

## NIC Telangana: LAUNCH OF FIRST AID BOX AT NIC, HYDERABAD, TELANGANA STATE CENTRE

Sh. Guntuku Prasad, **State Informatics Officer (SIO)**, NIC Telangana, inaugurated the **First Aid Box Facility** at the **Ground Floor, NIC Telangana State Centre, Hyderabad**, on **27th October 2025** in the presence of **Ms. Achuta Venu Nattay, ASIO (State)**, **Sh. Govardhana Srikanth ASIO (Districts)**, **Sh. John Peter, Section Officer** and **Sh. Ravi Bandi, Welfare Officer**.

This initiative, launched as a **part of the Welfare Activities** of NIC Telangana, aims to ensure the health and safety of all employees by providing immediate access to essential medicines, first aid supplies, and basic medical equipment during emergencies. The First Aid Box has been strategically placed at the **Reception Counter (Ground Floor)** for quick accessibility to all staff members.

The First Aid Box contains a comprehensive set of **basic medicines**, including Paracetamol, Antacid Tablets, Antiseptic Cream, Cough Syrup, and Pain Relief Spray, along with **basic first aid supplies** such as adhesive bandages, cotton rolls, surgical tape, gloves, and hand sanitizer. It also includes **medical equipment** like a Digital Thermometer, BP Monitor, and Pulse Oximeter.

Employees will enter the details of the medicines used in the dedicated **First Aid Box Register**, maintained at the **Reception Counter**. This step marks an important addition to NIC Telangana's workplace health and safety measures, promoting a culture of preparedness, well-being, and care for all employees.

As part of NIC's ongoing welfare and health initiatives, this facility reflects the organization's commitment to maintaining a safe and supportive work environment. The availability of such essential medical support within the office premises will help address minor health concerns promptly and enhance overall employee well-being.

**NIC Telangana** appreciates the support and cooperation of all staff in maintaining the First Aid facility responsibly and effectively.
