General in Council further directs that, should a question of policy arise even after the reference to the Legislative Department, and during the technical manipulation of the Bill, such question shall not be disposed of in the Legislative Department, but shall be executively considered in the Department of the Government of India to which it belongs.

7. When once a measure has been referred to the Legislative Department, that Department shall correspond directly with the Local Governments and Administrations, and all correspondence with Her Majesty's Government relating to Bills and Acts, whether of the Imperial or Local Councils, shall in future be conducted in the Legislative Department.

8. With respect to Bills passed in the Local Councils and submitted for the assent of the Governor General, and projects of local laws submitted for preliminary approval to the Government of India, the Governor General in Council directs that they shall be forwarded by the Local Governments to the Government of India in the

Executive Department to which their subject belongs. After consideration in that Department, the papers shall be transferred, with an opinion as to the policy of the measure, to the Legislative Department for disposal.

9. The duties devolving on the Governor General in Council under 24 and 25 Vict., Cap. 67, Secs. 17 and 18, will be still transacted through the Home Office.

10. For all purposes except the above, the Legislative division of the business of the Home Office will cease, and will devolve on the new Legislative Department.

11. The proceedings of the Government of India in the Legislative Department will be recorded in the same way as they have heretofore been recorded, and copies forwarded to Her Majesty's Government.

---

ORDERED, that copies of this Resolution be communicated to the Governments, Administrations, and Departments named below, for information and guidance:—
