all the State/Union Territory Governments

**Subject:** Onboarding of States/Union Territories' COVID-19 Warriors to iGOT (Integrated Govt. Online Training) courses on DIKSHA platform on COVID-19 pandemic.

Dear Sir/Madam,

As all are aware, the whole world, including India, is facing a significantly higher threat from COVID-19 pandemic. India is responding to the Novel coronavirus pandemic with an unprecedented mobilisation of Human Resources - the intrepid COVID Warriors who are battling the Virus at the frontline. These brave & dedicated Doctors, healthcare workers, Technicians, paramedics, Aayush Doctors, State/UT Govt. Officers, Police and other Volunteers require enhanced capacity & updated information to keep in-step with the latest advances in techniques and global understanding of the Virus.

2. In pursuance of the decision of the Empowered Group on Augmenting Human Resources and Capacity Building set up by the Hon'ble Prime Minister under the Chairmanship of Secretary, Micro Small and Medium Enterprises, the Government of India, through its Department of Personnel and Training, has launched a tailored version of **iGOT (Integrated Govt. Online Training)** on 07/04/2020 to train all the COVID-19 Warriors of India. The learning portal (<https://igot.gov.in>) has national coverage, free access to all, 24X7 content availability from any location, any device and above all has relevant content developed by the Govt. of India which is updated regularly as the situation unfolds. The iGOT COVID version is being hosted on Ministry of Human Resource Development's DIKSHA platform.

3. The URL Link of the website is <http://igot.gov.in>. For onboarding the platform, the following information is enclosed:

- (i) Identify the States/UTs' COVID-19 Warriors including Doctors, Nurses, Paramedics, Hygiene Workers, Technicians, Auxiliary Nursing Midwives (ANMs), State Govt. officers/officials, Police, Volunteers etc. and enroll them to iGOT platform.
- (ii) Identify the training needs of respective frontline worriers and identify/ customise courses with focus on content in local languages, etc.

....02/-

- (iii) Create targeted outreach program by identifying the right channels and creation of localized outreach material to have maximum reach to blocks.
- (iv) Register State/UT Government and Private staff to take up the respective course.
- (v) Governance mechanism to administer the enrollment, courses launched, course completion status through state specific dashboard.
