Launch of AI Services for the High Court of Telangana on 24-11-2024

On November 24, 2024, Hon'ble Justice P. S. Narasimha, Judge of the Supreme Court of India, launched three AI tools—Shruthi, Saransh, and Panini—at a function held at the Telangana State Judicial Academy in Hyderabad. The event was attended by Hon'ble Justice Alok Aradhe, Chief Justice of the High Court for the State of Telangana, along with all the Hon'ble Judges of the High Court, the Judges of the eCommittee, the Registrar General, the Registrars of the High Court, and Judges from the district and subordinate courts. These applications are designed to digitize case management for judicial officers in both the High Court and subordinate courts of Telangana.

The event was graced by Shri V.T.V Ramana, DDG & Telangana State Coordinator and Shri Guntuku Prasad, Scientist F & SIO, Telangana State Centre.
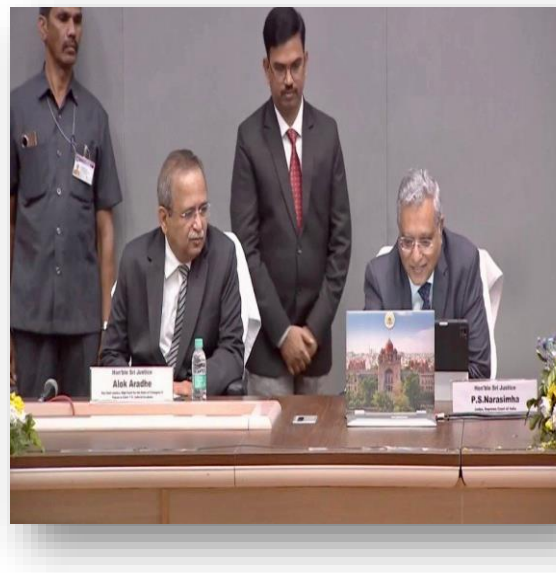

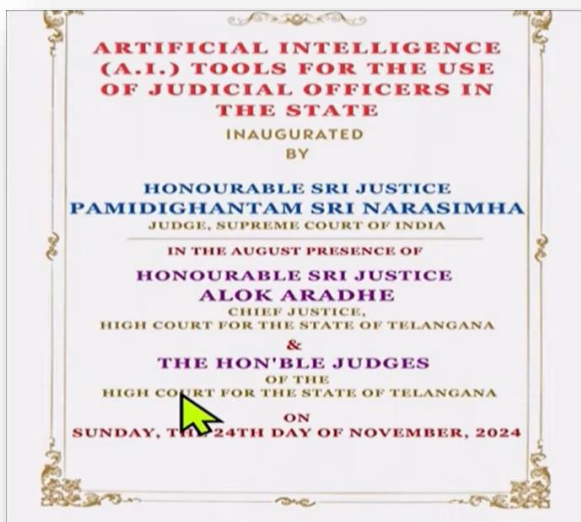

The Centre of Excellence for Artificial Intelligence, NIC has developed the APIs for Shruthi, Saransh, and Panini.

Ms. N Achuta Venu, Scientist F & HOD, Judicial Informatics Division along with team of Ms. M Subha, Scientist E and Mr. Nilesh Kumar, Scientist D under the leadership of Sri Guntuku Prasad, Scientist F and SIO Telangana State Centre is instrumental in the design, development, hosting of the UI/UX interface for AI services and Integration of API 's.

The team has successfully Coordinated for the launch of the event with the Officials of High Court of Telangana.

The application is deployed at NDC, Hyderabad.
