NIC Telangana: Report on the advanced Slot Booking for Registration of Deeds in Registration Department, Telangana
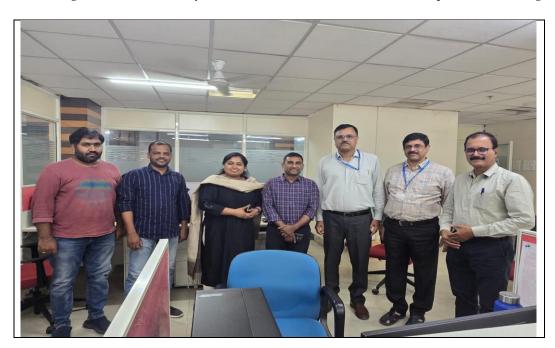

A new slot booking system was introduced for the registration of deeds, allowing citizens to schedule appointments at their convenience. Following the directives issued by the Government of Telangana, IGRS has officially soft-launched the application in the presence of Shri Guntuku Prasad SIO Telangana, permitting citizens to begin reserving slots from **April 10th, 2025** onwards.

During the soft launch, **Shri. Guntuku Prasad, SIO, NIC Telangana**, along with **Mr. Srinivasa Subba Rao Akella, Senior Director (IT) and HoD, Shri. Bapuji Nakka, Joint Director (IT),** and senior officials from the Registration Department were present to oversee the initiation and smooth rollout of this system.

On the first day of the soft launch, a total of **600+** slots were successfully reserved by citizens seeking registration services. **NIC, Telangana,** played a pivotal role in the design and development of the slot booking application, ensuring its timely implementation and user-friendly interface/experience.

The Commissioner and Inspector General of the Registration Department conducted a review and expressed appreciation for NIC's technical support and dedication in developing and implementing the system.
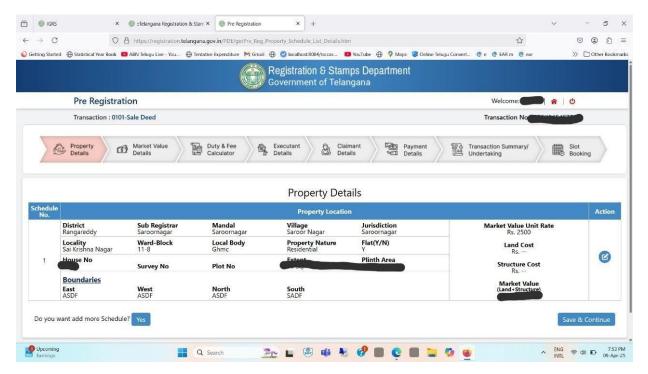

As part of this initiative, the pilot project encompasses **22** Sub-Registrar Offices, each offering 48 slots per day, with Sub-Registrar Offices at **Champapet and Saroornagar** being merged. The **Qutubullapur** Sub-Registrar Office in the **Malkajgiri district** has been allocated **144 slots per day** to accommodate the higher volume of visitors. Furthermore, **every day from 5 PM to 6 PM, 5 citizens** will be permitted to visit the Sub-Registrar Offices directly to avail themselves of services without prior slot booking

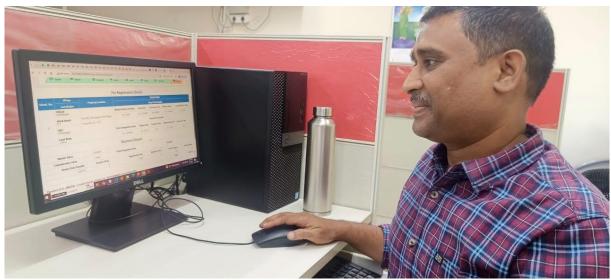

Shri Guntuku Prasad, SIO Telangana, Sh. Akella Srinivasa Subba Rao, Senior Director (IT) & HoD, Sh. Bapuji Nakka, Joint Director (IT), along with Registration Department Officials.
