

NIC Telangana: Workshop by NIC Telangana Officials for District Court System Officers & Administrators at Telangana State Judicial Academy (TSJA) – 18th October 2025

A one-day training workshop was conducted on 18th October 2025 at the Telangana State Judicial Academy, Hyderabad, organized by the High Court of the State of Telangana for District Court System Officers and System Administrators. The technical staff of the High Court of Telangana also participated in the program.

The training was conducted by officials from the National Informatics Centre (NIC), Telangana, at the request of the High Court, under the directions of the Hon'ble e-Committee, Supreme Court of India, as part of the ongoing "eCourts Capacity Building Programme", in coordination with the TSJA.

The session aimed to enhance participants' understanding of critical areas such as hardware and software maintenance, data replication and monitoring, video conferencing equipment, and LAN connectivity.

The following NIC Telangana officials led the sessions and delivered presentations on their respective topics:

1. **Ms. Srilatha Gorla**, Joint Director (IT) & **Ms. Gedala Sujatha**, Asst. Director (IT)
Data Replication & Monitoring and Cyber Security
2. **Mr. Shiva Ramulu**, Senior Director (IT) & **Mr. K.V. Surya Narayana**, Deputy Director (IT)
