NIC Telangana: Official declaration of results and rank card of Telangana State Polytechnic Common Entrance Test (TS POLYCET) 2025

The Telangana State Board of Technical Education and Training (SBTET) announced the results and rank card of the **Telangana State Polytechnic Common Entrance Test (TS POLYCET) 2025** on *May 24, 2025*. This milestone event was held at the Office of the Commissioner of Technical Education, Sankethika Bhawan, Masab Tank, Hyderabad, marking another successful year of the seamless and efficient conduct of the examination and result processing, enabled by the ICT expertise of the **National Informatics Centre, Telangana State Unit (NIC TG)**.

Mrs. A. Sridevasena, IAS, Commissioner of Technical Education, was warmly welcomed by Mr. Guntuku Prasad, State Informatics Officer, NIC Telangana, accompanied by Mr. Govardhan Srikanth, Scientist-F and Head of Division.

The event was graced by the **Commissioner of Technical Education, Mrs. A. Sridevasena, IAS**, who officially declared the results online and distributed them on CDs to the print media personnel. Senior officials from SBTET and members of the NIC technical team who contributed to the project were present on the occasion.

Mrs. A. Sridevasena, IAS, Commissioner of Technical Education, and Mr. Guntuku Prasad, State Informatics Officer, NIC Telangana, along with staff from NIC and SBTET, officially declared the results on 24th May 2025.

Speaking at the event, Commissioner Mrs. A Sridevasena, IAS emphasized the importance of digital governance and ICT integration in education: **"The TS POLYCET process—from application to result declaration—has been a model of efficiency and transparency. I congratulate all the students and thank NIC Telangana for their exceptional technical support."**

The Telangana State Polytechnic Common Entrance Test (TS POLYCET) is a state-level examination conducted by the State Board of Technical Education and Training (SBTET) for admission into diploma courses in engineering and non-engineering disciplines offered by government and private polytechnic institutions across Telangana

This year's TS POLYCET witnessed the participation of over **1.2 lakh students** aspiring to secure admissions into polytechnic and diploma-level engineering institutions across the state. The entire lifecycle of the examination process—including online registrations, hall ticket generation, computer-based evaluation, and results publishing—was implemented on a robust digital platform developed and maintained by **NIC Telangana**.

NIC TG leveraged its in-house technical capabilities to ensure a **secure, scalable, and student-friendly system**, thereby reducing manual errors and enhancing the speed and reliability of the results. The real-time dashboard, analytics tools, and centralized monitoring features provided critical insights to the officials and streamlined decision-making.

State Informatics Officer **Mr. Guntuku Prasad** explained NIC's commitment to support digital education initiatives:

"*NIC's collaboration with SBTET on TS POLYCET 2025 exemplifies how ICT can empower institutions to deliver citizen-centric services efficiently. We are proud to be part of this digital transformation journey.*"

NIC Telangana Team from Left to Right: Mr. D. Baldev Scientist-F, Mr. Guntuku Prasad, State Informatics Officer (SIO), Mr. Chappidi Ravindranatha Reddy Scientist-F, Mr. Govardhana Srikanth, Scientist-F & HoD, Ms. Deepika Alamuri Scientist-D and Ms. Shakeena Nallagaatla Scientist-C

The results and rank card for viewing and download are now available online on the official SBTET portal at https://www.polycet.sbtet.telangana.gov.in and through SMS services, ensuring wide accessibility and convenience for students across urban and rural areas.
