NIC Telangana: ** NIC Telangana Observes Swachhata Pakhwada with Swachhata Pledge-2026 **

On 02 February 2026, the National Informatics Centre (NIC), Telangana State Centre, conducted the **Swachhata Pakhwada Pledge** as part of the nationwide **Swachhata Campaign**. The **Swachhata Pledge** was administered by the **Director General (DG), NIC**. It was participated in by the **State Informatics Officer (SIO), NIC Telangana**, along with officers and staff of the State Centre. **District Informatics Officers from Telangana also participated in the pledge from their respective District Centres**, ensuring statewide involvement during the **Swachhata Pakhwada observance (01–15 February 2026)**.

Participants from NIC Telangana State Centre

Participants from NIC District Centres

During the program, participants pledged to adopt cleanliness as a way of life and to contribute both individually and collectively towards maintaining hygienic workplaces and surroundings. The initiative emphasised the importance of sustained efforts, discipline, and awareness in achieving national sanitation goals. The successful conduct of the pledge strengthened NIC Telangana's alignment with the Government of India initiatives and fostered a culture of civic responsibility, teamwork, and environmental consciousness among employees.
