

NIC Telangana: ASIO(Dist.) visit and the eOffice Workshop conducted at the Narayanpet District Centre, Telangana - Report

On April 10, 2025, Sh. Raynil John, Senior Director (IT) & ASIO (Districts), accompanied by Sh. Sharaf Sreenivasa Rao, Director (IT), Sh. M. Satyanarayana Murty, DIO of Mahbubnagar, and Sh. Abhay Kumar Rai, ADIO of Mahbubnagar, visited the Narayanpet District Centre, Telangana.

The NIC team had the privilege of meeting with the District Collector, Smt. Sikta Patnaik, IAS, alongside the NFEs, IRAD, and eDM. During this meeting, Sh. Raynil John provided an overview to the Collector regarding the progress of establishing the NIC Centre and offered updates on its current status. The discussion encompassed various e-Governance initiatives and ICT support activities.

Furthermore, the District Collector felicitated and expressed her appreciation and recognized the dedicated services of Mr. M. Satyanarayana Murthy, the in-charge DIO for Narayanpet District, who is about to superannuate this month-end.

District Collector Narayanpet felicitated Sh M. Satyanarayana Murty

The Collector also requested training on eOffice for the Collectorate staff and personnel from other relevant departments. Consequently, a one-day on-site training session covering the latest version of eOffice was conducted on the same day, aimed at newly appointed staff at the Collectorate and participants from various departments.

Sh. Sanchit Gangwar, IAS & Additional Collector (Local Bodies) & Sh. P Benshalom, Additional Collector (Revenue) on the Dias with the NIC Team

Approximately **100** individuals from **42** departments within Narayanpet District attended the training session, which included a live demonstration of various eOffice modules, encompassing e-receipts, e-filing, drafts, and more.

Collectorate and Department Staff attending the eOffice Training session

Sh. Raynil John (ASIO Dist.) assured the district administration that the NIC would provide extensive technical support for the implementation of eOffice and other e-Governance initiatives, projects, and activities.
