(Contains Press releases concerning Covid-19, issued in last 24 hours, inputs from PIB Field Offices and Fact checks undertaken by PIB)
Updates on Covid-19 from Ministry of Health and Family Welfare: Recovery rate crosses 60%; Sharp rise in daily recoveries: 20,033 recovered in the last 24 hours; Recoveries exceed active cases by more than 1.5 lakh; More than 2.4 lakh tested in 24 hours

A high-level review meeting on preparedness for COVID-19 was held today by the Cabinet Secretary with the States/UTs. The recovery rate among COVID-19 patients stands at 60.73% today. Early detection and timely clinical management of COVID-19 cases have resulted in increasing daily recoveries. During the last 24 hours, a sharp rise of recoveries was observed, with 20,033 COVID-19
patients having been cured, taking the cumulative figure to 3,79,891. Presently, there are 2,27,439 active cases and all are under medical supervision. As on date, there are 1,52,452 recovered cases more than the active COVID-19 cases.

There has been a steady rise in the samples tested every day with close to 93 lakh samples being tested till date. During the last 24 hours 2,41,576 samples have been tested. The cumulative number of samples tested, as on date, is 92,97,749. This has also been possible due to the very expanding network of testing labs in the country. With 775 labs in the government sector and 299 private labs, there are as many as 1074 labs today.

More than 2 Crore N95 Masks & more than 1 Crore PPEs distributed Free of Cost by Central Government to States

Union Government’s central role has been in strengthening health infrastructure to fight the pandemic. Since 1st April 2020, Centre has distributed more than 2.02 crore N95 masks and more than 1.18 crore PPE kits to States / UTs / Central Institutions, free of cost. Also, more than 6.12 crore HCQ tablets have been distributed to them. In addition, so far, 11,300 ‘Make in India’ ventilators have been dispatched to various States / UTs / Central Institutions, out of which 6154 ventilators stand already delivered to various hospitals. This will help to bridge the massive gap in availability of ventilators in COVID ICU facilities. MoHFW is also supplying 1.02 lakh oxygen cylinders to States/UTs, out of which 72,293 have been delivered to strengthen oxygen beds. Till now, 7.81 lakh PPEs and 12.76 lakh N95 masks have been supplied in Delhi, 11.78 lakh PPEs and 20.64 N95 masks in Maharashtra, and 5.39 lakh PPEs and 9.81 lakh N95 masks in Tamil Nadu by MoHFW.

Union Home Minister held a meeting with Chief Ministers of Delhi, Haryana and Uttar Pradesh for a unified Covid19 strategy for National Capital Region

Union Home Minister Shri Amit Shah held a meeting with Chief Ministers of Delhi, Haryana and Uttar Pradesh for a unified strategy for COVID19 in the National Capital Region(NCR) yesterday. He emphasised on the need to focus on more testing of those suspected of Covid19 so that the infection rate in the NCR region can be reduced. Shri Amit Shah said that adoption of more testing via Rapid Antigen Test Kits will help in reducing infection transmission rate below 10% as suggested by World Health Organization. He emphasised on the importance of the humanitarian perspective to save lives of the poor and the needy, said the focus should be on early hospitalisation of patients, so that the mortality can
also be reduced. Shri Amit Shah also stressed on the wide use of Arogya Setu and Itihas Apps to help COVID19 mapping in the NCR. The Minister added that the AIIMS Delhi Telemedicine consultation model being used in Delhi for COVID patients should be replicated in Uttar Pradesh and Haryana also. Minister for Health and Family Welfare Dr. Harsh Vardhan and senior officials of the Government of India, Uttar Pradesh, Haryana and Delhi governments were also present at the meeting.

**About 1.59 crore households covered in a Vulnerability Mapping Survey by 42000 ASHAs in Karnataka**

Karnataka’s 42,000 ASHAs have emerged as a crucial pillar in the State’s success in combating COVID-19. They have been actively participating in the COVID-19 household surveys and screening inter-state passengers, migrant workers, and others in the community for symptoms of COVID-19. Recognizing the increased vulnerability of certain population groups to COVID-19, in a one-time survey to identify households with the elderly, persons with co-morbidities, and immuno-compromised individuals, about 1.59 crore households were covered. ASHAs regularly monitor such high-risk groups in their area with periodicity of follow-up visits varying from once a day in the Containment Zones to once every 15 days in other areas. They also visit the houses of persons expressing complaints of ILI/SARI symptoms, and high-risk individuals who have called the State Health Department helpline numbers.

**Jal Jeevan Mission: during lockdown, 19 lakh households provided tap connections**

When the whole country is fighting the Covid-19 pandemic, Central Government is making all efforts for ‘provision of safe drinking water in rural areas’ by providing tap connections in rural households, so that people can get water in their premises underJal Jeevan Mission (JJM). It would avoid gathering at public stand-posts to fetch water as well as provide employment to locals along with the returnees, which in turn will boost rural economy. In the first quarter of 2020-21, 19 lakh tap connections have been provided in villages across the country. This has happened because of concerted efforts of the States despite adverse working conditions due to Covid-19 pandemic. The mission is under implementation in partnership with States.

**COVID-19 serves as a clarion call to achieve Amanirbhar Bharat, says Dr Raghunath Mashelkar**
COVID-19 has brought into the country a clarion call for everyone to rebuild, recover, and re-imagine ourselves in order to achieve Aatmanirbhar Bharat, said Padma Vibhushan, Dr Raghunath Anant Mashelkar. Delivering a talk on “Building Aatmanirbhar Bharat with Aatmabishwas”, Dr Mashelkar said that in our endeavour to attain self-reliance or Aatmanirbhar Bharat, we cannot isolate ourselves from the world but integrate with global supply chain. He emphasized on five pillars of ‘aatmanirbhara’ – Buy, Make, Buy to make better, Make to buy better, and Make it together (building public-private partnerships).
