

### NIC Telangana Focus: Services, Information & Initiatives

NIC TELANGANA QUARTERLY DIGITAL NEWSLETTER | VOLUME No: 01 | ISSUE No: 03 | OCTOBER 2025

**Hon'ble Minister Smt. Konda Surekha**  
officially launched the  
**e-Office 7.x system on 31/07/2025 for Endowments Department**

The minister said the introduction of the e-Office system was a major step forward in administrative reform. This system will make it easy to process files more quickly and efficiently. Since everything is tracked digitally, there will be no confusion between staff and officers. "Files can now be cleared from any location, at any time, without the need for physical presence in the office. Urgent files can also be marked separately to receive top priority. The Endowments Department will extend these services in Yadagiri Gutta and the 30 other temples across the state". The influence of intermediaries like PAs and CCs in file movement will reduce drastically.

శ్రీరంగ జిల్లా కార్యాలయాల, పుణ్య దేవాలయాలలోనూ అనుమల చేసేందుకు చర్యలు చేపట్టడం జరుగుతుంది...

**Ms. Soudhamini Srinivasan, Scientist-F, NDC, Hyderabad** received Appreciation from **Shri G Sandeep Kumar Goud, Dept. of Telecommunications** for outstanding contribution during SAMPANN DR Drill

Dy.CGCA (BA & IT), Controller General of Communication Accounts, DoT, commended the flawless functioning of the SAMPANN portal from the NDC, Hyderabad DR site for an entire week, followed by a seamless, zero-incident failback to the Primary site at SPDC, New Delhi as a part of DR drill activity. This exemplary execution reflects Smt. S. Soudhamini's exceptional technical expertise, meticulous planning and precise operational coordination.

**Shri Guntuku Prasad, SIO Telangana and Judicial Informatics team** deliberations on Court Case Monitoring System

Deliberations on the Court Case Monitoring System application were held under the chairmanship of the Chief Secretary, Principal Secretary, and Law Secretary at the Secretariat on 07/08/2025. The NIC TGSC Judicial Informatics team, along with the SIO, Telangana, participated in the discussions, which included technical presentations by NIC Bihar and NIC Tamil Nadu showcasing their in-house web applications.

**Cyberabad Police** launch its newly designed  
**Official Website**  
<https://cyberabadpolice.gov.in>

Cyberabad Police has launched its newly designed official website to enhance transparency and strengthen citizen-centric service delivery with enhanced user experience through real-time content updates, modern UI/UX, and mobile-friendly design, interface optimized for access on desktop and tablet devices, accessible and easy to navigate for citizens of all age groups. Information such as announcements, alerts, safety guidelines are updated promptly to ensure the public is always informed.

**Shri Guntuku Prasad, SIO & NIC team** Bhu Bharati meeting with Revenue Minister, Principal Secretary, PD CMRO and Commissioner Survey records.

**NDC Hyderabad** is now ISO 27001:2022 certified Data Centre.

The ISO certification highlights NDC Hyderabad's unwavering commitment to information security and stands as a testament to ISM's pivotal role in coordinating the certification process, along with the dedicated contributions of the ISO committee members and the core teams managing ICT infrastructure, Network Security, Storage, Backup, Cloud, Web Hosting, Physical security and Asset management. Special thanks to Shri V.T.V. Ramana DDG and State Coordinator, Shri Shyam Sunder DDG, Shri Ashish Vikram Asthana DDG and Shri Guntuku Prasad, SIO for their guidance and support.

**NICSI Telangana** Awarded for Top 3 Contributing State

Government of Telangana is among top three contribution State Government partners (Southern Region). Shri Guntuku Prasad, SIO and Shri A. Maruthi Kumar, General Manager NICSI received memento on 29/08/2025 on the 30th anniversary NICSI's foundation.

## Major Events and Activities

### Proficiency test held from 23<sup>rd</sup> to 25<sup>th</sup> July 2025 for 37 Junior Assistants of Medchal-Malkajgiri District at NIC, Ranga Reddy

The District Collectorate of Medchal-Malkajgiri conducted an examination on "Proficiency in Office Automation in the Use of Computers and Associated Software" for employees appointed as Junior Assistants across various departments of Medchal-Malkajgiri District under the Compassionate appointment Scheme. Shri P. Rajshekar DIO and team were present during the examination

### Conduct of Proficiency Test held at Collectorate Complex, Nalgonda District to 130 Newly Recruited TGPSC Group-IV employees of various departments from 30/07/2025 to 05/08/2025

The proficiency test was successfully conducted at the Dr. MCRHRD Regional Training Centre, Collectorate Complex, Nalgonda. Shri Ganapathi Rao, DIO, Sri Aditya Naik, DIA and team were present during the examination.

### Shri. Guntuku Prasad, SIO Telangana along with his team handed over the Sanketika Sravanthi July 2025 Quarterly Newsletter to the State Departments officers

### 5-day residential training program on "Public Procurement and Contract Management" at Administrative Staff College of India, Hyderabad from 22/09/2025 to 26/09/2025

Shri Guntuku Prasad SIO, Telangana distributed certificates to the participants on concluding day. SIO, Telangana was felicitated by ASCI officials.

### The launch of BSNL 4G services by the Hon'ble Prime Minister was held on 27/09/2025 across districts

### NIC Telangana provided ICT support during the 20th installment of Pradhan Mantri Kisan Samman Nidhi (PM-KISAN) event held at Karimnagar & Ranga Reddy Districts and 16<sup>th</sup> Rozgar Mela at Secunderabad

### VIP Visits

On 15/07/2025, Dr. Neha Garg, Additional Director General, Central Economic Intelligence Bureau, New Delhi, visited the NDC, Hyderabad, for an on-site inspection of the Hyper-Converged Infrastructure deployed for the Disaster Recovery setup of the NEOR project.

On 18/07/2025 Mr. Brijpal Singh, Head of Jio Platforms Limited visited NIC Hyderabad and met with SIO, ASIO, HOD DC, HOD Cloud

Professor Shri Moni Madaswamy former Director General, National Informatics Centre visited NIC Telangana on 28/08/2025 regarding tribal farming interaction with Agriculture Department.

### Highlights of DIO/DIA's Meet 2025 (11 - 12 September 2025)

The two-day DIO/DIA's meeting was organized at NIC Telangana State Centre, Hyderabad and attended by Shri VTV Ramana, DDG & State Coordinator, Shri Ashish Vikram Asthana, DDG & HOG DC Non-IT Infra Division, Shri Guntuku Prasad SIO, Telangana, ASIO Districts, all HOD's and DIO/DIA's of the Districts along with District Coordinators. The HOD's, DIO/DIA's and project leaders presented on their projects, District Activities covering eoffice 7.x, Collabfiles, Cyber Security, FARPS, Web VPN, ICT Infra Audit, IRAD/eDar/Sarathi, eMail, GovDrive, eForms, VC services, Bhu Bharati & State PDS, NGC CLOUD, Web Hosting, Admin Accounts PFMS ebill, eMining, Role of NICSI, Prajavani-CPGRAMS, Rajbhasha Hindi and visit to NKN,SOC, NDC and NOC. The DDO and team conducted a quiz on administration rules and prizes were distributed to the district officers. The entire two-day event was compered by Shri Ravi Bandi, Welfare Officer and Ms. Swarnalatha Gunti, Scientist-E.

## Technology and Capacity Building

## Introductory session on PFMS eBill claims and Payment conducted on 17/07/2025

An introductory session on eBill claims and payment module in PFMS was conducted by Admin and Accounts team, under the supervision of Shri John Peter, SO and DDO, for officers and staff of NIC Telangana, NIC Andhra Pradesh including districts.

## CPR (Cardiopulmonary Resuscitation) Training Session conducted on 11/08/2025 to Empower NIC Telangana Staff with Life-Saving Skills in collaboration with KIMS Hospitals, Secunderabad.

Session organized by Shri Ravi Bandi, Welfare Officer. The session aimed to enhance life-saving skills among participants by providing hands-on training in CPR techniques for adults, children, and infants, along with emergency response procedures and the use of an Automated External Defibrillator (AED). The program emphasized the importance of timely intervention during cardiac emergencies, enabling participants to respond effectively and confidently in real-life situations.

## 7th All India Prison Duty Meet 2025 from 9th to 11th September 2025 conducted at Telangana State Police Academy, Hyderabad, Telangana.

Shri Amgoth Swaminath, Scientist-C nominated as the judge/evaluator for the Computer and Technology competition, Prisons Department, Telangana.

## Closing Ceremony of Hindi Pakhwada - 29th September 2025

Shri Ajay Madhukar Joshi, HOG virtually connected for the Hindi Closing Ceremony and Dr. Muhammad Kashif Hussain, Chief Guest, delivered a presentation on medical practices and distributed the certificates and prizes to the winners.

## Review meetings and Trainings on various projects

Review meeting on Sarathi Project with Joint Transport Commissioners and RTOs of transport department held on 14/08/2025

eOffice Training in Hindi Workshop at NIIMH Hyderabad

eOffice Training at Mines and Geology Department

The NIC team met with Enforcement Wing officers of the Prohibition & Excise Department for a software demonstration and review meeting to finalize software requirements.

On 25/08/2025 TBOWWW portal demonstration with NIC Rajasthan team.

Telangana State Project Advisory Committee review on various projects

eOffice was demonstrated to Prof. Dr. Shri Bheemarajuna Reddy Tamma (Digital Transformation) and department heads of IIT Hyderabad, Telangana for implementation

Chief Secretary, Government of Telangana took a meeting cum demo on eoffice along with other Secretaries to implement in all Departments of Telangana.

NIC TG Officers attending Karmayogi master trainers Training at NIC HQ

NIC Team at MCHRD AI Workshop. AI Team of Telangana discussed AI use cases with State ITEC officials

eMining Project appreciated by Sri K. Shashanka, IAS, Director of Mines and Geology, Government of Telangana, as highly commendable.

eMining Project appreciated by Sri K. Shashanka, IAS, Director of Mines and Geology, Government of Telangana, as highly commendable.

Shri Ravi Bandi, Scientist-C & Deputy Director (IT), NIC, along with the in-house IT team of the Mines & Geology Department, Government of Telangana, has been appreciated for his pivotal role in enhancing operational efficiency and transparency through the successful development, implementation, and training of the Online Slab System for granite cutting & polishing units and Zero Permits for Government works.

## Independence Day Celebrations "Naya Bharat"

Shri K.Radha Krishna, Additional SIO hoisted flag on Independence Day on 15/08/2025. Smt. Achuta Venu, ASIO (District), Shri Raynil John, ASIO (District), Smt. Kavitha Rao, Scientist -F, officers, staff and security were present.

Shri Ganapathi Rao, DIO, Nalgonda received appreciation certificate from State Roads Buildings and Cinematography Minister Shri Komati Reddy Venkata Reddy. NFE & iRAD DRM of Bhadradi Kothagudem district received appreciation certificates from the Minister of Agriculture Sri Thummala Nageshwar Rao and District Collector. Shri A.Santosh Kumar NFE, Sangareddy received an appreciation certificate from Shri DAMODAR RAJANARASIMHA, Hon'ble Minister for Health, Medical and Family Welfare, Science and Technology and District Collector Ms. P. PRAVINYA, I.A.S., SRD. Shri P. Sandeep Kumar, Siddipet, NFE received appreciation certificate from District Collector Smt. K. Hymavati, I.A.S.

## Aadhaar Samvadh day workshop held at HICC, Hyderabad on 29/09/2025

Shri Guntuku Prasad SIO & officials attended the Aadhaar Samvadh day workshop at HICC

## Inaugural of Rajbhasha Hindi fortnight celebrations 2025 and Workshop sessions.

The Rajbhasha Hindi fortnight celebration was virtually inaugurated by Shri Ajay Madhukar Joshi, DDG in presence of Shri K.Radha Krishna, ASIO (State), officers and staff of NIC Telangana.

Hindi Diwas celebrated on 14<sup>th</sup> to 15<sup>th</sup> September, 2025 at Gandhinagar, Gujarat

Shri Guntuku Prasad, SIO Telangana and committee members were present at Gandhinagar.

## Swachhata Hi Seva (Swachhotsav) celebrations from 17/09/2025 to 02/10/2025

## Employee Corner

## Superannuation in August 2025

Shri Shaik Hafeesoddin  
Scientist-F  
Telangana State Centre  
Hyderabad

## Warm Welcome to Newly Joined Officers

Shri Pulaparthi Sumanth  
Scientist-C  
Telangana State Centre  
Hyderabad

Shri Burra Srikanth  
Scientific Technical Assistant-A  
Adilabad District

## NIC Telangana pays tribute to the late Shri K.Radha Krishna, Scientist-F &amp; ASIO

With profound grief and deep sorrow, we share the news of the sudden passing of our most senior officer, Shri K.Radha Krishna, Scientist F & ASIO (State), who left us unexpectedly on the evening of the 20<sup>th</sup> of September 2025. His departure has created an irreplaceable void in the organization and in the hearts of all who knew him.

## Tech Insights

## Artificial General Intelligence (AGI)

**Artificial General Intelligence (AGI)** is a form of artificial intelligence that matches or surpasses human intelligence across a broad range of cognitive tasks. Unlike current artificial intelligence, which is predominantly "narrow AI" confined to specific domains such as image recognition or playing chess, etc. AGI embodies the versatility, adaptability, and general reasoning abilities of humans. Its core traits include the ability to understand, learn and apply its intelligence across a wide range of tasks, similar to human beings.

## Key Characteristics

**Versatility:** An AGI can perform any intellectual task that a human can, including tasks it was not originally trained for. This capability goes beyond today's AI, which excels only in predefined tasks

**Adaptability:** AGI systems can learn from experience, apply previous knowledge to new scenarios and handle novel or ambiguous problems efficiently, much like humans do

**General Understanding:** These systems possess the capacity for common sense reasoning, abstraction and transfer of knowledge across domains, adapting to new and unseen situations

**Self-improvement:** AGI can autonomously enhance its own skills, strategies, and capabilities over time

**Common Sense Reasoning:** They would possess a vast understanding of the world, including facts, relationships and social norms, allowing them to reason and make informed decisions

## Benefits and Risks

AGI promises transformative applications: it could solve complex problems in healthcare, climate change, logistics and more by applying human-like insight and efficiency at scale. However, the potential risks are significant.

## Current Status and Research

AGI is a theoretical concept and a long-term goal of AI research and does not currently exist. While some advanced AI models show early signs of generalization, no system has demonstrated human-level cognitive breadth or adaptability. Achieving AGI is a complex challenge that requires interdisciplinary collaboration and further breakthroughs in areas like neuroscience and cognitive psychology. The field's major players including OpenAI, DeepMind, Google and Meta actively research AGI and invest heavily in research and development to push the boundaries of what's possible with AI.

## Potential Applications and Impact

The development of AGI has the potential to revolutionize various aspects of life, from healthcare and education to scientific discovery and problem-solving.
